

# Good News on the Estates

An evening with the Renewal and Reform Estates Evangelism Task Group. This new group was formed in 2016 to work for the renewal of Church life on our urban estates and equip Christians in these communities for generous service and confident proclamation.

Join us for a drinks reception and hear Bishop Philip North and others share the vision of the task group, see the launch of a new film on estates ministry and engage with our plans for the next 5 years.

Date: **Sunday 8th July 2018**

Venue: **P/L001 (Exhibition Centre)**

Time: **8:15pm**

Please email: [edna.dolor@churchofengland.org](mailto:edna.dolor@churchofengland.org) by 17th June if you're interested in attending.
