REPORT BY THE BUSINESS COMMITTEE

Introduction

1. This report falls into three parts:
   - Part I introduces the Agenda for the February group of sessions and highlights distinctive features;
   - Part II comments on individual items of business;
   - Part III reports on other work and recent decisions of the Business Committee.

I: The February 2017 Group of Sessions

2. The Synod will meet at Church House, London, SW1 from 3.00 p.m. on Monday 13 February until 5.00 p.m. on Thursday 16 February.

Synod Worship

3. The group of sessions will begin with an act of worship in the Assembly Hall. On the morning of Tuesday 14 February, there will be a celebration of Holy Communion in the Assembly Hall at which the Archbishop of York will preside and preach.

4. Synod worship is overseen by the General Synod Chaplain, the Revd Michael Gisbourne, under the direction of the Archbishops. The Continuous Praying Presence will take place in Church House Chapel during the times that General Synod is sitting. It will be supported by the Community of St Anselm and local churches. Synod members are welcome to join those at prayer in the Chapel. In addition, Chaplaincy support will be available throughout Synod. Chaplains may be contacted via the General Synod Chaplain or by leaving a message at the Information Desk. Please refer to the Agenda for a list of services for the period Monday to Thursday.

Shape of the Agenda

5. The Agenda includes the following types of business:
   - Formal business and presentations from external speakers
   - Regular items such as the debate on the Business Committee Report and Question Time
   - A substantial amount of Legislative business
   - A debate on the Anniversary of the Reformation
   - A debate on the report “Setting God’s People Free” from the Archbishops’ Council, prepared by the Lay Leadership Task Group
   - A Diocesan Synod Motion from the Diocese of London
   - A Private Members’ Motion.

6. Following the meetings of the College and House of Bishops in December, the Presidents have agreed to schedule group work on Human Sexuality on the afternoon of Wednesday 15 February. The group work will be preceded by a short statement from the Bishops of Norwich and Willesden on the work of the Bishops’ Reflection Group on Sexuality. The group work will be followed by a
Take Note debate on a Report from the House of Bishops later that afternoon. Details of the groups and material for the plenary session will be provided separately. All Synod members are encouraged to participate in the group work.

**Order of Business**

7. Members are reminded that if at any time within the group of sessions an unexpected gap opens in the Synod’s Agenda, business earlier in the Agenda which has not been reached or completed within the period allotted can be called by the Chair, unless other provision has already been made for it.

8. Timings for items of business in the Synod Timetable are purely indicative timings. The length of time taken by any item is in the hands of the Synod, except where the Business Committee has determined that an item of business is to be taken ‘not later than’ a time specified in the Agenda.

**Legislative Business**

9. There is a very substantial amount of legislative business at this group of sessions. This is due to a number of factors. Firstly, a number of items of legislative business have been generated by initiatives forming part of Renewal and Reform, especially the work of the Simplification Task Group. Secondly, as the July group of sessions was foreshortened due to the Shared Conversations and as there was no group of sessions in November, the Business Committee has had to find a considerable amount of time for legislative business at this group of sessions.

10. The legislative business will be taken, in the order listed on pages 3 to 4 of the Agenda, on the morning and afternoon of Tuesday 14 February, the morning of Wednesday 15 February and the afternoon of Thursday 16 February.

11. Further information about the individual items of legislative business is given in Part II below.

**Private Members’ Motions and Diocesan Synod Motions**

12. Private Members’ Motions (‘PMMs’) are listed in Special Agenda III. There are 5 current PMMs. The following have reached the threshold of 100 signatures needed in order for the Business Committee to consider scheduling a debate.

   - ‘Preliminaries to Marriage’, moved by the Revd Stephen Trott (Peterborough)
   - Mission and Administration, moved by Mr Gavin Oldham (Oxford)

13. The PMM from the Revd Stephen Trott will be taken on the morning of Tuesday 14 February.

14. The PMM from Mr Gavin Oldham is listed as Contingency Business and will be taken if a space opens up in the Agenda. If the PMM is not taken in February, there is an expectation that the Business Committee will find space for it to be debated at the July group of sessions.

