

**STANDING ORDERS OF THE GENERAL SYNOD**

Consolidated text, July 2015

The text in underlined italics is provisional, pending decisions to be taken by the General Synod on proposed pre-consolidation amendments to the existing Standing Orders.

## **GENERAL ARRANGEMENTS FOR GROUPS OF SESSIONS**

### **1. Sessional arrangements**

All arrangements for the inauguration and dissolution of the General Synod of the Church of England (referred to in these Standing Orders as “the Synod”), and for the sessions and groups of sessions of the Synod, including Divine Worship, are to be made by or under the direction of the Presidents.

### **2. Time and place of sessions**

- (1) The Synod must hold at least two groups of sessions in each calendar year.
- (2) The Synod must, on a motion moved on behalf of the Business Committee no later than 1 August in the preceding calendar year, determine the week or weeks during which each group of sessions is to be held.
- (3) The Presidents, after consulting with the Business Committee, must appoint the days and times when, and the place where, each group of sessions is to be held.
- (4) No official body may meet during a group of sessions without having obtained the agreement of the Clerk; and for this purpose, “official body”—
  - (a) means a body which, by its constitution or terms of reference, is answerable to the Synod, but
  - (b) does not include the Business Committee, the Legislative Committee or a body which has business before the Synod.
- (5) The Presidents may, in circumstances of special urgency or importance—
  - (a) alter the weeks determined, or the days, times or place appointed, for a session or group of sessions;
  - (b) cancel a session or group of sessions previously determined;
  - (c) summon a special session or group of sessions.
- (6) The power under paragraph (5)(c) is exercisable by notice in writing posted or delivered to every member of the Synod at least ten days before the date on which the session or group of sessions is proposed to begin.
- (7) If the power under paragraph (5)(c) is exercised at a time when an ordinary group of sessions is in progress, the notice under paragraph (6) may be in the form of a notice paper.

### **3. Seating**

The Clerk must, in accordance with the directions of the Business Committee, make seating arrangements for the Synod and its Houses.

## **AGENDA**

### **4. Content of agenda**

(1) The Business Committee must, subject to any resolution of the Synod and to these Standing Orders—

- (a) settle the agenda for each group of sessions, and
- (b) determine the order in which the business is to be considered.

(2) The agenda for a group of sessions must specify every item of business of which due notice has been given, except in so far as it is excluded under paragraph (5).

(3) The Joint Presidents may direct the addition to the agenda at any time of such urgent or other specially important business, including a question under SO 112, as seems to them desirable.

(4) The only business which may be considered at a group of sessions is—

- (a) business specified in the agenda or any notice paper relating to it,
- (b) business arising from business so specified,
- (c) business added to the agenda under paragraph (3), and
- (d) business arising from business so added.

(5) The Business Committee must exclude from the agenda and any notice paper relating to it—

- (a) any business the language of which the Committee considers to be libellous, insulting or unseemly,
- (b) any business the discussion of which would, in its judgement, be mischievous, and
- (c) any business not otherwise in order.

(6) The agenda for a special session or group of sessions summoned under SO 2(5)(c) is to include only such business as the Business Committee specifies, subject to the possibility of business being added under paragraph (3).

### **5. Order of business**

In determining the order of business under SO 4(1)(b), the Business Committee must give special consideration to—

- (a) items requiring exceptionally urgent legislative or other action or meriting an early formulation of opinion by the Synod,

- (b) items brought before the Synod at the request of a House of either Convocation or a House of the Synod,
- (c) items brought before the Synod at the formal request of a diocesan synod (referred to as “diocesan synod motions” (see SO 7)), and
- (d) items which were included in the agenda for consideration at the preceding group of sessions but which were adjourned, postponed, only partly considered or not considered.

**6. Private members’ motions**

(1) Where notice of a new private member’s motion is given, the members of the Synod must be notified as soon as practicable and in such manner as the Business Committee may determine.

(2) “Private member’s motion” means a motion, other than a question of procedure (see SO 30(6)), moved by a member in an individual capacity; accordingly, it does not include—

- (a) a motion moved as Chair or as Prolocutor or otherwise officially on behalf of a House of the Synod, a Convocation or House of a Convocation, a body subordinate to the Synod or a body on which the Synod is represented, or
- (b) a diocesan synod motion.

(3) The Business Committee must provide members with facilities for indicating the order in which private members’ motions should be specified in the agenda for debate at a group of sessions.

(4) The facilities must, in the case of each private member’s motion, enable a member to include his or her name on a list of members who support a debate on the motion—

- (a) by adding his or her name to a list made available for the purpose at a group of sessions, or
- (b) if the member has previously notified the Clerk of an email address for the purpose, by sending the Clerk an email from that address requesting the addition of his or her name to a list .

(5) An email under paragraph (4)(b) is to be sent during such period before a group of sessions as the Business Committee decides and makes known to members.

(6) Every name included on a list under paragraph (4) is, unless withdrawn by the member, to be carried forward until the Synod is dissolved and to be counted towards the support for debate on the motion in question.

(7) The number of names supporting each motion is to be—

- (a) shown in the agenda for each group of sessions, and

(b) made known to members in such other manner as the Business Committee determines from time to time.

(8) In determining the order in which private members' motions are to be specified in the agenda for debate at a group of sessions, the Business Committee must, in the case of each private member's motion, have regard to the number of names supporting a debate on the motion.

(9) The Business Committee may not include a private member's motion in the agenda for debate at a group of sessions if fewer than 100 members have indicated support for debate on it under paragraph (4) by the end of the third group of sessions after notice of the motion was given.

(10) Where a private member's motion is, by virtue of paragraph (9), not included in the agenda for debate at a group of sessions, it is out of order to table during the remainder of the lifetime of the Synod a motion in the same form or in a form which, in the Business Committee's opinion, is substantially to the same effect.

(11) A member who has given notice of a private member's motion may, at any time before the Business Committee includes the motion in the agenda for debate at a group of sessions, give notice to the Clerk that the member wishes to withdraw the motion.

(12) Where a notice is given under paragraph (11), the Business Committee may not include the motion in the agenda for debate at a group of sessions; and it is out of order for the member concerned to give notice during the remainder of the lifetime of the Synod of a private member's motion in the same form or in a form which, in the Business Committee's opinion, is substantially to the same effect.

## **7. Diocesan synod motions**

(1) Diocesan synod motions are normally to be considered by the Synod in the order in which the Clerk receives notice of them.

(2) But the Business Committee may vary that order; and, where it does so, it must report in writing to the Synod the reasons for the variation.

## **8. Motions arising out of official business**

(1) Where a member in his or her private capacity tables a motion arising out of business specified in the agenda, the motion is to be subject to the time allowed in the agenda for the consideration of that business.

(2) If the motion is not moved in the group of sessions at which that business is completed, the motion lapses unless the Business Committee directs otherwise.

## **9. Variations of order of business**

(1) The order of business specified in the agenda and notice papers may not be varied except—

(a) by the Chair with the general consent of the Synod, or

- (b) by resolution of the Synod.
- (2) Where notice is given of a motion for a resolution under paragraph (1)(b), the notice must be included in the next available notice paper.
- (3) The motion is to be moved at such time as the Chair may determine, after consulting with the Business Committee.
- (4) The mover of the motion may speak to the motion for no more than two minutes; and the motion may be opposed in a single speech of no more than two minutes.
- (5) The question must then be put without further discussion, unless the Chair decides to allow further debate; and in such further debate, no member may speak for more than two minutes.

## **NOTICE OF BUSINESS**

### **10. Length of notice: general**

- (5) For the purposes of this Standing Order, business listed in the agenda for a group of sessions as contingency business is to be treated as business that is already included in the agenda for debate at that group of sessions and is appointed for the morning sitting of the second day of that group of sessions.

(6) Notice under this Standing Order must be accompanied by evidence of support for the business contained in the notice from two or more members in addition to the member giving the notice; and for this purpose, evidence is to be shown—

#### **12. Length of notice: variation of times and periods**

The Business Committee—

(a) may vary the times and periods of notice in these Standing Orders for any particular item of business or any particular group of sessions if, in its opinion, circumstances so require, and

(b) if it makes a variation under paragraph (a), must give notice of the variation.

**13. How to give notice**

A member may give notice under these Standing Orders either—

- (a) to the Clerk, in writing signed by the member, or
- (b) by email or fax to an address notified by the Clerk for that purpose, from an address notified to the Clerk.

**GENERAL PROCEDURES AT A GROUP OF SESSIONS**

**14. The Chair**

- (1) The Chair of each sitting must be—

  - (b) for a particular item of business.
- (3) The rota of Chairs for a group of sessions must be set out in a notice paper.

**15. Powers and duties of the Chair**

- (1) The Chair—
  - (a) must perform the functions assigned to him or her by the Constitution or by these Standing Orders, and
  - (b) subject to that and to any special directions of the Presidents, including on the interpretation of the Constitution or these Standing Orders or any rulings the Presidents give under the Constitution or these Standing Orders, must regulate the proceedings and maintain order, doing whatever is necessary for that purpose.
- (2) The Chair must give a final determination on any question of order, business or procedure and on any matter that is incidental to it; accordingly, the Chair's determination on such a matter is not open to debate or question.
- (3) But the Chair may reserve such a matter for determination by the Presidents or the Business Committee; and, where the Chair does so, the matter is to be so determined.

(4) It is not in order for the Chair to move motions, except in so far as expressly permitted by these Standing Orders, to move amendments or to take part in debate; but the Chair may formulate succinctly and impartially the issues before the Synod.

(5) The Chair has the same voting rights as every other member of the Synod and, accordingly, has no second or casting vote.

(6) The Chair may, with the general consent of the Synod, extend a sitting for no more than 15 minutes beyond the time fixed in accordance with SO 2 if, in the Chair's opinion, that is likely to be for the better conduct of the Synod's business.

(7) The Chair must—

(a) adjourn the Synod at the time fixed in accordance with SO 2, subject to the power under paragraph (6) to extend a sitting;

(b) adjourn the debate on a question at the time fixed for the commencement of other business.

(8) The Chair may adjourn a sitting of the Synod for an interval for the better conduct or greater convenience of the Synod's business; and, where the Chair does so, the proceedings resume—

(b) if the Chair has not appointed a time, at such time as the Business Committee appoints.

## **16. Quorum**

(1) One-fifth of the members of each of the three Houses form a quorum of the Synod.

(2) A quorum is required for the consideration of all business except—

(a) a motion to adjourn a debate under SO 33, or

(b) a motion to suspend a sitting under SO 34.

(3) If the Chair determines that there is not a quorum, a bell must be rung and consideration of business ceases; and—

(a) if at or before the end of five minutes from the ringing of the bell, the Chair determines that there is a quorum, consideration of business resumes;

(b) if at the end of that period, there is still not a quorum, the Chair must adjourn the sitting until such time as the Chair appoints.

(4) When the Chair has put the question on a motion or amendment, it is not in order to call the attention of the Chair to the absence of a quorum until after the announcement by the Chair of the result of the vote on the question; and the result as announced by the Chair is conclusive.

(5) A member may call the attention of the Chair to the absence of a quorum at any other time.

**17. Right to speak**

(1) A member wishing to speak must rise in his or her place or, if unable to do so, indicate by some other means the wish to speak.

(2) A member may also give notice to the Clerk of an intention to speak, mentioning any special reason or expertise.

(3) The Chair determines the order in which members are to speak.

**18. Breach of order**

The Chair must call a member to order for any of the following and may direct the member to stop speaking—

(e) disregard of the authority of the Chair, or

(f) any other breach of order.

**19. Points of order, points of personal explanation and interruptions**

(1) A member may raise a point of order under the Constitution or these Standing Orders and may interrupt another speaker in order to do so; when raising a point of order, a member must quote the relevant provision of the Constitution or these Standing Orders and make his or her point succinctly.

(2) If a member wishes to correct an important misunderstanding of fact, concerning either the member or what the member has said, the member may interrupt a speech to make a point of personal explanation; but the member may do so only with the consent of the person speaking and the permission of the Chair.

(3) No other interruption of a speech is permitted.

(4) A member whose interruption is determined by the Chair as not being a point of order or a point of personal explanation is deemed to have made a speech on the question under consideration.

## **20. Speaking to a motion or amendment**

No member may address the Chair except on a motion or amendment; but that is subject to—

- (a) SO 19 (points of order and points of personal explanation);
- (b) SO 42 (memorials);
- (c) SO 43 (petitions);
- (d) SO 107 (presentations);
- (e) SOs 112, 115 and 116 (questions).

