DRAFT OF A MEASURE to make provision about the governance, management, property and financial affairs of cathedrals.

**Ecclesiastical purpose**

1 Duty to have regard to cathedral’s ecclesiastical purpose

A person on whom a function is conferred by or under this Measure must, in exercising that function, have due regard to the fact that the cathedral is the seat of the bishop and a centre of worship and mission.

2 The Chapter of the cathedral

(1) For each cathedral, there is to continue to be a body established by the constitution of the cathedral called the Chapter; and that body alone is to be the body corporate for the cathedral.

(2) The Council established for each cathedral by virtue of sections 2 and 3 of the Cathedrals Measure 1999 is to cease to exist.

(3) Schedule 1 (which makes further provision about the Chapter of a cathedral) has effect.

3 The College of Canons

(1) For each cathedral, there is to continue to be a body established by the constitution of the cathedral called the College of Canons.

(2) The members of the College of Canons are—

(a) the dean,

(b) every suffragan bishop of the diocese,

(c) every canon of the cathedral, and

(d) every archdeacon of the diocese.

(3) The functions conferred by the Appointment of Bishops Act 1533 on the body referred to in that Act as the dean and chapter of a cathedral are exercisable by the College of Canons of the cathedral; and that Act is to be read accordingly.

(4) The College of Canons has such other functions as may be conferred on it by the constitution or statutes of the Chapter of the cathedral.

(5) In subsection (2)(c), “canon” includes a lay canon and a non-residentiary canon but not a minor canon; and “non-residentiary canon” includes a prebendary who is not a residentiary canon.
(6) Schedule 2 (which modifies this section in relation to the diocese of Leeds) has effect.

**Governing instruments, etc.**

### Constitution

(1) The constitution of the Chapter of each cathedral must specify the following as the only objects of the Chapter—

(a) to advance the Christian religion in accordance with the faith and practice of the Church of England, in particular by furthering the mission of the Church of England;

(b) to care for and conserve the fabric and structure of the cathedral church building;

(c) to advance any other charitable purposes which are ancillary to the furtherance of the purpose referred to in paragraph (a) or (b).

(2) In subsection (1)—

“the mission of the Church of England” means the whole mission of the Church of England, pastoral, evangelical, social and ecumenical;

“cathedral church building” means, in the case of each cathedral, the buildings within the ecclesiastical exemption for that cathedral;

“charitable purposes” means purposes within section 2(1) of the Charities Act 2011.

(3) In furthering the objects set out in subsection (1), the Chapter must act for the public benefit within the meaning of section 4(3) of the Charities Act 2011.

(4) The constitution of the Chapter of each cathedral must—

(a) provide for the appointment of canons in Holy Orders (including the manner of their appointment);

(b) make provision enabling the appointment of lay canons;

(c) make provision as to the duration of the term of office, and as to the number of consecutive terms of office, which a non-executive member of the Chapter may serve;

(d) provide for the appointment of persons to undertake the administration of the cathedral through the carrying out of the role of a chief operating officer and the role of a chief finance officer;

(e) provide for the appointment of an architect or surveyor of the fabric of the cathedral;

(f) provide for the appointment of an auditor for the cathedral;

(g) provide for the appointment of a person having the function of supervising music in the cathedral;

(h) provide for the establishment of a committee known as “the Nominations and Development Committee” (see section 13);

(i) provide for the establishment either of a committee known as “the Finance, Audit and Risk Committee” or of a committee known as “the Finance Committee” and a committee known as “the Audit and Risk Committee” (see section 14).

(5) The same person may be appointed to carry out each of the roles referred to in subsection (4)(d), if each role is to be carried out on a part-time basis.
(6) A person appointed to either of the roles referred to in subsection (4)(d) is referred to in this Measure as a “chief officer”; but the Chapter may confer on a person so appointed a job title different from that given in subsection (4)(d).

(7) The constitution of the Chapter of each cathedral must provide that a person may not be appointed by virtue of subsection (4)(e) unless the person has such qualifications and expertise in matters relating to the conservation of historic buildings and other matters as the Chapter considers appropriate.

(8) Before making a decision about the qualifications and expertise required for the purposes of subsection (7), the Chapter must consult—
   (a) the Cathedrals Fabric Commission, and
   (b) such other persons as the Chapter considers appropriate.

(9) The constitution of the Chapter of each cathedral which is not a parish church must provide for the formation and maintenance of a roll containing the name of each person who is a member of the cathedral community and whose application for enrolment is granted.