15. Diocesan Synod Motions (‘DSMs’) are listed in Special Agenda IV. There are currently 11 DSMs awaiting debate. The 3 DSMs relating to the Anglican Communion Covenant remain ‘parked’, pending further discussions within the Communion. The Dioceses of Chelmsford, Oxford and St Albans have given notice that they have withdrawn their DSMs on the Anglican Communion Covenant.
16. As in July 2016, the Business Committee has taken counsel from the House of Bishops, who have requested a clear space in February for the consideration of matters relating to Human Sexuality. For this reason, the scheduling of the Blackburn DSM on “Welcoming Transgender People” will not be taken before July 2017.

II: Individual Items of Business

17. This section of the Report comments on individual items of business. They are discussed in chronological order.

Monday 13 February

Report by the Business Committee

18. There will be the usual debate on the Report from the Business Committee on the Agenda. This provides an opportunity for Synod members to raise points about the content and shape of the Agenda for this group of sessions, or about the Synod’s business generally. Members may refer to a matter which is not in the Agenda at all but which, in their opinion, should be. However they should not get into the substance of the subject, but should confine themselves to its place in the Agenda or otherwise.

Dates of groups of sessions

19. Following consultation with Synod members, the Business Committee – with the agreement of the Presidents – will be moving a minor amendment to the dates agreed for the February 2018 group of sessions to enable part of this group of sessions to take place on Saturday 10 February 2018 (the likely date of conclusion of this group of sessions). The aim of this suggested change is to test out how Synod members respond to holding part of a February Synod over a week-end period. The Synod will then have the opportunity to consider and approve the proposed dates for groups of sessions for the period 2019-2020 (which include a Saturday in the envelope of dates for the February groups of sessions).

Anniversary of the Reformation

20. The Faith and Order Commission of the Church of England (FAOC), with the support of the Council for Christian Unity (CCU), proposed a debate on the 500th anniversary of the Reformation, with particular reference to the Joint Declaration on the Doctrine of Justification between the Roman Catholic Church and the Lutheran World Federation, also now affirmed by the World Methodist Council.

21. The Business Committee have agreed to schedule this debate in light of the other events organised by key church partners in Continental Europe to mark the Reformation Anniversary.
Questions

22. In accordance with the requirements of the Standing Orders, any member wishing to ask a question of any of the bodies or officers specified in Standing Order 112 must give notice of it to the Clerk to the Synod by 12 noon on Wednesday 1 February 2017. Questions sent by email should be addressed to questions@churchofengland.org.

23. Written answers to Questions will be available in the Questions Paper which will be emailed to Synod members at least one clear day before Question Time. Synod members will be able to ask supplementary questions at Question Time.

Tuesday 14 February

Holy Communion

24. There will be a service of Holy Communion in the Assembly Hall on the Tuesday morning.

Farewell to the First Church Estates Commissioner

25. The Archbishop of York will give a farewell to the First Church Estates Commissioner, Sir Andreas Whittam Smith, who is retiring in March 2017. Given the length and nature of the contribution of Sir Andreas to the life of the Church, the Presidents have exceptionally granted him the opportunity to make a short address in response.

Legislative Business

26. Legislative Business will be taken now and in the designated slots in the Agenda over the following two days.

27. The Mission and Pastoral etc. (Amendment) Measure – which implements changes identified in phase 1 of the work of the Simplification Task Group – is for final drafting and final approval.

28. The Ecclesiastical Jurisdiction and Care of Churches Measure – which consolidates a considerable amount of legislation relating to the ecclesiastical courts and church buildings – is also for final drafting and final approval.

29. The Legislative Reform Measure, having been considered and amended by the Revision Committee, returns to the Synod for the Revision Stage. The Measure facilitates the removal or reduction of legal burdens by enabling the Archbishops’ Council and the General Synod to amend some primary legislation by way of order.