## **21. Speaking more than once**

- (1) A member may speak only once on a question before the Synod, whether a motion or amendment, except in the following cases.
- (2) The first case is where the member is raising a point of order, or making a point of personal explanation, in accordance with SO 19.
- (3) The second case is where the member has the permission of the Chair and the general consent of the Synod.
- (4) The third case is where the member is replying to the debate on a motion moved by that member; and in that case, the second speech by the member may not introduce new matter and closes the debate.
- (5) The fourth case is where the member has moved an amendment to a Measure on the Revision Stage, to an instrument being considered under the Preliminary Motion Procedure (see SO 73) or to liturgical business (see SO 87); and in that case, the member may speak twice to the amendment.
- (6) The fifth case is where the member is a member of a Steering Committee; and in that case, the member may speak repeatedly on any question relating to the business of the Committee.
- (7) The sixth case is where the member is in charge of business being considered under the Preliminary Motion Procedure (see SO 73); and in that case, the member may speak repeatedly on any question relating to that business.
- (8) The seventh case is where the member is speaking as Chair of the Archbishops' Council, or as a member deputising for the Chair, in relation to the annual accounts or budget (see SO 110).

## **22. Length of speeches**

- (1) No speech may exceed five minutes, except as permitted by paragraph (2) or (3) or where these Standing Orders provide otherwise.
- (2) The opening speech by the mover of a motion may not exceed ten minutes, unless the Standing Orders specify a different period in a particular case.
- (3) The Chair may at any time lengthen or shorten the time limit for a speech, without a motion being moved; and the Chair may do so where the time limit has been varied on a motion for the Speech Limit under SO 32.
- (4) Where the Chair varies the time limit under paragraph (3), the Chair must inform the Synod of the decision and must have particular regard to any member's right of reply.

## **MOTIONS AND AMENDMENTS**

## **23. Moving and withdrawal**

- (1) A motion or amendment is moved as soon as the member called by the Chair has begun to speak, unless the Chair has called the member to speak without moving it.
- (2) A motion or amendment not moved by the proposer may be moved by another member.
- (3) A motion may be moved in a form different from that of which notice has been given, if the Business Committee has given permission before the inclusion of the motion in the agenda for debate at a group of sessions.
- (4) Once moved, a motion or amendment may be withdrawn only with the leave of the Synod.
- (5) It is not in order to move a motion to refer back another motion or recommendation; but an amendment to that effect may be moved unless the amendment is out of order under SO 26(3).

## **24. Division of text**

- (1) Before putting a question to the vote, the Chair may, with the general consent of the Synod, direct that separate votes are to be taken on the text divided into such parts as the Chair specifies.
- (2) Before seeking general consent, the Chair must give the mover of the motion or amendment an opportunity to object to the proposed division.

## **25. Reconsideration**

- (1) It is not in order, subject to this Standing Order, to move a motion or amendment—

- (a) which is in the same form or in a form which is substantially to the same effect as a motion decided by the Synod within the preceding 11 months, or
  - (b) which proposes a course of action contrary to or substantially inconsistent with a decision made by the Synod within the preceding 11 months.
- (2) But a motion or amendment of the kind described in paragraph (1) may be moved—
- (a) with the permission of the Business Committee and the general consent of the Synod, and
  - (b) in the case of a motion or amendment of the kind mentioned in paragraph (1)(b), if a motion has been carried to rescind the decision in question.
- (3) Where the Business Committee gives permission under paragraph (2)(a), it must make a report in writing to the Synod setting out a summary of the case for reconsideration or rescission and giving its reasons for giving permission.
- (4) Paragraph (1) is also subject to—
- (a) SO 77(10) (draft reorganisation scheme: motion for reconsideration), and
  - (b) SO 84(4) (liturgical business: optional re-committal following Revision Committee).
- (5) Paragraph (1)(a) does not apply to a motion moved in accordance with SO 77(4) or (5) following the re-submission of a draft reorganisation scheme to the Synod under section 7(6) of the Dioceses, Pastoral and Mission Measure 2007.

  - (c) an amendment may be moved to an amendment.

## **27. Delivery**

- (1) The full text of an amendment, either in writing signed by the mover or in an email or fax sent from an address previously notified by the mover to the Clerk, must be delivered to the Clerk in accordance with this Standing Order; but this is subject to SO 11(1)(a), (c) and (d) (amendments to Measures etc., liturgical business or the Standing Orders) and to SO 26(4).
- (2) Where the amendment relates to business appointed for the first session of a group of sessions, or which in the normal course of events is expected to be considered at that first session, notice must be given no later than—
- (a) 5.30 p.m. on the day immediately before the first day appointed for the group of sessions, or
  - (b) if the first day is a Monday, 5.30 p.m. on the preceding Friday.
- (3) Where the amendment relates to business appointed for a morning sitting, or which in the normal course of events is expected to be considered at such a sitting, and paragraph (2) does not apply, notice must be given no later than 10 a.m. on the day before that sitting.
- (4) Where the amendment relates to business appointed for an afternoon or evening sitting, or which in the normal course of events is expected to be considered at such a sitting, and paragraph (2) does not apply, notice must be given no later than 4 p.m. on the day before that sitting.
- (5) For the purposes of this Standing Order, business listed in the agenda of a group of sessions as contingency business is to be treated as business appointed for the morning sitting of the second day of that group of sessions.
- (6) Notice under this Standing Order must be accompanied by evidence of support for the amendment to which the notice relates from two or more members in addition to the member giving the notice; and for this purpose, evidence is to be shown—

- (a) where notice is given in hard copy, by the signature of each of the members concerned;
- (b) where notice is given by email or fax, by such means as the Clerk considers adequate for the purpose.

**28. Content of amendment**

- (1) An amendment must be—
  - (a) relevant to the motion, or to the Clause or Schedule or (in the case of a Canon) paragraph, on which it is moved, and
  - (b) framed so as to form with that motion, or with that Clause or Schedule or paragraph, an intelligible and consistent sentence.
- (2) An amendment is out of order if, in the opinion of the Chair—
  - (a) it is substantially a negation of the substantive motion, or
  - (b) it is substantially to the same effect as an amendment which has previously been negated in the debate on the substantive motion.

**29. Order of consideration**

- (1) Amendments are considered in the order in which they strike the text unless the Chair determines otherwise.
- (2) After debate on an amendment, and before the main motion is voted on, the Chair must put the amendment to the vote in the form “*That this amendment be made*”, unless the amendment has been withdrawn by leave of the Synod.
- (3) Until that amendment has been disposed of, no other amendment may be moved, subject to SO 26(4) (which provides for an amendment to be moved to an amendment).

**SPECIAL PROCEDURAL MOTIONS**

**30. General**

- (1) Each of the following is a “special procedural motion” for the purposes of these Standing Orders—
  - (a) a motion “*That the question be now put*” (referred to as “a motion for the Closure”: see SO 31);
  - (b) a motion “*That all further speeches on this question be limited to [...] minutes*” (referred to as “a motion for the Speech Limit”: see SO 32);
  - (c) a motion “*That the Synod do pass to the next business*” (referred to as “a motion for Next Business”: see SO 33);

- (d) a motion “*That the debate be now adjourned [and resumed ...]*” (referred to as “a motion for the Adjournment of Debate”: see SO 34);
  - (e) a motion “*That this sitting of Synod be now suspended [until/for ...]*” (referred to as “a motion for the Suspension of Sitting”: see SO 35).
- (2) A member who has previously spoken on the motion, or on an amendment, under debate may not move a special procedural motion.
  - (3) A special procedural motion may not be moved so as to interrupt another member’s speech.
  - (4) A special procedural motion is out of order unless the member moving it informs the Chair at the beginning of his or her speech of the intention to move it.
  - (5) A special procedural motion takes precedence over—
    - (a) any question under debate, or
    - (b) any amendments to such a question which have not yet been considered.
  - (6) For the purposes of SOs 31 to 35, “question of procedure” means—
    - (a) a motion for a resolution under SO 9(1)(b) (variation of the order of business),
    - (b) a special procedural motion (see SO 30),
    - (c) a motion under SO 39 (suspension of Standing Orders),
    - (d) a motion under SO 104 (adjournment of debate on Final Approval of Article 7 or Article 8 business), or
    - (e) a motion under SO 150 (withdrawal of the public or press).

### **31. The Closure**

- (1) A motion for the Closure—
  - (a) may be moved only with the permission of the Chair;
  - (b) may be moved on an amendment or a question of procedure;
  - (c) may not be moved during a Final Approval debate.
- (2) There is no debate on the motion; the Chair must put it to the Synod forthwith.
- (3) If the motion is carried, it is not in order to move another special procedural motion.

- (4) If the motion is carried on a substantive motion—
  - (a) the member who under SO 21(4) has a right of reply must then be called to speak, and
  - (b) the question superseded must then be put.
- (5) If the motion is lost, the debate continues; but it is in order to move a motion for the Closure more than once on the same question.

### **32. The Speech Limit**

- (1) A motion for the Speech Limit—
  - (a) may be moved only with the permission of the Chair;
  - (b) may be moved on an amendment or a question of procedure;
  - (c) may not be moved during a Final Approval debate.
- (2) There is no debate on the motion; the Chair must put it to the Synod forthwith.
- (3) If the motion is carried, no speech may exceed the number of minutes specified in the motion, which may be more or less than the limit in force immediately beforehand; but this is subject to SO 22(3) (which gives the Chair discretion to vary the time limit for speeches).

### **33. Next Business**

- (1) A motion for Next Business—
  - (a) may be moved without the permission of the Chair;
  - (b) may not be moved on an amendment or a question of procedure;
  - (c) may not be moved during a Final Approval debate.
- (2) The motion may be debated at the discretion of the Chair; the mover of the motion on the original question has a right to speak during the debate but not to close it.
- (3) On a debate on the motion, the speech limit applicable is the speech limit in force on the original question; but this is subject to SO 22(3) (which gives the Chair discretion to vary the time limit for speeches)).
- (4) If the motion is carried—
  - (a) the original question lapses, and
  - (b) it is not in order to reconsider the original question in the same form or in a form which is, in the opinion of the Business Committee, substantially similar

within the remainder of the lifetime of the Synod, except with the permission of the Business Committee and the general consent of the Synod.

(5) Where the Business Committee gives permission under paragraph (4)(b), it must make a report in writing to the Synod setting out a summary of the case for reconsideration and its reasons for giving permission.

(6) If the motion is lost, a motion for Next Business may not be moved again in respect of the same original question.

### **34. Adjournment of debate**

(1) A motion for the Adjournment of Debate—

(a) may be moved without the permission of the Chair;

(b) may be moved on an amendment or a question of procedure;

(c) may, but need not, specify a time for the resumption of the interrupted debate.

(2) Following the speech by the mover of the motion for the Adjournment of Debate, the mover of the main motion has a right to speak; the motion for the Adjournment of Debate may then be further debated at the discretion of the Chair.

(3) No speech on the motion may exceed two minutes.

(4) If the motion is carried, the Chair must call the next item of business (if any) scheduled for the sitting; and if the question adjourned is an amendment, the debate on the main motion also stands adjourned.

(5) If the motion is carried and the Synod has not by the same resolution appointed a time for the resumption of the interrupted debate, it may be resumed only by direction of the Business Committee.

(6) If the motion is lost, a motion for the Adjournment of Debate may not be moved again during the debate on the main motion, except with the Chair's permission.

### **35. Suspension of Sitting**

(1) A motion for the Suspension of Sitting—

(a) may be moved without the permission of the Chair;

(b) may be moved on an amendment or a question of procedure;

(c) may, but need not, specify a time for the next sitting of the Synod or the resumption of the business interrupted.

(2) Following the speech by the mover of the motion for the Suspension of Sitting, the mover of the main motion (or, failing him or her, another member named by the Chair) has

a right to speak; the motion for the Suspension of Sitting may then be further debated at the discretion of the Chair.

- (3) No speech on the motion may exceed two minutes.
- (4) If the motion is carried and the Synod has not by the same resolution specified a time for its new sitting, a new sitting is to be held at a time appointed in accordance with SO 2.
- (5) If the motion is carried on an amendment, the debate on the main motion also stands adjourned.
- (6) If a motion for the Suspension of Sitting is lost, it may not be moved again during that sitting except with the permission of the Chair; and paragraph (1)(a) accordingly has effect subject to this paragraph.
- (7) Any business interrupted is to be resumed during the next group of sessions, unless the Synod resolves otherwise.

## VOTING

### **36. Majority required for decisions**

- (1) A question is carried if more than half of the members of the Synod present and voting are in favour; in any other case, the question is determined in the negative.
- (2) But paragraph (1) is subject to the following provisions of this Standing Order.
- (3) On a vote by Houses in accordance with SO 37(4), except in a case within paragraph (4) or (5) of this Standing Order, a question is carried only if more than half of those in each of the three Houses present and voting are in favour.
- (4) In the following cases, a question is carried only if at least two-thirds of those in each of the three Houses present and voting are in favour—
  - (a) the Final Approval of a Measure providing for permanent changes in the Services of Baptism or Holy Communion or in the Ordinal under Article 8(1) of the Constitution;
  - (b) the Final Approval of a Canon making such provision as is mentioned in section 1(1) or 2(1) of the Church of England (Worship and Doctrine) Measure 1974 or of regulations made under a Canon made under section 1(1) of that Measure;
  - (c) the Final Approval of liturgical business or of the amendment, continuance or discontinuance of an existing service under a Canon made under section 1(1) of that Measure;
  - (d) the question on the motion in SO 88(1) (Final Revision of liturgical business following Further Revision Stage);

(e) the amendment of the Church Representation Rules under section 7(1) of the Synodical Government Measure 1969.