(10) The constitution of the Chapter of each cathedral must include provision to exclude the power conferred by section 292B of the Charities Act 2011 (social investment power).

(11) Where the constitution of a cathedral provided, immediately before the commencement of this section, for the appointment of the dean to be by Her Majesty, the constitution of the Chapter of that cathedral must continue so to provide.

(12) Where the constitution of a cathedral which is or part of which is a parish church provided, immediately before the commencement of this section, for the incumbent of the benefice which comprises the parish to be the dean, the constitution of the Chapter of the cathedral must continue so to provide.

5 Statutes

(1) The statutes of the Chapter of each cathedral must make provision for the good government of the cathedral; and the provision which may be so made includes in particular—
   (a) provision for the creation, continuance, abolition, suspension or termination of suspension of a dignity, office or body in the cathedral and for the title by which a dignity or office is to be known;
   (b) provision that the power of presentation or nomination to a benefice in the patronage of the cathedral is exercisable by the Chapter or a patronage committee of the Chapter;
   (c) if the cathedral is a parish church, provision that part of the cathedral is to be the parish church;
   (d) if part of the cathedral is a parish church, provision that the cathedral or another part of it is to be the parish church.

(2) The statutes of the Chapter of each cathedral must include provision as to the functions of the chief officers.

(3) The statutes of the Chapter of each cathedral must include provision for the establishment of a group concerned with the management of the cathedral (see section 16).
(4) The statutes of the Chapter of each cathedral may include consequential, supplementary, incidental or transitional provision.

(5) Provision made in the statutes of the Chapter of each cathedral must be consistent with this Measure and with the constitution of the Chapter.

6 Application of the Charities Act 2011

(1) In section 10 of the Charities Act 2011 (ecclesiastical corporations etc.), in subsection (3), after “spiritual purposes” insert “but does not include the Chapter of a cathedral to which the Cathedrals Measure 202- applies”.

(2) In each of sections 84(3)(b), 84B(3) and 85(3)(b) of that Act (powers of Charity Commission to give directions), after “any Act” insert “or Measure”.

(3) In section 84 of that Act, at the end insert—
“(6) In this section and sections 84B and 85, “Measure” means a Measure of the Church Assembly or of the General Synod of the Church of England”.

(4) The members of the Chapter of each cathedral have the control and management of the administration of the Chapter and are, accordingly, the charity trustees of the Chapter for the purposes of the Charities Act 2011.

(5) The Chapter of each cathedral is subject to the control of the High Court in the exercise of the Court’s jurisdiction with respect to charities.

Roles and responsibilities

7 The bishop

(1) The bishop continues to have the principal seat and dignity in the cathedral.

(2) The bishop may, after consultation with the Chapter and subject to provision in the statutes of the Chapter, officiate in the cathedral and use it in the bishop’s work of teaching and mission, for ordinations and synods and for other diocesan occasions and purposes.

(3) The bishop is entitled to attend meetings of the Chapter and must attend at least one of its meetings each year; and at any meeting which the bishop attends, the bishop may speak but may not vote.

(4) But the bishop may not attend a meeting of the Chapter for the discussion of a matter which the Chapter considers might give rise to a conflict of interest for the bishop, if at least three-quarters of those present and voting have voted to exclude the bishop from the discussion.

(5) It is for the bishop, with the approval of the dean, to appoint each residentiary canon who is not appointed by the Crown.

(6) The bishop may seek the advice of the Chapter on any matter.

(7) The bishop may commission a review of such aspects of the cathedral’s financial affairs, governance, management, operations or mission as the bishop considers necessary or appropriate.

(8) In commissioning a review under subsection (7), the bishop must have regard to any guidance issued by the Church Commissioners in relation to such
reviews; and the arrangements for appointing persons to carry out a review under that subsection must require those persons to have regard to any such guidance.

(9) Where a review under subsection (7) is being carried out, the Chapter of the cathedral concerned must co-operate with the persons carrying it out.

(10) Where the Charity Commission makes a decision, direction or order under the Charities Act 2011 which affects a cathedral, the bishop is to be treated for the purposes of Schedule 6 to that Act (appeals and applications to Charity Tribunal) as a person who is or may be affected by the decision, direction or order.

8 The Visitor

(1) The constitution of the Chapter of each cathedral must continue to provide for the bishop to be the Visitor of the cathedral.

(2) It is for the bishop as Visitor to hear and determine any question as to the construction of the constitution and statutes of the Chapter of the cathedral.