30. The Statute Law (Repeals) Measure returns to the Synod for the Revision Stage. It repeals a significant number of enactments which are obsolete or no longer of practical utility.

31. The Pensions (Pre-consolidation) Measure – which makes minor changes to Church of England pensions legislation in anticipation of a forthcoming consolidation – also returns for the Revision Stage.

32. The Church Representation, Ecumenical Relations and Ministers Measure and Amending Canon No. 38 – which implement proposals arising from phase 2 of the work of the Simplification Task Group – are for first consideration.
33. The **Ecclesiastical Offices (Terms of Service) (Amendment) Regulations 2017** will make it possible for the term of office of bishops, deans, archdeacons and residentiary canons to be extended beyond the age of 70. They will also make it possible for beneficed clergy to continue in office, or to be appointed to office, beyond the age of 70. (The Regulations do not have any effect on the pensionable age for clergy.)

34. The **Church of England Pensions (Amendment) Regulations 2017** alter the composition of the Church of England Pensions Board so that instead of six of its members being elected by the House of Laity, this House will elect two of its members to the Board with four other persons being appointed by the Archbishops. This follows a consultation with members of the General Synod that was carried out by the Board in the second half of 2016.

35. The **Safeguarding (Clergy Risk Assessment) Regulations 2016**, made by the House of Bishops under Canon C 30 ('Of safeguarding'), make provision for the persons who may carry out a risk assessment of a cleric conducted under that Canon and for the procedures for carrying it out and challenging its outcome.

36. The **Legal Officers (Annual Fees) Order 2016** makes provision for the fees payable to diocesan registrars by way of retainer in 2017.

37. **Amending Canons Nos. 36 and 37** are concerned, respectively, with dispensing with prescribed forms of vesture at certain services and with the use of the burial service in certain special cases. They were originally both comprised in draft Amending Canon No. 36. That Canon was divided into two Amending Canons by the Revision Committee, which also made other amendments. The two resulting Canons now return to the Synod for the Revision Stage.

**Wednesday 15 February**

**Creation of a Suffragan See for the Diocese of Leicester**

38. After morning worship, the Bishop of Leicester will ask the Synod to approve his proposal to petition Her Majesty in Council to create a suffragan See at Loughborough. The diocese of Leicester does not currently have a suffragan See. The Dioceses Commission has reported on the proposal. The Commission’s report, which includes a statement of the effect of the proposal on the mission of the Church of England and an estimate of its financial effect, is being sent to members of the General Synod along with the Bishop’s proposal in accordance with the requirements of section 18 of the Dioceses, Mission and Pastoral Measure 2007.

**Appointment to the Archbishops’ Council**

39. The Archbishops have followed a process of open recruitment to appoint a member to fill the vacancy left by Philip Fletcher’s retirement from the Council at the end of 2016. At the time of writing this report, the name of the new appointment was unknown, but the motion for the Synod will be circulated on a Notice Paper in due course. Since the appointment carries with it *ex officio* membership of the Synod, the Synod has a formal role in approving the appointment.
Diocesan Synod Motion: Fixed Odds Betting Terminals

40. Synod will debate a motion from the Diocese of London on the social and financial impact of Fixed Odds Betting Terminals on families and whole communities and calling upon H M Government to reduce substantially the maximum amount that can be wagered in a single game.

41. Mr Clive Scowen has tabled a Private Member’s Motion in identical terms.

Legislative Business

42. Synod will then continue with legislative business until 12 noon.

Introduction to the work of the Bishops’ Reflection Group on Human Sexuality

43. The first part of the afternoon on Wednesday 15 February will be spent in small groups. The Bishop of Norwich and the Bishop of Willesden will introduce this group work before lunch. Their introduction will set the scene by giving some historical background to the Synod’s consideration of issues of sexuality and will also explain something of the process that the House of Bishops has been engaged in over the autumn. It will also outline what the House proposes future synodical handling should look like.

