

GENERAL SYNOD

FEBRUARY GROUP OF SESSIONS 2019

SIXTH NOTICE PAPER

GENERAL SYNOD APP & MISCELLANEOUS

General Synod App: We have been working on a new app for members of General Synod.

You will be able to download this from your relevant App Store. The app will not be fully functional until Friday 15th February when it will contain all the documents and the timetable for February's group of sessions.

Please note, that if you download the app before this date, it will only include basic/incomplete information and will not include Synod papers until it is fully functional on Friday 15th.

There will also be a General Synod App guide included in the 2nd mailing, which will give you all the information on how to use the app at Synod.

Revisions to papers: please note that the following background papers for recirculation have been revised to more accurately reflect the current approach:

- PMM: Homeless Task Force GS 2110B
- DSM: Environmental Programmes GS 2094B