(3) The bishop may hold a visitation of the cathedral—
   (a) when the bishop considers it necessary or desirable to do so, or
   (b) when requested to do so by the Chapter.

(4) In the course of a visitation, the bishop may give such directions to the Chapter, the holder of an office in the cathedral or a person employed by the Chapter or engaged to provide services in connection with the cathedral as will, in the opinion of the bishop, better serve the due observance of the constitution and statutes.

(5) A person on whom a function is conferred by or under this Measure must act in accordance with a determination made under subsection (2) or a direction given under subsection (4).

(6) This section does not affect the powers that the bishop has generally as Visitor.

9 The Chapter

(1) The Chapter must direct and oversee the administration of the affairs of the cathedral; and in performing that duty the Chapter must in particular—
   (a) order the worship of the cathedral and promote its mission;
   (b) formulate, after consultation with the bishop, proposals relating to the general direction and mission of the cathedral;
   (c) prepare an annual budget for the cathedral;
   (d) prepare an annual report for the cathedral and annual accounts for audit and subsequent approval;
   (e) keep under review the constitution and statutes of the Chapter;
   (f) manage the property vested in the Chapter and the income accruing from it and, in particular, ensure that necessary repairs and maintenance in respect of the cathedral and its contents and other buildings and monuments are carried out.

(2) The Chapter must from time to time consult the bishop on the general direction and mission of the cathedral.
The dean

(1) The dean of a cathedral continues to be its principal dignitary, next after the bishop.

(2) The dean, in that capacity, must govern and direct on behalf of the Chapter the life and work of the cathedral; and in performing that duty the dean must in particular—
   (a) ensure that Divine Service is duly performed in the cathedral;
   (b) ensure that the constitution and statutes are faithfully observed;
   (c) oversee the work undertaken by the clergy and staff of the cathedral in relation to the cathedral;
   (d) maintain good order and proper reverence in the cathedral;
   (e) secure the pastoral care of all members of the cathedral community;
   (f) take all decisions necessary to deal with an emergency affecting the cathedral, pending consideration of the matter by the Chapter.

(3) None of the following may be done without the consent of the dean—
   (a) an alteration of the ordering of services in the cathedral;
   (b) the settlement of the cathedral’s budget;
   (c) the implementation of a decision taken by the Chapter in the dean’s absence.

(4) In the case of a decision taken by the Chapter on a matter other than one mentioned in subsection (3)(a) or (b), the dean is to be taken as having consented for the purposes of subsection (3)(c) after the expiry of one month beginning with the day after that on which the decision was taken.

(5) But subsection (4) does not apply if, during the one-month period referred to in that subsection, the dean asks the Chapter to reconsider the decision at its next meeting; and the decision is to be taken by a majority vote of those present and voting at the meeting (as to which, see paragraph 6 of Schedule 1).

(6) The clergy and staff of the cathedral are, in respect of their functions relating to the cathedral, accountable to the Chapter through the dean; but this subsection does not apply to functions exercisable as a member of the Chapter and a charity trustee.

(7) A reference to the clergy of the cathedral is a reference to—
   (a) each residiency canon who carries out cathedral duties, and
   (b) each clerk in Holy Orders, other than a residiency canon, in receipt of a stipend from the Chapter.

Interim dean

(1) If the office of dean of a cathedral is vacant or the dean is unable to discharge functions because of illness, absence or any other reason, the bishop must appoint a residiency canon who is qualified to hold the office of dean or, if there is no such residiency canon, another clerk in Holy Orders who is so qualified, to carry out the functions concerned during the period concerned.

(2) An appointment under subsection (1) must be made before the end of 30 days beginning with the day on which the vacancy arises or (as the case may be) the dean becomes unable to discharge the functions concerned.
(3) Where a person is appointed under this section, the references in this Measure to the dean are to be read as references to the person so appointed.

(4) Any question arising as to whether an appointment under this section is justified is to be determined by the archbishop of the province.

(5) A reference in this section to being qualified to hold the office of dean is a reference to satisfying the requirements imposed by a Measure, Act of Parliament or Canon for appointment to the office of dean.

(6) Where a dean is suspended or removed from office or is disqualified from being a charity trustee under the Charities Act 2011, the dean is (pending either an appeal against the suspension, removal or disqualification or the determination of an application for a waiver of the disqualification) to be treated for the purposes of this section as unable to discharge the dean’s functions.

12 Residentiary canons

(1) In the case of each cathedral, at least two full-time equivalent residentiary canons must continue to be engaged exclusively on cathedral duties.

