

GENERAL SYNOD

FEBRUARY GROUP OF SESSIONS 2012

FOURTEENTH NOTICE PAPER

REPORT OF PROCEEDINGS

The Report of Proceedings is available electronically on the Church of England website once it has been edited and indexed (usually around two months after a group of sessions).

It has been suggested that some members would wish to have a hard copy. The Business Committee has agreed that – if there is sufficient interest – this should be facilitated, on a print-on-demand basis, provided that it is self-financing. The charge per copy would vary according to the length of the group of sessions, but is likely to be around £10.

To enable us to assess the possible take-up, could members who would wish to make use of this service please contact the Synod Support Unit at:

andrewj.brown@churchofengland.org

If there is sufficient interest, details of how to obtain a hard copy will be available on the website once the edited Report of Proceedings has been uploaded.