(5) In the case of a scheme to which Article 8(1) of the Constitution applies, including one to which it has been applied by the Presidents, and in relation to which the Synod has passed a resolution under Article 8(1B) of the Constitution, the question on the Final Approval of the scheme is carried only if the special majorities of the members present and voting that are specified in the resolution are in favour.

(6) In the case of a motion under SO 39 for the suspension of the whole or part of one or more of the Standing Orders, the question of whether the motion is carried is determined in accordance with SO 39.

(7) For the purposes of these Standing Orders and for the avoidance of doubt, recording an abstention from voting on a question is not to be regarded as voting on that question.

### **37. Show of hands and counted votes**

(1) On putting a question to the vote, the Chair must take a show of hands of those seated in the hall, the result of which as announced by the Chair is conclusive; but this is subject to the following provisions of this Standing Order.

(2) The Chair may on any question order there to be a counted vote of the whole Synod, except where there is a requirement for there to be a counted vote by Houses (see paragraphs (4) to (6)).

(3) The Chair must order there to be a counted vote of the whole Synod if at least 25 members so request, either before the question is put or immediately upon the announcement of the result of a show of hands.

(4) There must be a counted vote by Houses in each of the following cases—

(a) a case within SO 36(4) (Final Approval in certain cases, amendment of Church Representation Rules, etc.);

(b) a case within SO 36(5) (scheme to which Article 8(1) of Constitution applies) where a special majority of each House is required;

(c) the Final Approval of a Measure or Canon, unless (in a case not within SO 36(4)) this requirement is dispensed with by permission of the Chair and with the leave of the Synod;

(d) a case where at least 25 members request there to be a counted vote by Houses and the request is made—

(i) before the question is put,

(ii) immediately upon the announcement of the result of a show of hands, or

(iii) immediately upon an order that there is to be a counted vote of the whole Synod.

(5) But a counted vote by Houses is not permitted under paragraph (4)(d)—

(a) following a counted vote of the whole Synod,

(b) where a special majority of the whole Synod is required unless, in a case within SO 36(5), a special majority of each House is required in addition to a special majority of the whole Synod, or

(c) where the matter is a question of procedure.

(6) “Counted vote” means a vote on which the number of votes in favour of the question and the number of votes against are counted and recorded (and see also SO 38(6)).

### **38. Procedure on voting**

(1) In the case of a vote which is to be taken on a show of hands, it is not in order to vote—

(a) from the gallery of the hall, or

(b) from an aisle or gangway, except with the permission of the Chair when there are no seats available in the hall.

(2) Before a counted vote takes place, a bell must be rung to warn members—

(a) that a counted vote is to take place, and

(b) that, where the vote is to be conducted by physical separation of those voting, members must enter the hall if they wish to take part.

(3) On a counted vote of the whole Synod, the requirement under paragraph (2) to ring a bell applies only if the Chair so directs.

(4) Two minutes after the bell has stopped ringing and, where the vote is to be conducted by physical separation of those voting, all the doors of the hall have been closed, the question is to be put; and, on the question being put, the voting begins.

(5) A counted vote, whether of the whole Synod or by Houses, must be conducted by electronic means unless the Chair directs that it is to be conducted by physical separation of the members voting.

(6) On a counted vote, whether of the whole Synod or by Houses, the number of those who wish to record an abstention from voting must also be counted and recorded.

(7) For a counted vote, whether of the whole Synod or by Houses, conducted by physical separation of the members voting—

- (a) the Ayes doors and the Noes doors are to be re-opened,
  - (b) each member wishing to vote may do so by leaving the hall through the appropriate door, and
  - (c) the number of votes and the number of abstentions from voting are to be counted and recorded by such number of members willing to serve as tellers as the Chair appoints.
- (8) Voting (by whatever means) is otherwise to be conducted in accordance with such instructions as the Business Committee from time to time issues; and, subject to that, the administrative arrangements for taking a vote are to be made by the Registrar under the direction of the Chair.
- (9) The Business Committee must also give instructions to ensure that, where the voting on a question is conducted by electronic means, the names of the members voting in favour of the question, the names of the members voting against and the names of the members wishing to record an abstention from voting are made publicly available in such manner as the Business Committee may determine.

## STANDING ORDERS

### 39. Suspension

- (1) A member may at any time, but not so as to interrupt another member's speech, move a motion "*That [Standing Order .../paragraph ... of Standing Order ...] be suspended [during/until] ...*", which provides for the suspension of the whole or part of one or more of these Standing Orders—
- (a) during the consideration of a particular item of business, or
  - (b) until the end of a particular session or group of sessions.
- (2) With the permission of the Chair, the motion in paragraph (1) does not require notice; and, as it is a question of procedure, a vote by Houses is not permitted (see SO 37(5)(c)).
- (3) The mover of the motion may speak for no more than two minutes to explain the reasons for moving it; there is then such further debate as the Chair may allow, after which the Chair may comment as he or she thinks fit before putting the question to the vote.
- (4) The question is carried only if, on a show of hands or after a counted vote of the whole Synod, at least three-quarters of the members of the Synod present and voting have voted in favour.

#### 40. Motions for amendment

(1) Where an agenda or notice paper includes a motion for the amendment of Standing Orders, the Standing Orders Committee must submit to the Synod a written report or comment on the motion; and the report or comment may be included in a notice paper.

(2) With the permission of the Chair, motions for the amendment of Standing Orders may be taken *en bloc* where—

- (a) no notice of amendments has been given, and
- (b) no member indicates a wish to speak against one or more of the motions.

(3) In the case of a motion the effect of which, in the opinion of the Business Committee, is to consolidate, with or without corrections, the existing provisions of the Standing Orders, no amendment of the motion is in order, despite any other provision in the Standing Orders, unless its effect would be—

- (a) to reinstate the text of an existing provision of the Standing Orders,
- (b) to make a correction to an existing provision of the Standing Orders, or
- (c) to correct a textual error in the consolidated Standing Orders.

(4) In paragraph (3), “correction”, in relation to an existing provision of the Standing Orders, means an amendment the sole effect of which would be—

- (a) to correct a textual error in that provision, or
- (b) to improve the manner in which that provision is stated.

(5) If the Business Committee determines that a proposed amendment of the Standing Orders does not need to be debated, it is deemed to have been approved by the Synod without amendment unless—

- (a) at least five members give notice no later than 5.30 p.m. on the first day of the group of sessions at which the proposed amendment has been laid that they wish the proposed amendment to be debated, or
- (b) a member gives due notice that he or she wishes to move an amendment to the proposed amendment.

(6) If notice under paragraph (5)(a) or (b) is received, the Chair must, when the item on the agenda consisting of the proposed amendment in question is reached, call upon the Chair or another member of the Standing Orders Committee to move a motion “*That this amendment be made*”; the debate then proceeds in the usual way.

## OTHER PROCEDURES AND CUSTOMS

### 41. Acts of Synod

- (1) This Standing Order applies in relation to each of the following—
  - (a) an instrument of the Synod which is not a Measure or Canon and which is not made pursuant to a Measure or Canon;
  - (b) a resolution of the Synod which is not for the approval of, and is not made pursuant to, a Measure or Canon.
- (2) If it is desired that the instrument or resolution be published formally as the embodiment of the will or opinion of the Church of England as expressed by the whole body of the Synod, it is to be affirmed and proclaimed as an Act of Synod in accordance with the following provisions of this Standing Order.
- (3) Either of the Presidents, being in the chair, must, with the concurrence of the other President and of the Business Committee, move a motion “*That [short title of Act of Synod] be solemnly affirmed and proclaimed an Act of Synod*”.
- (4) If the motion is carried, and if each of the Presidents ratifies and confirms the motion for that President’s province, either of them, with the agreement of the other, must then cause the customary form of proclamation to be read to the Synod.
- (5) The Presidents must then cause the Act of Synod to be sent to the diocesan synods in accordance with such instructions as the Presidents determine following consultation with the Prolocutors of the Convocations and the Chair and Vice-Chair of the House of Laity.

### 42. Memorials

- (1) If a gravamen is adopted in the House of Clergy or the House of Laity as a memorial of that House, the Chair of that House must forthwith advise the Clerk accordingly.
- (2) At the commencement of the next group of sessions and, where there is a report on the progress of Measures and Statutory Instruments, immediately after that report, the Chair—
  - (a) must require the Chair of the House which has adopted the memorial to read it aloud to the Synod, and
  - (b) once it has been read, must refer it forthwith to the House of Bishops and may not, accordingly, permit any debate on it.
- (3) Where a memorial has been referred to the House of Bishops, a reply on behalf of that House must likewise be delivered aloud in the Synod by whichever bishop the Archbishop of Canterbury has nominated; and the Chair may not permit any debate on the reply.

(4) “Gravamen”, in relation to the House of Clergy or House of Laity, means a formal statement of grievance or complaint, as further defined in the Standing Orders of the Convocations or the House of Laity (as the case may be), presented in the House in question by one or more members in accordance with its Standing Orders.

(5) “Memorial”, in relation to the House of Clergy or House of Laity, means a gravamen adopted by that House in accordance with its Standing Orders on behalf of the whole body of the clergy or laity (as the case may be) expressed through their synodical representatives.

#### **43. Petitions**

(1) No later than the second session of every group of sessions, at such times as the Business Committee appoints, the Chair must invite any member who has given notice of his or her desire to present a petition to present it.

(2) The member must, on being so invited, present the petition by stating its purport in a speech of no more than two minutes.

(3) After that speech, the petition must be handed to the Chair who must make it available for inspection by other members of the Synod throughout the remainder of the group of sessions.

(4) At the end of the group of sessions, the petition stands referred to the Business Committee.

#### **44. Prorogation motion**

(1) On the last day of a group of sessions, the Chair of the Business Committee or, in the Chair’s absence, another member of that Committee may move at the conclusion of an item of business a motion “*That the Synod be now prorogued*”.

(2) The mover of any business that would be affected by the passing of the motion may speak for not more than two minutes; the question on the motion must then be put unless the Chair, in his or her discretion, permits further debate.

(3) If the motion is carried, the Chair must call upon one of the Presidents to prorogue the group of sessions in accordance with SO 45.

(4) If the motion is lost, it may not be moved again during the same sitting except with the permission of the Chair.

#### **45. Prorogation**

At the conclusion of each group of sessions, the Synod must be prorogued from the chair—

- (a) by the President in whose province the Synod is meeting, or
- (b) in that President’s absence, by the other President, or

(c) in the absence of both Presidents, by the bishop next in precedence who is present and willing to act.

**46. Decorum**

(1) On the entrance of the Chair into the hall at the commencement of the sitting, the members and officers present must, if able to do so, rise and remain standing until the Chair has taken the chair.

(2) When the Chair addresses the Synod, every member and officer must sit down.

(3) Every member who speaks must, if able to stand, speak while standing and must address himself or herself to the Chair; and the member must resume his or her seat—

(a) immediately after the end of the speech, or

(b) before the end of the speech if addressed by the Chair or interrupted by another member raising a point of order or making a point of personal explanation in accordance with SO 19.

(4) No member may speak from an aisle or gangway or from the gallery of the hall.

**MEASURES AND CANONS**

**47. Proposals for introduction etc.**

(1) A member desiring the introduction of a Measure or Canon may move a motion in the Synod to instruct the Business Committee to introduce a Measure or Canon to give effect to the proposals specified in the motion.

(2) In the case of a proposed new Canon, or of a proposed Canon to amend or repeal an existing Canon, the Business Committee must introduce a draft of the proposed Canon in the Synod.

(3) A Measure the long title of which is to consolidate, or to consolidate with corrections and minor improvements, the enactments relating to a specified subject must, if the Business Committee so directs, be designated in the agenda as a Consolidation Measure for the purposes of these Standing Orders; and references in these Standing Orders to a “Consolidation Measure” are to be construed accordingly.

(4) A proposed new Canon the effect of which would be to consolidate, or to consolidate with corrections and minor improvements, the provisions of Canon law relating to a specified subject must, if the Business Committee so directs, be designated in the agenda as a Consolidation Canon for the purposes of these Standing Orders; and references in these Standing Orders to a “Consolidation Canon” are to be construed accordingly.

#### **48. Stages**

(1) Every Measure and Canon must be considered on the following successive stages—

- (a) First Consideration (see SOs 51 and 52);
- (b) Revision Committee (see SOs 54 to 57);
- (c) Revision (see SOs 53 and 58 to 60);
- (d) Final Drafting (see SO 61);
- (e) Final Approval (see SO 64).

(2) But that is subject to Articles 7 and 8 of the Constitution and to those Standing Orders under which the requirements of paragraph (1) are to be supplemented, or may be dispensed with, in specified cases.

#### **49. Steering Committee of Members in Charge**

(1) Before a Measure or Canon is considered on First Consideration, the Appointments Committee must appoint such members as it thinks fit to be a Steering Committee in charge of the Measure or Canon.

(2) The Chair of the Revision Committee stands appointed to the Steering Committee on the conclusion of the Revision Stage.