(2) But the archbishop of the province and the Church Commissioners acting jointly may in special circumstances direct that a residentiary canon who is normally engaged exclusively on cathedral duties is, for the period specified in the direction, to be treated as so engaged for the purposes of this section, even though the canon is performing duties other than cathedral duties.

(3) If a question arises as to whether a person is exclusively engaged on cathedral duties, the question is to be decided by the Church Commissioners, after consultation with the Visitor and the Chapter.

(4) A person who is dissatisfied with a determination under subsection (3) may appeal against the determination to the archbishop of the province, whose decision is final.

(5) Where there is a vacancy in the see of the bishop who is the Visitor of the cathedral, the reference to the Visitor in subsection (3) is to be ignored.

(6) In the application of this section to each cathedral of the diocese of Leeds, subsection (1) has effect as if for “two full-time equivalent residentiary canons” there were substituted “one full-time equivalent residentiary canon”; but, in the case of each of those cathedrals, this subsection applies to that cathedral only if the Bishop of Leeds has given consent for it to apply to it.

13 Nominations and Development Committee

(1) It is for the Chapter to appoint the members of the Nominations and Development Committee (the establishment of which is provided for in the constitution by virtue of section 4(4)(h)).

(2) The chair of the Committee must be a non-executive member of the Chapter.

(3) The Committee has the function of advising the Chapter on—
   (a) the recruitment of non-executive members,
   (b) the recruitment of members of committees of the Chapter, and
   (c) the training needs of members of the Chapter.
(4) Subject to that, the statutes of the Chapter must make provision as to the composition and functions of the Committee.

14 Finance, Audit and Risk Committee

(1) It is for the Chapter to appoint the members of the Finance, Audit and Risk Committee or (as the case may be) the members of the Finance Committee and of the Audit and Risk Committee (the establishment of which is provided for in the constitution by virtue of section 4(4)(i)).

(2) The chair of the committee or, where there are two, of each committee must be a non-executive member of the Chapter who has financial expertise which is relevant to the affairs of a cathedral.

(3) Where there are two committees, the same person may not be the chair of both.

(4) The committee or, where there are two, each committee must keep under review the activities of the cathedral and its management in relation to such matters as the Chapter may specify in terms of reference for the committee.

(5) In providing terms of reference for the purposes of this section, the Chapter must have regard to any guidance issued by the Church Commissioners on the responsibilities of committees established under this section.

(6) Before issuing guidance of the kind referred to in subsection (5), the Church Commissioners must consult such bodies as appear to them to represent cathedrals in relation to their financial affairs.

15 Other committees

(1) The constitution of the Chapter of each cathedral may include provision for the establishment of any committees or sub-committees of the Chapter, including those the purpose of which would be to enable engagement with persons in the local area who have an interest in the affairs of the cathedral.

(2) The constitution of the Chapter of each cathedral must provide that any committee or sub-committee of the Chapter established by virtue of subsection (1) may include persons who are not members of the Chapter but must be chaired by a person who is.

(3) The statutes of the Chapter of each cathedral must include provision as to the composition, functions and proceedings of committees or sub-committees of the Chapter established by virtue of subsection (1).

16 Senior management group

(1) The members of the group concerned with the management of a cathedral (the establishment of which is provided for in the statutes of the Chapter by virtue of section 5(3)), must include—

   (a) the dean,
   (b) each residiency canon with responsibility for a department of the cathedral or for part of its operations,
   (c) the chief officers, and
   (d) such other members of staff (whether lay or clergy) as the Chapter considers appropriate.

(2) The statutes of the Chapter of each cathedral must make provision as to—
(a) the functions and proceedings of the group, and
(b) the accountability of the group to the Chapter.

Property

17 Vesting of cathedral property in Chapter

(1) The legal title to any property which, immediately before the commencement of this section, is vested in the body corporate established for the cathedral under section 9(1)(a) of the Cathedrals Measure 1999 is transferred to the Chapter of the cathedral by virtue of this section and, accordingly, without the need for a conveyance, transfer or other deed.

(2) Land transferred by virtue of subsection (1) is transferred subject to and with the benefit of any easements, rights or other privileges to which the land was subject, or of which it had the benefit, immediately before the transfer.

(3) A transfer of property by virtue of subsection (1) does not affect any trust or contract or mortgage or other charge affecting the property immediately before the transfer.