Group work

44. The group work is not a continuation of the Shared Conversations, which have now finished. It is intended to enable members of Synod to consider (as the House and College of Bishops did) some real-life pastoral situations in the light of the Church of England’s existing theological and ethical understanding. The groups will be chaired by members of the House of Bishops (without the use of external facilitators). The Bishops’ Reflection Group hope that it will provide a helpful way in to the Synod’s consideration of the Church of England’s approach to this issue.

The Bishops’ Reflections on Marriage and Same Sex Relationships: Report from the House of Bishops (GS 2055)

45. Synod will then hold a take note debate on the report from the House of Bishops. The report has been prepared by the Bishops’ Reflection Group on Sexuality, chaired by the Bishop of Norwich.

46. The sitting will conclude with Evening Worship.

Thursday 16 February

Farewell to the Bishop of London

47. The Archbishop of Canterbury is to give a farewell to the Bishop of London, who retires in early February.

Address by the Secretary General of the Anglican Communion

48. The Presidents have invited the Most Revd Josiah Atkins Idowu-Fearon, Secretary General of the Anglican Communion to address the Synod.
Setting God’s People Free – A report from the Archbishops’ Council

49. Synod will debate a motion from the Archbishops’ Council commending the report from its Lay Leadership Task Group entitled Setting God’s People Free. The Task Group was established by the Archbishops as part of the Renewal and Reform initiative to provide a narrative and storyline around how the Church should view and respond to the challenges of recognising and supporting lay leaders in church, community, workplace and wider society. The report is accompanied by an Implementation Plan, setting out a longer-term series of goals and objectives to deliver the vision outlined in the report.

50. If time opens up, further legislative business will be taken prior to lunch.

Further Legislative Business

51. The remainder of the group of sessions will be spent finalising the Legislative Business not completed earlier in the week, with any remaining legislative business being taken after lunch.

Contingency Business

52. The PMM moved by Mr Gavin Oldham (Oxford) on ‘Mission and Administration’ puts the case for centralising a number of administrative functions of the dioceses and estimates the possible cost savings from doing so.

Prorogation

53. Synod will be prorogued no later than 5.00 pm on the afternoon of Thursday 16 February.

III: Other Work of the Business Committee

Security, Fringe meetings and Displays

54. Synod members are invited to note the Synod Security policy and the policy on Fringe Meetings and Displays. Both policies may be found on the Members’ Resources page of the General Synod website at:

https://www.churchofengland.org/about-us/structure/general-synod/members'-resources.aspx

55. Synod members are reminded of their responsibility to be vigilant at all times to ensure the security of Synod members, visitors and staff. As stated in point 5 of the Security Policy, Synod members are requested not to leave any items unattended around the Assembly Hall or its environs.

Voting Cards

56. Following difficulties experienced with the voting cards during the July 2016 group of sessions, staff have investigated the issue with the supplier and the issue has now been resolved.

| 25 November 2015 | Motion on the Migrant Crisis (GS 2009) | Urge parishes and dioceses to provide practical resources and to pray for all those seeking to address the causes as well as the symptoms of this crisis, welcome aid provided by HMG to those suffering and call on it to increase number to be resettled significantly beyond its initial target of 20,000 over five years; call upon HMG to work with the UN High Commissioner to ensure that vulnerability to religiously motivated persecution is taken into account when determining whom to receive, to work with international partners to establish legal routes to places of safety and to take a fair share of refugees now within the EU. | Parishes and dioceses HMG | We have worked closely with the resettlement team at the Home Office, acting as a bridge between them and parishes which have expressed interest in being involved in refugee support. In November we helped to lead a national seminar for dioceses and other Church of England groups engaged in refugee and asylum support.

Guidance has been issued on asylum support, especially the tricky issues of local clergy being asked to support people in court, with help in relation to those who have recently converted to Christianity and are seeking asylum: this issue has returned strongly to prominence, especially in some areas.