(3) The Appointments Committee may at any time vary the number of persons appointed to the Steering Committee and the members already appointed to it.

(4) The Steering Committee must conduct the Measure or Canon for which it is responsible in accordance with these Standing Orders.

#### **50. Circulation of papers**

(1) For First Consideration, a Measure or Canon must be circulated to members by the Clerk, on the instructions of the Archbishops' Council or the Business Committee.

(2) For any other stage of consideration, a Measure or Canon must be circulated to members by the Clerk, on the instructions of the Steering Committee.

(3) A Measure or Canon may not be considered by the Synod at any given stage unless a copy of it in the form in which it is to be considered at that stage has been posted or delivered to every member at least 14 days before the day on which it is to be considered.

(4) But, with the permission of the Chair, the Synod may take a stage on a Measure or Canon if members have been circulated with the full text of such amendments as have been passed by the Synod since the last version of the Measure or Canon was produced.

**51. First Consideration: general**

(1) Proceedings on First Consideration begin with a motion by a member of the Steering Committee “*That the [Measure or Canon] entitled [Short title] be considered for revision in committee*”; but that is subject to paragraph (5) and to SOs 52 and 53(2).

(2) No amendment to the motion in paragraph (1) is in order; nor is a speech which is directed to points of detail rather than to the general purport of the Measure or Canon.

(3) If the motion is carried, the Measure or Canon is, without further question being put, committed to a Revision Committee unless SO 53 applies.

(4) If the motion is negatived, it may not be moved again in relation to the same Measure or Canon for at least eleven months.

(5) Where the Business Committee has determined that it would be appropriate for a Measure or Canon to be deemed to have had first consideration without debate, the motion in paragraph (1) is (subject to paragraph (6)) deemed to have been carried in relation to the Measure or Canon; and paragraph (3) applies accordingly.

(6) If, where the Business Committee has made a determination as mentioned in paragraph (5), at least 25 members have, no later than 5.30 p.m. on the first day of the group of sessions at which the Measure or Canon has been laid, given due notice to the Clerk that they wish the Measure or Canon to be debated, the Chair must, when the item on the agenda is reached, call upon a member of the Steering Committee to move the motion in paragraph (1).

**52. First Consideration: Consolidation Measures and Consolidation Canons**

(1) A Consolidation Measure or Canon is deemed to have been given First Consideration without debate unless either of the following conditions is met.

(2) The first condition is that the Business Committee determines to the contrary; in which case, paragraphs (1) to (4) of SO 51 apply.

(3) The second condition is that at least five members have, no later than 5.30 p.m. on the first day of the group of sessions at which the Measure or Canon has been laid, given due notice that they wish the Measure or Canon to be debated; in which case, paragraph (4) below applies.

(4) Where the second condition is met, the Chair must, when the item on the agenda is reached, call upon a member of the Steering Committee to move a motion “*That the [Measure or Canon] entitled [Short title] be considered*”.

(5) No amendment to the motion in paragraph (4) is in order; nor is a speech which is directed to points of detail rather than to the general purport of the Measure or Canon.

(6) If the motion in paragraph (4) is carried, a member of the Steering Committee may immediately move on behalf of the Committee a motion “*That the [Measure or Canon] be committed to the Steering Committee in respect of its final drafting*”; and the Chair may allow such debate on the motion as he or she thinks fit before putting the question on it.

(7) If the motion in paragraph (4) is negatived, it may not be moved again in relation to the same Measure or Canon for at least eleven months.

(8) Where a Consolidation Measure or Canon is deemed to have been given first consideration without debate, or if the motion in paragraph (6) is carried, the Measure or Canon—

(a) is not to be committed to a Revision Committee, but

(b) stands committed to the Steering Committee in respect of its final drafting (see SO 61).

(9) If the motion in paragraph (6) is not moved, or is moved but not carried, a member of the Steering Committee must move “*That the [Measure or Canon] entitled [Short title] be committed for revision in committee*”; and if that motion is carried, the Measure or Canon stands committed for revision in committee.

### **53. Revision without prior Revision Committee**

(1) A member of the Steering Committee may, with the consent of the Business Committee, move a motion “*That the [Measure or Canon] entitled [Short title] be considered for revision in Full Synod*”, if the Steering Committee considers the Measure or Canon to be of such a kind as to justify doing so.

(2) Any member of the Synod may move the motion in paragraph (1) in substitution for the motion in SO 51(1), with the permission of the Chair and the general consent of the Synod.

(3) If the motion in paragraph (1) is carried, the Synod is to proceed to the Revision Stage without a prior Revision Committee Stage; and consideration on the Revision Stage is to take place at the same group of sessions or at such subsequent group of sessions as the Business Committee determines.

(4) A Measure or Canon to be considered for revision under this Standing Order is subject to the same procedure as a Measure or Canon on a Revision Stage following a Revision Committee Stage; and SOs 58 and 59 apply, but as if paragraphs (3) to (8) of SO 59 were omitted.

### **54. Revision Committee: membership**

(1) The members of a Revision Committee for a Measure or Canon are—

(a) the members of the Steering Committee *ex officio*, and

(b) such other members of Synod as the Appointments Committee appoints.

(2) The members of the Steering Committee must not form a majority of the membership of the Revision Committee.

(3) The Chair of the Revision Committee may not be chosen from the members of the Steering Committee.

#### **55. Revision Committee: proposals for amendment**

(1) Where First Consideration is given to a Measure or Canon, a member may, within the period of 35 days after the first day of the group of sessions at which it is given, submit to the Revision Committee, in writing and with all necessary explanation, specific proposals for amendment, including the addition of a new Clause or Schedule or (in the case of a Canon) a new paragraph.

(2) The Clerk must cause every proposal submitted under paragraph (1) to be published on the Synod website, subject to the deletion of personal information or of such content as the Clerk considers libellous, insulting or unseemly.

(3) A member who submits a proposal under paragraph (1) may attend any meeting of the Committee while the proposal is being considered and may speak to it; but the member may, if unable to be present, authorise another member of the Synod to attend and speak on his or her behalf.

(4) Where a member is entitled to attend a meeting in accordance with paragraph (3), the Clerk must, not less than 21 days before the meeting, send the member notice of its date, time and place.

(5) If the member wishes to attend the meeting, or to authorise another member to attend on his or her behalf, the member must give not less than 7 days' notice to the Clerk; and, except with the permission of the Chair of the Committee, no member may attend unless due notice has been given.

(6) The period for submitting proposals under paragraph (1), and the rights conferred on members by this Standing Order, must be notified in the agenda for the group of sessions at which First Consideration is intended to be taken.

#### **56. Revision Committee: consideration**

(1) The Revision Committee must consider the Measure or Canon committed to it, together with any proposals for amendments, Clause by Clause or (in the case of a Canon) paragraph by paragraph; and the Committee may make such amendments to the Measure or Canon as are relevant to its general purport and within the scope of the Clause or paragraph in question.

(2) In the case of a Measure, any Schedules, any preamble and the long title are to be considered in the same way; but consideration of the preamble and the long title is postponed until all the Clauses and Schedules have been disposed of, with the long title being considered after the preamble.

(3) The Committee may divide a Measure into two or more Measures or a Canon into two or more Canons; and, on exercising that power, the Committee must consider each Measure or Canon resulting from the division as if it had been duly approved by the Synod on First Consideration and separately committed for Revision.

(4) If the Chair of the Committee considers that the Committee has business which can properly be conducted by correspondence, the Chair may instruct the Secretary to circulate to the members of the Committee written proposals requiring the approval of the Committee, which may include a draft report to the Synod, within such number of days after the date on which they were posted or delivered as the Chair may specify; and the number of days so specified must be at least seven.

(5) If the period so specified is less than 14 days, the proposals circulated are deemed to have been approved by the Committee as if they had been approved at a duly convened meeting, unless a written objection is received from any member of the Committee.

(6) If the period so specified is 14 days or more, the proposals circulated are deemed to have been approved by the Committee as if they had been approved at a duly convened meeting, upon a majority of the members of the Committee giving their written approval to the proposals.

(7) The power conferred by paragraph (4) may not be exercised so as to prevent a member who has submitted a proposal under SO 55, and who wishes to do so, from—

(a) attending a meeting of the committee at which the proposal is considered, and

(b) speaking to the proposal or authorising another member of the Synod to attend the meeting and speak on his or her behalf.

(8) The Chair of a Revision Committee has power to determine conclusively any question of order, business or procedure relating to the Committee.

(9) A Revision Committee may, subject to that, regulate its own business and procedure.

#### **57. Revision Committee: report**

(1) On completion of its consideration of a Measure or Canon in Committee, the Revision Committee must report the Measure or Canon to the Synod, with or without amendments or recommendations.

(2) Recommendations under paragraph (1) may include the advice that the Measure or Canon be withdrawn; a member of the Revision Committee may table a motion to that effect, and it must be taken immediately after the Synod has taken note of the Revision Committee's report.

(3) A report of the Revision Committee must be in writing and must contain—

(a) a list of all the proposals for amendment received under SO 55(1) which raise points of substance, and

(b) a summary of the Committee's reasons for accepting or rejecting the proposals and, accordingly, for making or not making the amendments.

(4) Where the Revision Committee makes a report, a member of the Committee must move in the Synod a motion “*That the Synod do take note of this Report*”.

(5) If copies of the report have not been posted or delivered to every member at least 14 days before its consideration at Synod, the motion in paragraph (4) may be moved only with the permission of the Chair and the general consent of the Synod.

(6) In the debate on the motion in paragraph (4), it is not in order to debate a matter which is the subject of an amendment to the Measure or Canon of which notice has been given under SO 11(1)(a).

(7) Where no proposal for amendment has been received and there are no other matters for the Revision Committee to report, it is sufficient for the purpose of complying with paragraph (1) for the Committee to authorise the Clerk to inform the Synod accordingly in an appropriate agenda or notice paper.

#### **58. Revision following Revision Committee: consideration by Synod**

(1) When a Revision Committee stage has been completed in accordance with SO 57, the Synod must proceed to consider the Measure Clause by Clause, or the Canon paragraph by paragraph, in such order as the Chair determines.

(2) As each Clause or paragraph is reached, the Synod must first consider any amendments to it of which notice has been given under SO 11(1)(a) (see SO 59); and when the amendments have been disposed of, a member of the Steering Committee must move a motion “*That the [Clause or paragraph] [as amended] stand part of the [Measure or Canon]*”.

(3) In the case of a Measure, any Schedules, any preamble and the long title are to be considered in the same way; but consideration of the preamble and the title is postponed until all the Clauses and Schedules have been disposed of, with the long title being considered after the preamble.

(4) With the permission of the Chair, Clauses or Schedules or (in the case of a Canon) paragraphs may be taken *en bloc* where—

(a) no notice of amendments has been given, and

(b) no member indicates a wish to speak against the motion “*That the [[Clause or Schedule] or paragraph] stand part of the [Measure or Canon]*”.

(5) At any point in the consideration of a Clause or Schedule or (in the case of a Canon) a paragraph, a member of the Steering Committee may, with the permission of the Chair, move on behalf of the Committee a motion “*That [[Clause or Schedule] or paragraph [ ] be withdrawn*”; and the Chair must put the question on the motion after such brief debate as the Chair thinks expedient.

(6) If the motion in paragraph (5) is carried, the Clause, Schedule or paragraph is, without further discussion, omitted from the Measure or Canon.

(7) If the motion is negatived, the Synod must resume the consideration of the Clause, Schedule or paragraph, and of any amendment to it which had been moved at the point reached when the motion was proposed.

**59. Revision following Revision Committee: amendments**

(1) A member may give notice under SO 11(1)(a) of an amendment to a Measure or Canon on the Revision Stage, including a new Clause or Schedule or (in the case of a Canon) a new paragraph.

(2) An amendment is not in order unless it is relevant to the general purport of the Measure or Canon and within the scope of the Clause, Schedule or paragraph in question; and except as otherwise provided in these Standing Orders, the amendment is to be moved and disposed of in the same manner as amendments to a motion.

(3) An amendment, other than one moved on behalf of the Steering Committee, must also relate to a matter in the Revision Committee's report, unless this requirement is expressly dispensed with by the permission of the Business Committee; and in deciding whether to give permission, the Business Committee must have regard to—

(a) the importance of the amendment, and

(b) any special reasons which may reasonably have prevented a proposal for that amendment being submitted to the Revision Committee under SO 55(1).

(4) The mover of an amendment, other than one moved on behalf of the Steering Committee, may speak for not more than five minutes; immediately after that, a member of the Steering Committee named by the Chair may speak in reply.

(5) If the Steering Committee indicates that it supports the amendment, the debate on the amendment continues.

(6) If the Steering Committee indicates that it does not support the amendment, the Chair must declare the amendment to have lapsed unless at least 40 members indicate that they wish the debate to continue; and if at least 40 members stand in their places or, if unable to do so, indicate by some other means that they wish the debate to continue, debate on the amendment is resumed.

(7) Paragraphs (4) to (6) do not apply to an amendment which, in the opinion of the Chair, is consequential on an amendment already carried; and the Chair must inform the Synod of his or her ruling.

