

GENERAL SYNOD
List of Speakers – July 2018

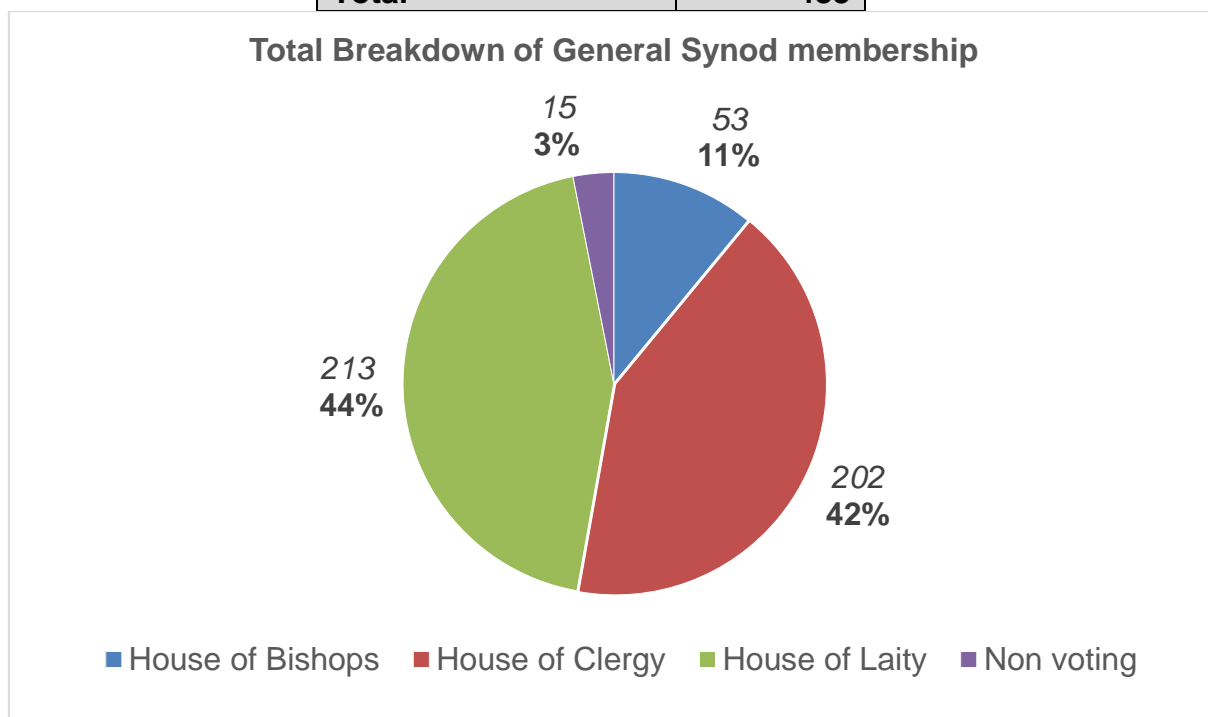

This paper provides a basic summary of statistics relating to the speakers at the July 2018 group of sessions.

1. The term “contribution” refers to either a speech made in a debate, or a question raised in a presentation. Note:

- supplementaries asked during the **Questions** item **have been** included in the totals; and
- contributions made by the **mover/presenter** of an item **have not** been included in the totals.

