Church of England Ministry Experience Scheme for the Diocese of Leeds

Do you want to:

- **Find out if full-time ministry is your calling**
- **Learn theology with others**
- **Explore different ways of being church**
- **Live work and grow alongside others exploring in the same way?**

Then Encounter could be for you!

We have a range of parishes including some very ethnically diverse congregations. Each

parish is committed to encouraging young people exploring what God's call means for them and to encourage diversity in leadership. Applications from under-represented groups would be particularly welcomed.
