## The Film

**SHOW** this a few times in Sunday services\*, and pair it with an interview with current volunteers.

**SHARE** it on your social media channels.

**SEND** it to your congregation to watch again at home.

\*If you don't have WIFI in your church and need to download the film separately OR if your church can't access a screen but you would like to order free flyers with the film QR code/link on (so people can watch on their own devices), [please click here](#).

Each poster has space for you to add your own details, so people know who to contact if they are interested in finding out more about volunteering with children and young people. [To download and view the posters click here](#)

For churches who cannot play the film in services we have produced a flyer with a QR code and link to the film, so people can view it on their own devices or at home. There is also space for churches to enter details of specific roles they need help with. These can be [ordered online](#) and filled in by hand, or can be downloaded and typed into, then printed at home. [To download and view the editable flyers click here](#)