(8) Where debate on an amendment continues under paragraph (5) or is resumed under paragraph (6), and the Archbishops' Council or the Church Commissioners are of the opinion that the amendment has financial implications, a member of the Council or the Commissioners (as the case may be) has the right to be called to speak by the Chair before the amendment is voted on.

(9) On putting an amendment to the vote, the Chair must put the question in the form "*That this amendment be made*".

(10) In the case of an amendment which takes the form of a proposed new Clause or Schedule or (in the case of a Canon) a new paragraph, a motion must be moved at the point in the consideration of the Measure at which it is proposed to insert the new Clause, Schedule or paragraph in the form “*That the [[Clause or Schedule] or paragraph] be generally approved*”; and paragraphs (4) to (6) apply to the amendment.

(11) If the motion is carried, any amendments to the proposed new Clause, Schedule or paragraph must then be considered; and after that a member of the Steering Committee must move the motion “*That the [[Clause or Schedule] or paragraph [as amended]] be inserted in the [Measure or Canon]*”.

## **60. Revision following Revision Committee: recommittal**

(1) In the course of, or at the end of, the Revision Stage or a Further Revision Stage, a member of the Steering Committee on behalf of the Committee, or any other member of the Synod, may move a motion “*That the [Measure or Canon] entitled [Short Title] be considered for further revision in committee*”.

(2) If the motion in paragraph (1) is carried, SOs 54 to 57 apply to the Further Revision Stage; but a proposal for amendment may not be to the same, or substantially the same, effect as one previously decided by the Revision Committee or the Synod in relation to the Measure or Canon unless either of the following conditions is met.

(3) The first condition is that the proposal is to the same, or substantially the same, effect as an amendment—

(a) of which notice was given for the purposes of the Revision Stage, but

(b) which, because of the passing of the motion in paragraph (1), was not decided by the Synod.

(4) The second condition is that Business Committee—

(a) permits such proposals, whether before or after any have been submitted, and

(b) reports in writing to the Synod setting out its reasons for giving permission.

(5) In its application by paragraph (2), SO 55 has effect as if the reference in paragraph (1) to the period of 35 days after the first day of the group of sessions at which the Measure or Canon was given First Consideration were a reference to the period of 35 days after the first day of the group of sessions at which the motion in paragraph (1) above was carried.

## **61. Final Drafting**

(1) The Steering Committee must consider the Measure or Canon in respect of its final drafting, unless it considers it is unnecessary to do so and informs the Synod accordingly.

(2) If the Chair of the Steering Committee considers that the Committee has business under paragraph (1) which can properly be conducted by correspondence, the Chair may

instruct the Clerk to circulate to the members of the Committee a draft of any matters requiring the approval of the Committee, including a draft of any report to the Synod.

(3) If no objection is received from a member of the Committee within seven days of a draft being posted or delivered under paragraph (2), the matters contained in the draft are, at the end of that period, to be treated as having been approved by the Committee, with the same effect as if they had been approved at a duly convened meeting.

(4) Where no amendments are to be made or proposed by the Steering Committee and there are no other matters to report, the Committee may authorise the Clerk to inform the Synod accordingly in an appropriate agenda or notice paper; and no separate report is required.

(5) An amendment made or proposed by the Steering Committee may not be considered by the Synod at Final Drafting unless it has been circulated to the Synod.

(6) In its report, the Steering Committee must clearly distinguish between drafting amendments and special amendments; and for this purpose—

“drafting amendment” means an amendment to clarify any remaining uncertainties of meaning or to improve the drafting, and

“special amendment” means an amendment, other than a drafting amendment, considered necessary or desirable by the Steering Committee and which does not reopen an issue which has been decided by the Synod or any Revision Committee in relation to the Measure or Canon.

(7) On consideration in the Synod of the report of the Steering Committee—

(a) drafting amendments are deemed to have been made without being moved, and

(b) no motion is in order other than a motion by any member of the Synod that a drafting amendment be recommitted to the Steering Committee for further consideration.

(8) Where there are special amendments, a member of the Steering Committee must then move those amendments; and, if a special amendment is carried, the member may move such consequential amendments to the Measure or Canon as appear to him or her necessary.

(9) Where, in the case of a Measure or Canon which is Article 8 business, the Presidents, the Prolocutors and the Chair and Vice-Chair of the House of Laity jointly determine that one or more special amendments to the Measure would alter the substance of the proposals in the Measure or Canon which have been approved by the majority of the diocesan synods, the Presidents must—

(a) inform the Synod accordingly, and

(b) specify the amendments in question in a notice paper.

(10) If any of the amendments in question are carried, the Measure or Canon is to be referred again to the diocesan synods in accordance with Article 8 of the Constitution; and SO 99 applies accordingly.

**62. Special procedure for Article 7 or 8 Measures or Canons**

(1) An Article 7 or 8 Measure or Canon stands referred to the House of Bishops after completion of Final Drafting.

(2) The House of Bishops—

(a) may amend the Measure or Canon in accordance with its Standing Orders, and

(b) having made such amendments (if any) as it thinks fit, must, subject to paragraph (3), then return the Measure or Canon in the form it has approved for consideration on Final Approval.

(3) If either of the Convocations or the House of Laity has required a reference under SO 95 in respect of an Article 7 Measure or Canon, no motion may be moved for Final Approval unless—

(a) the requirements of Article 7 of the Constitution and of SOs 95 to 98 and 102 have been complied with, and

(b) the Chair has made the declaration required by SO 102.

(4) No motion may be moved for the Final Approval of an Article 8 Measure or Canon unless—

(a) the requirements of Article 8 of the Constitution and of SOs 99, 100 and 102 have been complied with, and

(b) the Chair has made the declaration required by SO 102.

**63. Consolidation Measures and Consolidation Canons: scope of amendments**

(1) An amendment to a Consolidation Measure or Canon is not relevant to the general purport of the Measure or Canon if the effect of the amendment would be to alter the existing law; but that is subject to paragraph (2).

(2) In the case of a Consolidation Measure or Canon to consolidate enactments or provisions with corrections and minor improvements, an amendment is relevant to the general purport of the Measure or Canon if its effect would be—

(a) to reinstate the text of one or more of those enactments or provisions,

(b) to make a correction or minor improvement in those enactments or provisions, or

(c) to correct a textual error in the Measure or Canon.

(3) “Correction and minor improvement”, in relation to an enactment or provision, means an amendment the sole effect of which is—

- (a) to resolve an ambiguity,
- (b) to remove a doubt,
- (c) to bring an obsolete provision into conformity with modern practice;
- (d) to remove an unnecessary provision or an anomaly not of substantial importance;
- (e) to improve the form or manner in which the law is stated;
- (f) to bring a provision into conformity with the existing law;
- (g) to make transitional, transitory or saving provision which is necessary in consequence of an amendment within any of paragraphs (a) to (f).

#### **64. Final Approval**

(1) When a Final Approval motion has been moved, it is not in order to move—

- (a) an amendment to the motion,
- (b) a motion for the Closure (see SO 31),
- (c) a motion for the Speech Limit (see SO 32), or
- (d) a motion for Next Business (see SO 33).

(2) It is not in order to move a Final Approval motion at the same group of sessions as that at which any stage of Revision is concluded, if the Chair or 40 or more members object; but that does not apply in the case of a Consolidation Measure or Canon.

(3) Before a motion for the Final Approval of a Canon may be moved, the Presidents must cause to be prepared for adoption by the Synod a petition for Her Majesty’s Royal Assent and Licence to make, promulge and execute the proposed Canon.

(4) In the case of an Article 7 or 8 Measure or Canon, the Final Approval motion—

- (a) is subject to the provisions of SO 104, with respect to reconsideration by the House of Bishops, and
- (b) may not be moved unless one of the Presidents is in the Chair.

(5) If the Final Approval motion on a Measure is carried, the Chair must report to the Synod that the Measure automatically stands committed to the Legislative Committee.

(6) If the Final Approval motion on a Measure or Canon is rejected, a Measure or Canon in the same form or a form which, in the opinion of the Presidents, the Prolocutors of the Convocations and the Chair and Vice-Chair of the House of Laity, is substantially to the same effect may not be considered again on First Consideration until a new Synod comes into being, unless the Presidents, Prolocutors and Chair and Vice-Chair—

- (a) give permission for a motion to that effect to be moved, and
- (b) make a report in writing to the Synod setting out a summary of the case for reconsideration and their reasons for giving permission.

#### **65. Measures providing for subordinate legislation**

(1) A Measure as finally approved by the Synod may not, subject to any express statutory provision, include a provision conferring power to make a subordinate instrument having the force of law, and having general rather than local application, unless the Measure meets the following three conditions, so far as applicable.

(2) The first condition is that the Measure requires the instrument to be approved, or deemed to be approved, by the Synod.

(3) The second condition is that, if the Measure requires the instrument to be deemed to be approved, it must enable a member to give notice in accordance with these Standing Orders that the member wishes the instrument to be debated on a motion for its approval.

(4) The third condition is that, if the instrument would affect the legal rights of any person and is not a scheme, or part of a scheme, to be approved or confirmed by Her Majesty in Council, the Measure requires the instrument—

- (a) to be laid before both Houses of Parliament, and
- (b) to be subject to approval by both Houses or to be subject to annulment in pursuance of a resolution of either House.

(5) “Subordinate instrument” means an instrument containing regulations, rules, an order or a scheme or any other instrument which may be authorised by Measure, but does not include a Canon and does not include an instrument which merely does either or both of the following—

- (a) appoints a day for the commencement of a provision;
- (b) makes consequential, incidental, supplemental, transitional or transitory provisions or savings.

#### **66. Withdrawal of Measure or Canon by Steering Committee**

(1) At any time during the progress of a Measure or Canon between its introduction and Final Approval, a member of the Steering Committee may move on behalf of the Committee, after giving due notice, a motion that the Measure or Canon be withdrawn.

(2) If the motion is carried, the Measure or Canon is withdrawn accordingly.

## **67. Withdrawal of Measure by Legislative Committee and re-introduction**

(1) If the Legislative Committee, in exercise of its power under section 3(5) of the Church of England Assembly (Powers) Act 1919, withdraws a Measure from the consideration of the Ecclesiastical Committee, the Legislative Committee must report to the Synod the withdrawal and the reasons for it.

(2) A member of the Legislative Committee may, at the request of the Committee, move in the Synod a motion “*That the Measure entitled [Short title] be now reintroduced into the Synod.*”

(3) If the motion in paragraph (2) is carried, a member of the Legislative Committee may move—

- (a) an amendment to any Clause or Schedule,
- (b) the omission of any Clause or Schedule, or
- (c) the insertion of a new Clause or Schedule.

(4) No other member of the Synod may move a motion or amendment under paragraph (3) except with the permission of the Chair and the general consent of the Synod.

(5) The Standing Orders apply to a motion or amendment under paragraph (3) as if it were moved in accordance with SO 59 (Revision without prior Revision Committee).

(6) In the case of an Article 7 Measure, when consideration of such of the Clauses or Schedules as require to be considered has been completed, the Measure, subject to paragraph (7) stands referred to the House of Bishops and SO 62 applies to the Measure as if Final Drafting had been completed; but only the Clauses or Schedules which have been considered, and others relevant to them, are to be considered.

(7) Where, in the case of an Article 8 Measure, the Presidents and Prolocutors of the Convocations and the Chair and Vice-Chair of the House of Laity jointly determine that any amendments proposed to the Measure would alter the substance of the proposals in the Measure which have been approved by a majority of the diocesan synods, the Presidents—

- (a) must inform the Synod accordingly, and
- (b) must specify the amendments in question in a notice paper.

(8) If any of the amendments are carried, the Measure stands referred again to the diocesan synods in accordance with Article 8 of the Constitution; and SO 99 applies accordingly.

(9) After the completion of the consideration of any Clause or Schedule, whether at the same or a subsequent session, a member of the Legislative Committee may move a motion “*That the Measure entitled [Short title] be finally approved*”; and SO 64 applies to the consideration of that motion.

## **68. Procedure for making Canon**

- (1) On the grant of the Royal Assent and Licence to make, promulge and execute a Canon, the Presidents must arrange for the Registrar to prepare an Instrument of Enactment.
- (2) At such subsequent group of sessions as the Presidents may jointly determine, one of the Presidents, being in the Chair, must—
  - (a) read or cause to be read to the Synod the Title and Preamble of the Instrument of Enactment, and
  - (b) move a motion “*That the new Canon [Short title] be made, promulged and executed*”.
- (3) The question on the motion in paragraph (2)(b) must then be put and voted on without debate.
- (4) The Presidents, after consulting the Prolocutors of the Convocations and the Chair and Vice-Chair of the House of Laity, and having regard to the ancient customs and traditions of the Convocations, must issue instructions concerning the promulgation and execution of Canons and their reference to and proclamation in the diocesan synods.