2. Overview of General Synod

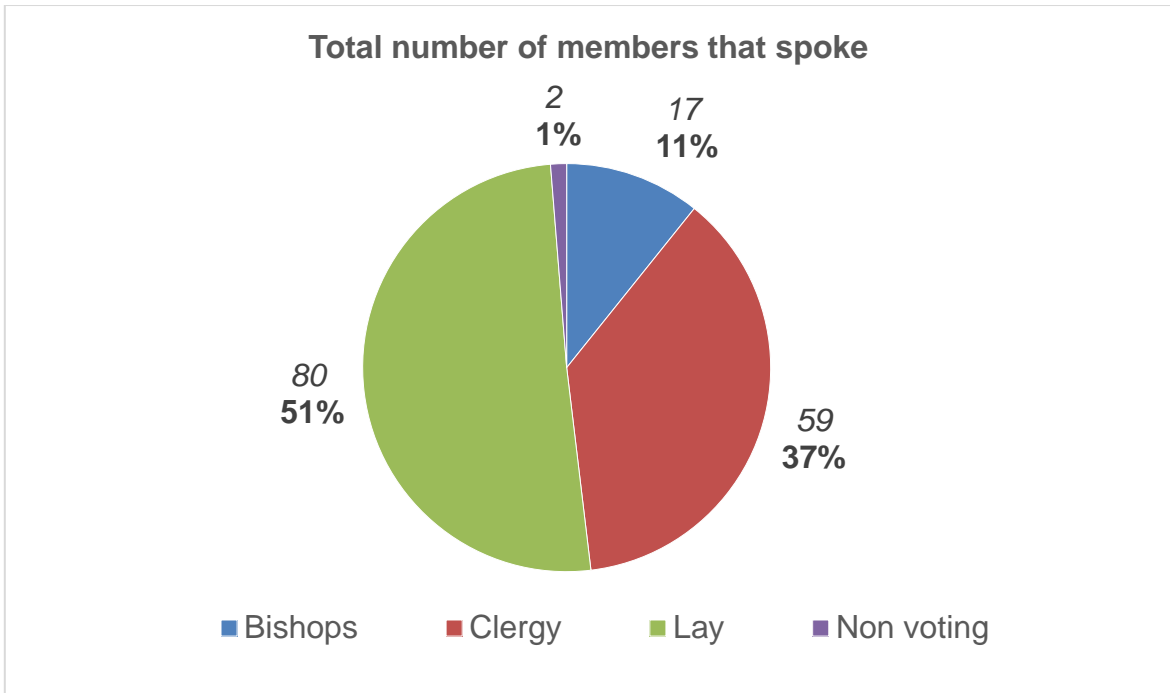

Make up of General Synod	
House of Bishops	53
House of Clergy	202
House of Laity	213
Non-voting	15
Total	483

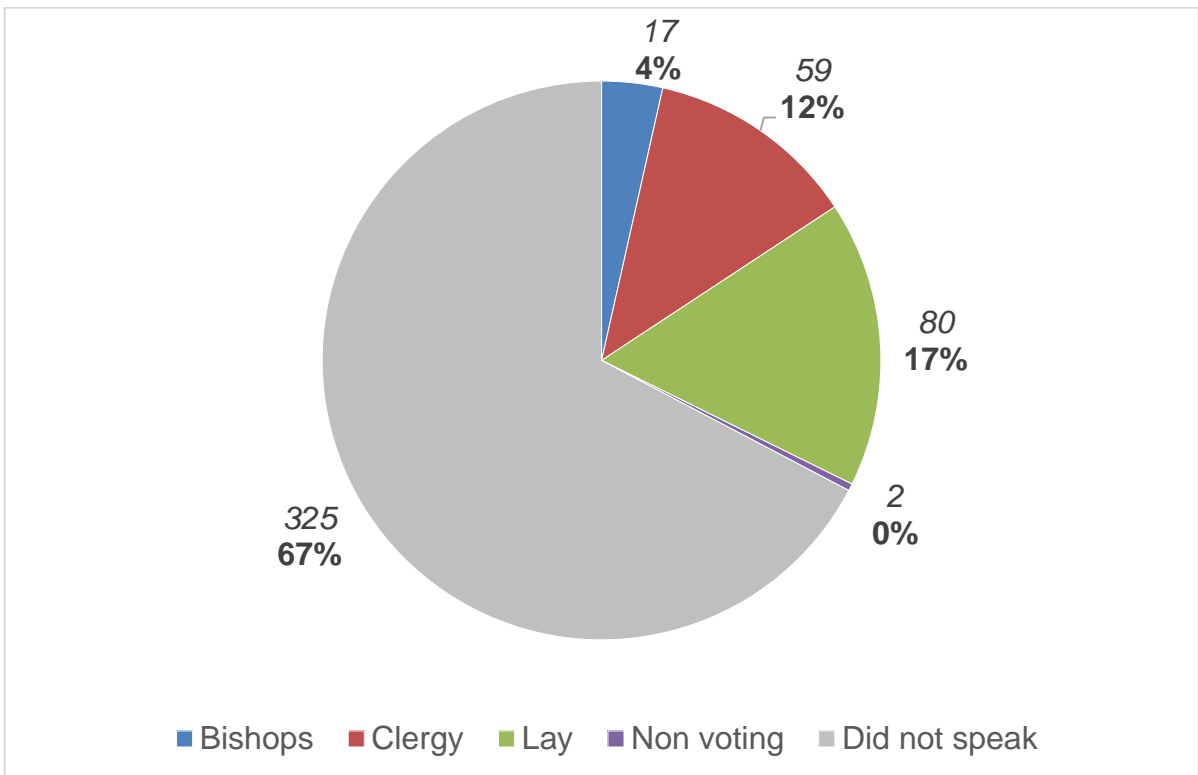

3. There were 7 vacancies on the General Synod during the July group of sessions.

4. Overall speaking numbers:

	Number of members that spoke	Number of contributions
Bishops	17	27
Clergy	59	94
Lay	80	151
Non-voting	2	3
Total	158	275

5. By directly comparing the first two graphs you can see that the Chairs called a representative number of speakers from each House, with a slight over representation of the House of Laity. However, if you include the total number of people that did *not* speak throughout the whole group of sessions the graph looks very different:

6. Two thirds of General Synod (67%) did not speak in a debate, presentation or Questions.