The main focus in 2016 has been to support local Christian communities in practical work. We work closely with other agencies through a CTBI steering group. In terms of advocacy, part of the aim is to lend weight to the church’s voice by strengthening our credibility as making practical local contributions in many parts of the country. in the Brexit context, we shall aim to play our part in developing constructive narratives about migration and community during 2017. |

Churches from every tradition, and from inner-cities to rural areas, have engaged with the call. Both in the six centrally organised Beacon Events and in many more local churches looking to follow the national lead, cathedral and churches have responded to the invitation with grace, tenacity, vision and most of all faith. Churches have hosted whole weeks of 24/7 prayer, prayer days, special events and half nights of prayer. Schools have put on special assemblies, and engaged in other creative ways. The demand for tickets for the Beacon Events at Winchester, St Paul's, Durham and Canterbury Cathedrals was so great that overspill areas with big screens had to be organized. Thousands of parish churches, from England, as well as the USA, Bermuda, Brussels, New Zealand and Israel, have joined in.</td>

The Bishop of Carlisle and MPA’s policy adviser on medical ethics and health and social care policy have also conducted a series of one-day seminars for clergy, lay leaders and ordinands on end of life issues, including organ donation. In all, twelve such seminars have been conducted, six since the February 2016 General Synod. Currently, MPA officers are in contact with NHSBT, investigating issues surrounding Living Donation, particularly with regard to BME groups and individuals, with a view to exploring ways in which Living Donation might become an increasingly acceptable option for individuals to consider.</td>

| 17 February 2016 | Diocesan Synod Motion on ‘The Impact of Sanctions on Benefit Claimants’ (GS2019A and GS2019B) | Called on HMG to implement the recommendations set out in *Feeding Britain* in respect of the use of sanctions upon benefit claimants, to initiate a full independent review of the impact and efficacy of the sanctions and conditionality regime and to encourage every part of the Church of England to offer practical and pastoral support to those experiencing benefit sanctions, building on the Church’s work with food banks, credit unions and debt advice. | Her Majesty’s Government, dioceses and parishes | MPA continues to monitor the link between the growth in food banks and the operation of the benefits system, focusing on the recommendations in its *Emergency Use Only report*, co-authored with Oxfam, Trussell Trust and Child Poverty Action Group. MPA’s policy adviser on economics and social policy spoke at an All Party Parliamentary Group on Poverty event on food poverty in July 2016, highlighting concerns about the impact of sanctions and other benefit-related issues. He was also on the Trussell Trust’s advisory group for research project by the University of Oxford, examining the growth in the use of food banks. This study, published in October 2016, found a strong association between sanctioning and the use of foodbanks: for every 10 additional people sanctioned, on average five more people were be referred to a food bank in the local authority area. In addition, we have played an active role in helping to establish the Food Poverty Alliance, a group of voluntary sector and faith organisations committed to tackling food poverty in the UK, led by Church Action on Poverty and Sustain. <td>Motion on the result of the EU Referendum</td>
<td>The Synod welcomed the Archbishops’ call for unity and called in Bishops to identify diocesan champions for unity within local communities.</td>
<td>Bishops and dioceses</td>
<td>MPA set up and hosted the blog site, Reimagining Europe, which brought together contributions from a Christian perspective from both “leave” and “remain” voices and which covered a wide range of perspectives on Europe, the EU and related issues. This was well received as a sane and rational forum in an otherwise heated debate. In the wake of the referendum result, the blog is being continued as a forum for discussion of how our future relationships with European neighbours might evolve, not least in terms of relationships with European churches. In the light of the rise in hate crime that has taken place since the referendum, MPA staff have supported bishops with information and analysis so that local responses could be well-informed.</td>

<td>Take Note Debate on “A Church of England Vision for Education” (GS 2039)</td>
<td>Synod took note of the report.</td>
<td>Bishops, Dioceses, Boards of Education, Schools, Colleges and Universities</td>
<td>The Vision has been well received very widely and has become the underpinning document for the Education Office’s work and the Church of England Foundation for Educational Leadership. Further work will help dioceses and educationalists to ensure the vision has impact in their local context. The Education Office is clear in the message that this the Church of England’s vision for education, not restricted to Church of England Schools, and so the vision is at the heart of our attempts to shape and develop policy across the educational landscape.</td>
