

Got a digital question or problem you'd appreciate personalised support with?

We invite you to participate in our Digital Labs Clinics to help, especially if you're looking for support making the most of the Living Hope theme for Lent and Easter.

Why Participate?

This Lent, Living Hope encourages us to deepen our hope in God and connect with Him in our daily lives. By coming along to a Digital Labs Clinic, you'll gain the tools and insights needed to effectively share this message of hope with your community. Our clinics are designed to offer tailored advice to help you enhance your digital presence, making it easier to reach and inspire others during this meaningful season.

What will happen at a clinic?

Our clinics will be an opportunity to receive help in a supportive environment where you can ask questions, receive personalised advice, and learn practical skills to enhance your digital outreach. You'll have the opportunity to engage with experts, access signposted resources tailored to your needs, and gain valuable tips and tricks to help improve your digital ministry efforts.

How to Participate: Fill out our [Digital Labs Clinics Submission Form](#) to secure your slot. This form will help us understand your digital needs and provide tailored support.

We offer advice on:

- Content Planning and Creation: Improve your content strategy.
- Engagement: Improve interactions on your posts.
- Audience Insights: Understand your followers better.
- Platform Performance: Assess your social media effectiveness.
- Website and SEO: Ways to optimize your website for better visibility.
- Email Campaigns: Improve your email marketing efforts.
- Other: Let us know any other areas you need help with.

We look forward to working with you to improve your digital presence and support you during this Lent & Easter.