## **69. Re-introduction of a Canon**

- (1) If, before the making of a Canon in accordance with SO 68, the Business Committee considers that the Canon should be reconsidered, a member of the Committee may, at the Committee’s request, move in the Synod a motion “*That the Canon entitled [Short title] be now re-introduced into the Synod*”.
- (2) If the motion in paragraph (1) is carried, a member of the Business Committee may move—
  - (a) an amendment to a paragraph,
  - (b) the omission of a paragraph, or
  - (c) the insertion of a new paragraph.
- (3) No other member of the Synod may move a motion or amendment under paragraph (2) except with the permission of the Chair and the general consent of the Synod.
- (4) These Standing Orders apply to a motion or amendment under paragraph (2) as if it were moved in accordance with SO 59.
- (5) In the case of an Article 7 Canon, when consideration of such of the paragraphs as require to be considered has been completed, the Canon stands referred to the House of Bishops, subject to paragraph (6); and—
  - (a) SO 62 applies to the Canon as if Final Drafting had been completed, but

(b) only the paragraphs which have been considered, and others relevant to them, are to be considered.

(6) Where, in the case of an Article 8 Canon, the Presidents, the Prolocutors of the Convocations and the Chair and Vice-chair of the House of Laity jointly determine that any amendments proposed to the Canon would alter the substance of the proposals in the Canon which have been approved by a majority of the diocesan synods, the Presidents—

(a) must inform the Synod accordingly, and

(b) must specify the amendments in question in a notice paper.

(7) If any of the amendments are carried, the Canon stands referred again to the diocesan synods in accordance with Article 8 of the Constitution; and SO 99 applies accordingly.

(8) After the completion of the consideration of any paragraph, whether at the same or a subsequent session, a member of the Business Committee may move a motion “*That the Canon entitled [Short title] be finally approved*”; and SO 64 applies to the consideration of that motion.

## REGULATIONS AND OTHER INSTRUMENTS

### 70. General

(1) The Business Committee must, subject to any express statutory provision, determine which of the following procedures is to apply to any regulations or rules or any order, scheme or other instrument, other than a Measure or Canon or a draft reorganisation scheme or liturgical business, laid before the Synod for its consideration—

(a) the Procedure for Deeming (see SO 71);

(b) the One Motion Procedure (see SO 72);

(c) the Preliminary Motion Procedure (see SO 73);

(d) the provisions in these Standing Orders that relate to a Measure, other than SO 37(4)(c) (which provides for the vote on Final Approval to be taken on a counted vote by Houses).

(2) Except with the permission of the Chair and the general consent of the Synod, an instrument of the kind referred to in paragraph (1) may not be considered by the Synod unless a copy has been posted or delivered to every member at least 14 days before the day on which the instrument is to be considered.

(3) Each instrument is to be considered for approval in accordance with these Standing Orders.

## 71. Procedure for deeming

(1) This Standing Order applies in the case of an instrument which a Measure [*or Canon*] provides may be deemed to be approved unless a member of the Synod gives due notice that he or she wishes the instrument to be debated.

(2) Where the Business Committee has determined that it would be appropriate for the instrument to be deemed to have been approved under the procedure in this Standing Order, the Synod is deemed to have approved the instrument unless, no later than 5.30 p.m. on the first day of the group of sessions at which the instrument has been laid, a member has given due notice that the member wishes the instrument to be debated.

(3) Where notice is received under paragraph (2), the Chair must, when the item on the agenda for the instrument in question is reached, call upon a member in charge of the business to move the motion in SO 72.

(4) Where the Business Committee has made a determination as mentioned in paragraph (2), a member of the Synod may nonetheless give notice of an amendment to the instrument, unless prevented from doing so by paragraph (7) or (8).

(5) Notice under paragraph (4) must be given no later than 5.30 p.m. on—

(a) the day which falls one clear day before the first day appointed for such business to be considered, or

(b) if no day has been appointed for that purpose, the first day of the group of sessions at which the instrument has to be laid or introduced.

(6) Where a notice is received under paragraph (4), the Chair must, when the item on the agenda is reached, follow the procedure under SO 73.

(7) It is not in order to give notice of, or to move, an amendment under paragraph (4) to an instrument laid before the General Synod under a Measure [*or Canon*] unless doing so is permitted by the Measure [*or Canon*].

(8) It is not in order to give notice of, or to move, an amendment under paragraph (4) to a Consolidation Instrument unless the effect of the amendment would be—

(a) to reinstate the text of one or more of the enactments or instruments being consolidated by the Consolidation Instrument, or part of them,

(b) to make a correction or minor improvement in those enactments or instruments, or part of them, or

(c) to correct a textual error in the Consolidation Instrument.

(9) “Consolidation Instrument” means an instrument the effect of which is, in the opinion of the Business Committee, to consolidate, or to consolidate with corrections and minor improvements, one or more enactments or instruments, or part of one or more enactments or instruments; and “corrections and minor improvements” has the same

meaning in relation to a Consolidation Instrument as it has in relation to a Consolidation Measure (see SO 63).

**72. The One Motion procedure**

(1) Where the Business Committee has determined that an instrument be considered on the single motion “*That [Short title or other description] be approved*”, the Chair must, when the item on the agenda is reached, call upon the member appointed by the Appointments Committee to move the motion.

(2) No amendment of the motion in paragraph (1) is in order.

(3) Despite the Business Committee’s determination, a member may give notice under SO 71(4) of an amendment to the instrument, subject to SO 71(7) and (8); and the procedure under SO 73 applies accordingly.

**73. The Preliminary Motion procedure**

(1) The Business Committee may determine that an instrument be considered on the preliminary motion “*That [Short title or other description] be considered*”.

(2) No amendment of the preliminary motion is in order.

(3) When the item on the agenda is reached, the Chair must call upon the member appointed by the Appointments Committee to move the preliminary motion.

(4) If the motion is carried, the Chair must call the mover of any amendment of which due notice has been given to speak; and he or she may do so for no more than five minutes.

(5) Immediately after that, the member in charge of the business may speak in reply.

(6) If the member in charge indicates support for the amendment, the debate on it continues.

(7) If the member in charge indicates that he or she does not support the amendment, the Chair must declare the amendment to have lapsed unless at least 40 members indicate that they wish the debate to continue; and SO 59(6) to (9) applies in relation to the amendment.

(8) In the case of an instrument which is not Article 7 or 8 business, when all amendments have been dealt with, the member in charge must move a motion “*That [Short title or other description] be approved*”.

(9) In the case of an instrument which is Article 7 or 8 business, when all amendments have been dealt with, the instrument stands automatically committed to the House of Bishops for consideration under SO 93.

## **DRAFT REORGANISATION SCHEMES**

### **74. Procedure for deeming**

- (1) This Standing Order applies where the Dioceses Commission lays a draft reorganisation scheme before the Synod under section 7(1) of the Dioceses, Pastoral and Mission Measure 2007.
- (2) The Business Committee may determine that the scheme does not need to be debated by the Synod.
- (3) If the Business Committee does so determine, the scheme is deemed to have been approved by the Synod unless—
  - (a) no later than 5.30 p.m. on the first day of the group of sessions at which the scheme has been laid, a member gives due notice that he or she wishes it to be debated, or
  - (b) a member gives notice of a motion for reconsideration in respect of the scheme in accordance with SO 75.

### **75. Motions for reconsideration**

- (1) This Standing Order applies where the Dioceses Commission lays a draft reorganisation scheme before the Synod—
  - (a) under section 7(1) of the Dioceses, Pastoral and Mission Measure 2007, or
  - (b) as authorised by the archbishop under section 7(2) of that Measure.
- (2) A member may give notice of a motion that a matter contained in the scheme and specified in the motion should be reconsidered by the Dioceses Commission (a “motion for reconsideration”).
- (3) Notice under paragraph (2) must be given no later than 5.30 p.m. on the day which falls one clear day before—
  - (a) the first day appointed for the scheme to be considered, or
  - (b) if no day has been appointed for that purpose, the first day of the group of sessions at which the draft has been laid.

### **76. Procedure for consideration of scheme: no motion for reconsideration**

- (1) This Standing Order applies in relation to the consideration of a draft reorganisation scheme where no notice of a motion for reconsideration has been given under SO 75.
- (2) The business is to be considered on the motion “*That the [name of scheme] be approved*”.

- (3) No amendment of the motion is in order.
- (4) When the item on the agenda is reached, the Chair must call upon a member of the Commission to move the motion.

**77. Procedure for consideration of scheme: motion for reconsideration**

- (1) This Standing Order applies in relation to the consideration of a draft reorganisation scheme where notice of a motion for reconsideration has been given under SO 75.
- (2) The business is to be considered on the motion “*That the [name of scheme] be considered*”.
- (3) No amendment of the motion is in order.
- (4) When the item on the agenda is reached, the Chair must call upon a member of the Commission to move the motion.
- (5) If the motion is carried, the Chair must call the mover of the motion for reconsideration to speak to the motion; and he or she may do so for no more than five minutes.
- (6) The Chair must call upon a member of the Dioceses Commission to speak in reply.
- (7) If the member of the Commission indicates that the Commission supports the motion for reconsideration, the debate on it continues.
- (8) If the member of the Commission indicates that the Commission does not support the motion for reconsideration, the Chair must declare the amendment to have lapsed unless at least 40 members stand in their places or, if unable to do so, indicate by some other means that they wish the debate to continue.
- (9) If notice is given under SO 75 of more than one motion for reconsideration, paragraphs (5) to (8) apply in relation to each motion.
- (10) More than one motion for reconsideration may be moved in respect of the same matter included in a draft scheme.
- (11) If a motion for reconsideration is carried, the Commission must, once all such motions have been dealt with—
  - (a) withdraw the draft reorganisation scheme, and
  - (b) proceed in accordance with section 7(6) of the Dioceses, Pastoral and Mission Measure 2007.
- (12) If no motion for reconsideration is carried, the Chair must call upon a member of the Commission to move a motion “*That the [name of scheme] be approved*”.

## LITURGICAL BUSINESS

### **78. Meaning of “liturgical business”**

“Liturgical business” means a service or other liturgical provision which the Business Committee has designated as subject to—

- (a) the procedure in SOs 79 to 88,
- (b) the procedure in SO 89, or
- (c) the procedure in SO 90.

### **79. Steering Committee of members in charge**

(1) Before liturgical business is considered on First Consideration, the Appointments Committee must appoint such members as it thinks fit to be a Steering Committee in charge of the business; and those members must include at least three members of the Liturgical Commission (see SO 143).

(2) The Chair of the Revision Committee stands appointed to the Steering Committee on conclusion of the Revision Stage or any Further Revision stage required under SO 87.

(3) The Appointments Committee may at any time vary the number of persons appointed to the Steering Committee and the members already appointed to it.

(4) The Steering Committee must conduct the liturgical business for which it is responsible in accordance with these Standing Orders.

### **80. Introduction and circulation of liturgical business**

(1) For First Consideration, liturgical business may be circulated to members only on the instructions of the House of Bishops.

(2) For any other stage of consideration, liturgical business may be circulated to members only on the instructions of the Steering Committee.

(3) Except with the permission of the Chair, and with the general consent of the Synod, liturgical business may not be considered by the Synod at any given stage unless a copy of it in the form in which it is to be considered at that stage has been posted or delivered to every member at least 14 days before the day on which it is to be considered.

(4) But with the permission of the Chair, the Synod may take a stage on liturgical business if—

- (a) members have been circulated with the full text of such amendments as have been passed by the Synod since the last version of the liturgical business was produced, or
- (b) the full text of the amendments has been included in a notice paper.

## **81. First Consideration**

- (1) Proceedings on First Consideration of liturgical business begin with a motion by a member of the Steering Committee *“That the liturgical business entitled [Short title] be considered for revision in committee”*.
- (2) No amendment to the motion in paragraph (1) is in order; nor is a speech which is directed to points of detail rather than to the general purport of the business.
- (3) If the motion is carried, the business stands committed to a Revision Committee.
- (4) If the motion is negatived, it may not be moved again in relation to the same liturgical business for at least twelve months.
- (5) Where the Business Committee has determined that it would be appropriate for liturgical business to be deemed to have had first consideration without debate, the motion in paragraph (1) is, subject to paragraph (6), deemed to have been carried in relation to the business; and the business accordingly then stands committed to a Revision Committee.
- (6) If, where the Business Committee has determined as mentioned in paragraph (5), at least 25 members have, no later than 5.30 p.m. on the first day of the group of sessions at which the business has been laid, given due notice that they wish the business to be debated, the Chair must, when the item on the agenda is reached, call upon a member of the Steering Committee to move the motion in paragraph (1).

## **82. Reports on questions of doctrine**

- (1) At any point after the consideration of liturgical business at First Consideration, and before the business stands committed to the House of Bishops, any of the following may call for a report by the House of Bishops on a question of doctrine arising out of the business—
  - (a) the Revision Committee for the business,
  - (b) the House of Bishops,
  - (c) any other member of the Synod, if at least 100 other members stand in their places or, if unable to do so, indicate by some other means that they support the call for such a report.
- (2) If a report is called for under paragraph (1), the business stands adjourned until the completion of the debate on the motion in paragraph (4).
- (3) Once the report is prepared, it must be delivered to the Clerk; and the Clerk must include it in the agenda for debate at the next group of sessions and circulate it to all members of the Synod.
- (4) When the Chair calls the report, a member of the House of Bishops must move a motion *“That the Synod do take note of this report”*.

