THE Golden Numbers in the foregoing Calendar will point out the Days of the Paschal Full Moons, till the Year of our Lord 2200; at which Time, in order that the Ecclesiastical Full Moons may fall nearly on the same Days with the real Full Moons, the Golden Numbers must be removed to different Days of the Calendar, as is done in the annexed Table, which contains so much of the Calendar then to be used, as is necessary for finding the Paschal Full Moons, and the Feast of Easter, from the Year 2200, to the Year 2299 inclusive. This Table is to be made use of, in all respects, as the first Table before inserted, for finding Easter till the Year 2199.
