

Join us for our Service for the First Sunday of Lent, from St Thomas's Hospital Chapel and led by the chaplaincy team of Guys and [St Thomas's Hospital](#).

This service also forms part of the [National Day of Reflection](#) marking five years since the Covid-19 pandemic, with prayers and testimonies from nurses of finding hope through fellowship, prayer, and community during times of hardship and sadness.

In moments when all seems dark, we are reminded of Jesus's steadfast faith and endurance during his forty days and forty nights in the wilderness and how Jesus' unwavering hope serves as an inspiration for us to remain hopeful even through our own trials.

Be sure to tune in and be part of this community of faith, connecting worshippers across England and beyond.

Join our online community from 9am on Sunday. This service has subtitles and BSL interpretation.