(5) It is not in order to move an amendment to the motion or to move any further motion arising out of the report.

### **83. Revision Committee**

- (1) The members of a Revision Committee for liturgical business are—
  - (a) the members of the Steering Committee *ex officio*, and
  - (b) such other members of the Synod as the Appointments Committee appoints.
- (2) The members of the Steering Committee must not form a majority of the membership of the Revision Committee.
- (3) The Chair of the Revision Committee may not be chosen from the members of the Steering Committee or the Liturgical Commission.
- (4) SOs 55 to 57 apply to the Revision Committee Stage of liturgical business as they apply to the Revision Committee Stage of a Measure, with such modifications as are necessary.

### **84. Optional re-committal following Revision Committee**

- (1) Where the Synod has taken note of a Revision Committee's report, any member may, after giving notice in accordance with SO 11(1)(b), move a motion "*That the liturgical business entitled [Short title] be re-committed to the Revision Committee for (further) revision of...*"; and the mover of the motion may speak for no more than five minutes.
- (2) After the mover of the motion has spoken, a member of the Steering Committee, named by the Chair, may speak in reply.
- (3) After that, the Chair must formally declare the motion to have lapsed, unless at least 40 members stand in their places or, if unable to do so, indicate by some other means that they wish the debate to continue; and if they do indicate that they wish the debate to continue, debate on the motion resumes.
- (4) More than one motion for re-committal may be moved in respect of the same part of liturgical business.
- (5) A member of the Steering Committee may without notice move on behalf of the Committee a motion for the re-committal of the liturgical business; and paragraphs (1) to (3) above and SO 11(1)(b) accordingly do not apply.
- (6) A motion for re-committal must refer to a matter in the report of the Revision Committee, unless the Business Committee has given permission for that requirement to be dispensed with.
- (7) The Synod must consider all motions for re-committal in the order in which they affect the substance of the liturgical business.

(8) If one or more motions for re-committal are carried, the liturgical business stands committed to a Revision Committee for further revision, without further question being put.

(9) If no motion for re-committal is carried, the liturgical business stands automatically committed to the House of Bishops for consideration under SO 93.

#### **85. Further Revision Committee Stage after re-committal**

(1) Where liturgical business stands committed to a Revision Committee as a result of SO 84(8), SO 83 applies in relation to that business; and SOs 55 to 57 accordingly apply in relation to that business by virtue of SO 83(4), but also subject to the following modifications.

(2) The period for submitting a proposal for amendment begins with the day on which the last motion for re-committal was disposed of by the Synod.

(3) A proposal for amendment made in reliance on paragraph (2) must relate to some part of the liturgical business that is referred to in a re-committal motion which was carried.

(4) The Revision Committee—

(a) must consider the parts of the liturgical business that are referred to in any re-committal motion that has been carried, and

(b) may make amendments to any other part of the liturgical business which are consequential on an amendment made in response to a re-committal motion.

(5) In its report, the Revision Committee must—

(a) in the case of a re-committal motion in response to which it has made amendments, comment on the amendments;

(b) in the case of a re-committal motion in response to which it has not made amendments, give their reasons for not doing so.

#### **86. Expedited Further Revision**

(1) This Standing Order applies if, before the debate on the motion under SO 84(1), the Steering Committee gives notice in a notice paper that it intends, if the motion is carried, to hold the Further Revision Stage at the same group of sessions as that at which the motion is carried.

(2) If the motion is carried, both the Further Revision Committee Stage and the Further Revision Stage are to be held at the same group of sessions as that at which the motion is carried, unless the Revision Committee, the Chair or at least 40 members object.

(3) SO 83 applies in relation to the business on the Further Revision Committee Stage; and SOs 55 to 57 accordingly apply in relation to that business by virtue of SO 83(4), but also subject to the modifications in paragraphs (4) and (5) below.

(4) Only a member of the Revision Committee may submit proposals for the amendment of the business.

(5) The Revision Committee's report is to be made to the Synod, and debated, in the same group of sessions as that at which the motion in SO 84(1) is carried.

(6) SO 87 applies in relation to the business on the Further Revision Stage.

## **87. Further Revision**

(1) When a Further Revision Committee Stage, including taking note of the Revision Committee's report, under SO 85 has been completed, the Synod must consider the liturgical business further under this Standing Order.

(2) Any member of the Synod may give notice under SO 11(1)(c) of an amendment to liturgical business on the Further Revision Stage.

(3) An amendment under paragraph (2)—

(a) must be relevant to the general purport of the liturgical business and within the scope of the section to be amended, and

(b) except as provided in these Standing Orders, is to be moved and disposed of in the same manner as an amendment to a motion.

(4) An amendment under paragraph (2), other than one moved on behalf of the Steering Committee, must also relate to a matter in the Further Revision Committee's report, unless the Business Committee has given express permission for that requirement to be dispensed with.

(5) In deciding whether to give permission under paragraph (4), the Business Committee must have regard to—

(a) the importance of the amendment, and

(b) any special reasons which may reasonably have prevented a proposal for the amendment being submitted to the Further Revision Committee under SO 85.

(6) The mover of an amendment under paragraph (2), other than one moved on behalf of the Steering Committee, may speak for no more than five minutes.

(7) Immediately after that, a member of the Steering Committee named by the Chair may speak in reply.

(8) If the member of the Steering Committee indicates that that the Committee supports the amendment, the debate on it continues.

(9) If the member of the Steering Committee indicates that the Committee does not support the amendment, the Chair must declare the amendment to have lapsed unless at least 40 members stand in their places or, if unable to do so, indicate by some other means

that they wish the debate to continue; and if at least 40 members do indicate that they so wish, the debate on the amendment resumes immediately.

(10) Paragraphs (6) to (9) do not apply to an amendment which, in the opinion of the Chair, is consequential on an amendment that has already been carried; and the Chair must inform the Synod of his or her ruling.

(11) On putting an amendment to the vote, the Chair must put the question in the form “*That this amendment be made*”.

(12) After all amendments have been disposed of, the liturgical business stands automatically committed to the House of Bishops for consideration under SO 93.

## **88. Final Revision**

(1) When a Further Revision Stage has been completed under SO 87, a member of the Steering Committee may move on behalf of the Committee a motion “*That the liturgical business entitled [Title] be considered for Final Revision in Full Synod.*”

(2) If the motion is carried, the Synod must proceed to consider the liturgical business further; and SO 87, other than paragraphs (4) and (5), applies to the consideration.

## **89. Minor adjustments to forms of service**

(1) Where the Business Committee determines that business comprises minor adjustments to a form of service already authorised by the Synod, the business may be dealt with as liturgical business by the procedure under this Standing Order unless—

(a) at least 25 members of the Synod give due notice by 5.30 p.m. on the first day of the group of sessions at which the business has been laid that they wish the business to be dealt with in accordance with SO 81(1), or

(b) the Steering Committee gives notice to that effect, after the giving of due notice of a proposed amendment to the business.

(2) If notice is given under paragraph (1)(b), the Chair must, when the item on the agenda is reached, call upon a member of the Steering Committee to move the motion in SO 81(1).

(3) The procedure under this Standing Order begins with a motion by a member of the Steering Committee “*That the liturgical business entitled [Title] be considered*”.

(4) No amendment to the motion in paragraph (3) is in order.

(5) When the item on the agenda is reached, the Chair must call upon a member of the Steering Committee to move the motion in paragraph (3).

(6) If the motion is carried, the Chair must call the mover of each amendment of which due notice has been given to speak; and the mover may do so for no more than five minutes.

(7) Immediately after that, a member of the Steering Committee may speak in reply.

(8) If the member of the Steering Committee indicates that the Committee supports the amendment, the debate on it continues.

(9) If the member of the Steering Committee indicates that the Committee does not support the amendment, the Chair must declare the amendment to have lapsed, unless at least 40 members indicate that they wish the debate to continue; and where at least 40 members do so indicate, debate on the amendment is resumed.

(10) Paragraphs (6) to (9) do not apply to an amendment which, in the opinion of the Chair, is consequential on an amendment that has already been carried; and the Chair must inform the Synod of his or her ruling.

(11) On putting an amendment to the vote, the Chair must put the question in the form “*That this amendment be made*”.

(12) When all the amendments have been dealt with, a member of the Steering Committee must move a motion “*That the liturgical business entitled (Title) be approved*”.

(13) If the motion in paragraph (12) is carried, the liturgical business stands automatically committed to the House of Bishops for consideration under SO 93.

(14) “Form of service” has the same meaning as it has in Canon B 1.

#### **90. Extension or discontinuance of liturgical business already approved**

(1) Business which is subject to the procedure under this Standing Order is to be considered on the following stages—

- (a) First Consideration (see paragraphs (2) to (11) below));
- (b) reference to the House of Bishops (see SO 93);
- (c) subject to SO 95, Final Approval (see SO 103).

(2) Proceedings on First Consideration begin with a motion moved at the request of the House of Bishops by a member in charge of the business appointed by the Appointments Committee “*That [an extended period of authorisation until... / the discontinuance from ...] of the liturgical business entitled [Short title] be referred to the House of Bishops.*”

(3) At First Consideration, any member of the Synod may give notice of an amendment relating to the proposed period of extension or the proposed date of discontinuance (as the case may be); but no other amendment of the motion in paragraph (2) is in order.

(4) The Chair must call the mover of an amendment under paragraph (3) to speak; and the mover may speak for no more than five minutes.

(5) Immediately after that, the member in charge of the business may speak in reply.

(6) If the member in charge indicates his or her support for the amendment, the debate on it continues.

(7) If the member in charge indicates that he or she does not support the amendment, the Chair must declare the amendment to have lapsed, unless at least 40 members indicate that they wish the debate to continue; and where at least 40 members do so indicate, debate on the amendment is resumed.

(8) Paragraphs (4) to (7) do not apply to an amendment which, in the opinion of the Chair, is consequential on an amendment that has already been carried; and the Chair must inform the Synod of his or her ruling.

(9) On putting an amendment to the vote, the Chair must put the question in the form “*That this amendment be made*”.

(10) If the motion in paragraph (2) is negatived, it may not be moved again in relation to the same liturgical business for at least twelve months.

(11) Subject to that, after all amendments have been disposed of, the liturgical business stands committed to the House of Bishops for consideration under SO 93.

## **MATTERS REFERABLE UNDER ARTICLE 7 OR 8 OF THE CONSTITUTION**

### **91. Designation**

(1) Every item which, in the opinion of the Business Committee, constitutes Article 7 or 8 business must be designated as such in every agenda or notice paper in which it appears.

(2) If the effect of a decision of the Synod is, in the opinion of the Business Committee, that business not previously designated under paragraph (1) as Article 7 or 8 business does constitute business of that description—

(a) the Clerk must inform the Chair, and

(b) the Chair must direct that the business is to be designated as such in any subsequent agenda or notice paper in which it appears.

(3) If the effect of a decision of the Synod is, in the opinion of the Business Committee, that business previously designated under paragraph (1) as Article 7 or 8 business ceases to constitute business of that description—

(a) the Clerk must inform the Chair, and

(b) the Chair must direct that the business is not to be designated as such in any subsequent agenda or notice paper in which it appears.

**92. Objection to designation or absence of designation**

(1) Where at least 25 members object to the designation of business as Article 7 or 8 business, or to the absence or cessation of designation of business as such, the question must immediately be referred for joint determination by the Presidents, the Prolocutors of the Convocations and the Chair and Vice-Chair of the House of Laity in accordance with Article 7(6) or 8(2) of the Constitution (as the case may be).

(2) An objection under paragraph (1) must be—

(a) in writing,

(b) signed by all the members making it, and

(c) delivered to the Clerk no later than 30 minutes before the beginning of the first session appointed for the business to be taken.

(3) Paragraph (1) does not apply to an objection which the Chair considers to be without foundation.

(4) Pending a determination under paragraph (1), consideration of the business is adjourned or postponed.

(5) A determination under paragraph (1) is conclusive.

(6) If there is no objection, and accordingly no determination, under paragraph (1)—

(a) the designation of business as Article 7 or 8 business, or the absence or cessation of designation of business as such, is to be treated as correct, and

(b) no objection to the designation, or its absence or cessation, may then be made for so long as the business is unamended.

**93. References to the House of Bishops otherwise than under SO 62**

Where liturgical business, or an instrument which is Article 7 or 8 business other than a Measure or Canon (as to which see SO 62(1) and (2)), is referred to the House of Bishops, the House—

(a) may amend the business as it thinks fit, and

(b) must return it in the form it has approved for Final Approval (see SO 103).

**94. Consideration of business otherwise than under SO 62 or 93**

(1) Article 7 or 8 business which is not subject to SO 62 or 93 (legislation or liturgical business) is dealt with by the procedure under this Standing Order.

(2) The first debate on the business is at First Consideration on a motion “*That [Short title or other description] be generally approved*”.

(3) If the motion in paragraph (2) is carried, the business stands referred to the House of Bishops.

(4) The House of Bishops—

(a) may amend the business as it thinks fit, and

(b) must return it in the form it has approved for Final Approval (see SO 103).

**95. Article 7 business: reference to the Convocations and the House of Laity**

(1) Where the House of Bishops passes a motion for the return of Article 7 business to the Synod, the question of whether either of the Convocations, sitting separately, or the House of Laity requires the business to be referred in accordance with Article 7 of the Constitution must be decided as soon as possible in accordance with—

(a) Article 7 of the Constitution, and

(b) such provision as the body in question makes by Standing Orders.

(2) The decision must be conveyed in writing to the Clerk by—

(a) in the case of each Convocation, the President and Prolocutor, and

(b) in the case of the House of Laity, the Chair and Vice-Chair.

(3) If a reference is required—

(a) the business stands referred to the two Convocations and the House of Laity, and

(b) further proceedings in the Synod on the business are postponed until the procedure under SOs 96 to 98 has been completed.

(4) The form in which business is so referred and the nature or content of any accompanying report or other documents are to be determined by the Business Committee, subject to any direction by the Synod.

**96. Reference under SO 95: first stage**

(1) Where there is a decision under SO 95 that a reference is required, each of the two Convocations and the House of Laity must, no later than the beginning of the next group of sessions, sit separately to consider the business in accordance with their Standing Orders, but with no power to amend the terms in which the business has been proposed by the House of Bishops.

(2) At each sitting under paragraph (1), a member of the body concerned must—

(a) if the reference is in the form of a motion, move a motion in the same form,  
or

- (b) if the reference is in the form of an instrument, move a motion “*That [Short title or other description] be approved*”.
- (3) If the motion in paragraph (2)(a) or (b) is carried by each House of each Convocation and by the House of Laity, the business is referred back to the Synod for consideration on Final Approval; and SO 64 applies accordingly.
- (4) If the motion is negated by only one House of one of the Convocations, SO 97 applies.
- (5) If the motion is negated by more than one House of one of the Convocations or by the House of Laity—
  - (a) further consideration of the business is terminated, and
  - (b) it is not in order to introduce business containing the provision objected to or other provision to like effect until a new Synod has come into being.

**97. Reference under SO 95: second stage**

- (1) Where the motion in SO 96(2)(a) or (b) is negated by only one House of one of the Convocations, a member of the Synod may move at the next group of sessions that the same business, unamended, be again referred for approval by the two Convocations only.
- (2) If the motion in paragraph (1) is carried, SO 96(1) to (3) and (5), so far as relating to the Convocations, applies to consideration of the business in question.

**98. Reference under SO 95: third stage**

- (1) Where the motion in SO 96(2)(a) or (b), as applied by SO 97(2), is negated by only one House of one of the Convocations, any member of the Synod may move at the next group of sessions that the same business, still unamended, be referred for approval by the House of Bishops and the House of Clergy.
- (2) Where the motion in paragraph (1) is carried, the House of Bishops and the House of Clergy must, no later than the beginning of the next group of sessions, sit separately to consider the business in accordance with their Standing Orders, but with no power to amend the terms in which the business has already been proposed by the House of Bishops.
- (3) At each sitting under paragraph (2), a member of the House concerned must—
  - (a) if the reference is in the form of a motion, move a motion in the same form, or
  - (b) if the reference is in the form of an instrument, move a motion “*That [Short title or other description] be approved*”.
- (4) The approval of the House of Bishops or the House of Clergy under this Standing Order is not to be regarded as having been given unless at least two-thirds of the members of that House present and voting are in favour of the motion.

(5) If the motion in paragraph (3)(a) or (b) is carried by both Houses, the business is referred back to the Synod for consideration on Final Approval; and SO 64 applies accordingly.

(6) If the motion in paragraph (3)(a) or (b) is negated by either House—

(a) further consideration of the business is terminated, and

(b) it is not in order to introduce business containing the provision objected to or provision to like effect until a new Synod has come into being.

**99. Article 8 business: reference to diocesan synods**

(1) This Standing Order applies where Article 8 business, or a proposal intended to be embodied in Article 8 business, is referred to diocesan synods for approval in accordance with Article 8 of the Constitution.

(2) The Business Committee is, subject to any direction by the Synod, to have power to supervise the conduct of the reference; and, in exercising that power, the Committee may in particular determine—

(a) the form, content and date of issue of any documents circulated to diocesan synods (including such explanatory notes, summaries, instructions or questionnaires as the Business Committee considers necessary), and

(b) the form of any documents presenting the replies of diocesan synods to the Synod.

(3) The exercise of the power of the Business Committee under paragraph (2) is subject to the following four conditions.

(4) The first condition is that each diocesan synod must be invited to express a clear approval or disapproval of each matter referred to it.

(5) The second condition is that no diocesan synod may be required or forbidden to consult any other body in the diocese before voting on a matter referred.

(6) The third condition is that each diocesan synod must—

(a) be requested to frame its reply in the common form prescribed by the Business Committee, and

(b) be informed of the date prescribed by the Business Committee as the date by which replies must be received.

(7) The fourth condition is that each diocesan synod must be requested to include in its reply—

(a) the numbers of those voting for and against each proposition, and the number of declared abstentions, in each house of the diocesan synod, and

(b) the distinct opinion of the bishop if the bishop has, in reliance on rule 34(1)(j) of the Church Representation Rules, required it to be recorded.

(8) The date prescribed for the purposes of paragraph (6)(b) must be at least six months after the date of the Synod's decision that the reference be made.

#### **100. Report by Business Committee following submission of reports by diocesan synods**

No later than the second group of sessions following the date prescribed for the purposes of SO 99(6)(b), the Business Committee must submit to the Synod a written report or memorandum stating—

(a) whether a majority of the diocesan synods has approved or not approved the Article 8 business or proposal referred,

(b) how many votes were cast for and how many cast against each substantive proposal, and how many declared abstentions there were, in each house of each diocesan synod, and

(c) the distinct opinion of each diocesan bishop who has, in reliance on rule 34(1)(j) of the Church Representation Rules, required it to be recorded.

#### **101. Final approval of Article 8 schemes: special majorities**

(1) In the case of an Article 8 scheme, a member may move at any time before Final Approval that final approval of the scheme must require the assent of such majorities of the members present and voting as may be specified.

(2) The motion in paragraph (1) may specify a special majority of each House or of the whole Synod or special majorities of both; and, in the case of a motion specifying special majorities of both, the majorities specified may be different.

#### **102. Declaration of compliance with the requirements of Article 7 or 8**

(1) Article 7 or 8 business may not be considered on Final Approval unless, immediately before the motion for final approval is moved, the Chair, who must be one of the Presidents, declares on behalf of both Presidents, the Prolocutors of the Convocations and the Chair and Vice-Chair of the House of Laity that the requirements of Article 7 or 8 (as the case may be) of the Constitution have been complied with.

(2) A declaration under paragraph (1) is conclusive.

#### **103. Final Approval: general**

Article 7 or 8 business, having been returned to the Synod on completion of the final reference under these Standing Orders, must be considered on Final Approval on a motion "*That [Short title or other description] be finally approved*"; and SO 64 applies accordingly.

#### **104. Final Approval: reconsideration by the House of Bishops**

- (1) After a motion for Final Approval of Article 7 or 8 business has been moved, a member of the House of Bishops or a member of the Steering Committee in charge of the business may move a motion “*That the debate be now adjourned to enable [Short title or other description] to be reconsidered by the House of Bishops*”.
- (2) If the motion in paragraph (1) is carried, the motion in paragraph (4) may not be moved in respect of the business.
- (3) If the motion in paragraph (1) is negatived, it may not be moved again during the debate on the motion for Final Approval.
- (4) After a motion for Final Approval of Article 7 or 8 business has been moved, any member of the Synod may, unless the motion in paragraph (1) has been carried, move a motion “*That the debate be now adjourned to enable [Short title or other description] to be reconsidered by the House of Bishops*.”
- (5) The motion in paragraph (4) must refer to an amendment made to the business by the House of Bishops under SO 62, 93 or 94.
- (6) If the motion in paragraph (4) is negatived, it may not be moved again during the debate on the motion for Final Approval.
- (7) SO 34 (adjournment of debate) does not apply to the motion in paragraph (1) or (4); nor, while the motion in either of those paragraphs is under consideration, is it in order to move the Adjournment of Debate under SO 34.
- (8) If the motion in paragraph (1) or (4) is carried, the business stands referred to the House of Bishops.
- (9) On a reference under paragraph (8), the House of Bishops may—
  - (a) in the case of a reference on the motion in paragraph (1), amend any part of the text referred;
  - (b) in the case of a reference on the motion in paragraph (4), amend such part of the text as has been altered by an amendment made by the House under SO 62, 93 or 94.
- (10) The business is then returned to the Synod in the form approved by the House of Bishops under this Standing Order for further consideration by the Synod; and after the return of the business, the Synod is to resume debate on the motion for Final Approval.
- (11) But where the business is amended by the House of Bishops under paragraph (9)—
  - (a) the resumed consideration on Final Approval is subject to further compliance with SO 95 and the making of a further declaration under SO 102, and

- (b) the motion for Final Approval on the resumed debate is to be treated as having been moved in respect of the business as so amended.

## REPORTS

### 105. Ordinary reports

- (1) A report that is intended for debate by the Synod must be delivered to the Clerk; and the Clerk must, unless directed otherwise by the Business Committee, include the report in the agenda for debate at the next group of sessions and circulate it to all members of the Synod; but this is subject to SOs 106 and 107.
- (2) When the Chair calls the report, the Chair of the body that produced the report or another member of the body must move a motion “*That the Synod do take note of this Report*”.
- (3) It is not in order to move an amendment to the motion in paragraph (2).
- (4) If the motion in paragraph (2) is carried, that fact is not to be taken as committing the Synod to the acceptance of any matter in the report.
- (5) If the motion is carried, motions arising out of any recommendation appended to the report are then moved in turn; and any such motion may be amended.
- (6) Once the motions in relation to recommendations have been disposed of, any member of the Synod may, after giving due notice, move a further motion arising out of the report which—
  - (a) expresses approval or disapproval of the report in whole or part, or
  - (b) is otherwise relevant to and within the scope of its subject matter.
- (7) If the motion in paragraph (2) is negatived—
  - (a) no further discussion of the report is in order during the lifetime of that Synod, and
  - (b) the business of the Synod is to proceed as though the report had not been brought before the Synod.
- (8) The Business Committee may, where it is of the opinion that it would be for the better conduct of the Synod’s business, determine that a report need not be debated under paragraph (2); and the Clerk must so indicate in the agenda.
- (9) Where the Business Committee makes a determination under paragraph (8), motions in relation to any recommendation appended to the report may be moved; and paragraphs (5) and (6) apply accordingly as if the motion in paragraph (2) had been carried.

(10) It is not in order, despite paragraph (5), for a member to move such a motion in relation to a report by the Business Committee on the agenda of a session or group of sessions.

## **106. Annual reports**

(1) Before the end of June in each year, the Archbishops' Council must cause a report of its work and proceedings during the preceding year to be laid before the Synod.

(2) The only motion which may be appended to a report under paragraph (1) is a motion "*That the Synod do take note of this Report*".

(3) The report under paragraph (1) must include specific reference to—

(a) the work of bodies answerable to the Synod through the Archbishops' Council,

(b) the membership of each of those bodies, the status of each member and any changes in membership during the year, and

(c) the number of meetings held by each of the bodies.

(4) Before the end of June in each year, the Archbishops' Council Audit Committee must cause a report of its work and proceedings in the preceding year to be laid before the Synod.

(5) The only motion which may be appended to a report under paragraph (4) is a motion "*That the Synod do take note of this Report*".

(6) The Synod is deemed to have formally taken note of a report under paragraph (1) or (4) unless, no later than 5.30 p.m. on the day which falls six clear days before the first day appointed for the group of sessions at which the report has been laid, a member of the Synod gives due notice that the member wishes to debate the motion appended to the report; and the notice must include details of the member's points of concern.

(7) If notice under paragraph (6) is given, the Chair must, when the item on the agenda is reached, call on the Chair or another member of the body in question to move a motion "*That the Synod do take note of this Report*".

(8) It is not in order to move an amendment to the motion in paragraph (7).

(9) Further motions arising out of a report under paragraph (1) may be moved in accordance with SO 105(5) or (6).

## **107. Presentations**

(1) The Business Committee may, where it is of the opinion that it would be for the better conduct of the Synod's business, determine that an item of business should be the subject of a presentation to the Synod; and, where the Committee does so, the Clerk must so indicate in the agenda.

- (2) The presentation is to be made in such form and by such persons, who need not be members of the Synod, as the Committee agrees.
- (3) If the Business Committee so agrees, the Chair may invite the persons making the presentation to answer such questions from members of the Synod as the Chair allows.
- (4) Where a presentation relating to a report under SO 105 has been completed—
  - (a) the motion in SO 105(2) may (but need not) be moved, and