(4) A transfer of property by virtue of subsection (1) does not operate as a breach of a covenant or condition against alienation or give rise to a forfeiture.

18 Property held by Chapter as trustee

(1) The legal title to a cathedral church building transferred to the Chapter by virtue of section 17, and the legal title to every outstanding inventory object, is vested in the Chapter of the cathedral for it to hold on trust for the charitable objects of the Chapter of the cathedral.

(2) Neither the cathedral church building nor any outstanding inventory object may be—
   (a) charged with any debts or liabilities of the cathedral, or
   (b) alienated.

(3) If the Chapter of a cathedral ceases to exist, the trusteeship conferred by this section is transferred to the diocesan board of finance.

(4) The trusteeship conferred by this section may not be transferred unless—
   (a) it has already been transferred under subsection (3), and
   (b) the consent of the bishop of the diocese concerned has been obtained.

(5) If there is a transfer under subsection (3) or (4), the new trustee holds the cathedral church building and the outstanding inventory objects on trust for the objects of the Chapter of the cathedral (and for no other purpose).

(6) “Outstanding inventory object”, in relation to a cathedral, means an object which—
   (a) is included in the inventory compiled and maintained for the cathedral under section 24 of the Care of Cathedrals Measure 2011, and
   (b) is designated in that inventory as outstanding.
19 Acquisition of land

(1) The Chapter of a cathedral may not acquire land unless it has obtained the consent of the Church Commissioners.

(2) Consent under this section is not required for the acquisition of land by gift.

(3) The Chapter of a cathedral may disclaim land which it would otherwise acquire by gift, but only if it has obtained the consent of the Church Commissioners.

(4) The Church Commissioners may by order except from subsection (1)—
   (a) transactions relating to land forming part of an estate specified in the order;
   (b) transactions of a class, or relating to property of a class, specified in the order.

(5) A statement in writing by the Church Commissioners that the requirements of this section with respect to the acquisition have been complied with is conclusive evidence of that fact.

(6) A statement in a document sealed by the Chapter that the consent of the Church Commissioners under this section is not required is conclusive evidence of that fact.

20 Disposal of land

(1) The Chapter of a cathedral may not dispose of land unless it has obtained the consent of the Church Commissioners.

(2) The Chapter of a cathedral may not dispose of a house of residence unless it has obtained (in addition to the consent under subsection (1))—
   (a) the consent of the dean or residentiary canon who normally occupies the house, except during a vacancy in the office concerned, and
   (b) if the house is allocated for the use of the holder of a dignity the right of presentation to which is vested in Her Majesty, Her consent.

(3) Subsections (1) and (2) do not apply to a house of residence occupied by or allocated for the use of the holder of an office who is subject to common tenure.

(4) Consent under this section is not required for—
   (a) the grant of a lease or tenancy to a clerk in Holy Orders holding office in the cathedral or to a person employed by the Chapter;
   (b) a transaction relating to land which, immediately before the original appointment date under the Cathedrals Measure 1999, was held by the dean and chapter of the cathedral of St. Paul in London as part of the Tillingham estate.

(5) The Church Commissioners may by order except from subsections (1) and (2)—
   (a) transactions relating to land forming part of an estate specified in the order;
   (b) transactions of a class, or relating to property of a class, specified in the order.
(6) A disposal of land by the Chapter of a cathedral which does not require consent under this section must nevertheless comply with Part 7 of the Charities Act 2011 (charity land).

(7) Consent under subsection (1) or (2) may be given even if the consideration for the disposal is not the full consideration.

(8) A statement in writing by the Church Commissioners that the requirements of this section with respect to the acquisition have been complied with is conclusive evidence of that fact.

(9) A statement in a document sealed by the Chapter that the consent of the Church Commissioners under this section is not required is conclusive evidence of that fact.

(10) The reference in subsection (2) to a house of residence includes a reference to the buildings, gardens and other land held with the house.

21 Questions as to whether property permanently endowed

(1) If a question arises as to whether property held by or on behalf of the Chapter of a cathedral is or is not part of the cathedral’s permanent endowment, it is for the Church Commissioners, on the application of the Chapter of the cathedral, to decide the matter.

(2) A decision made by the Church Commissioners under this section is final.

(3) A decision made by the Church Commissioners under this section must be set out in an instrument made under their seal.

22 Investment powers, etc.

(1) The Chapter of a cathedral may, in respect of money which forms part of the permanent endowment of the cathedral or is otherwise invested in the Chapter—
   (a) invest it in the acquisition of land;
   (b) invest it in an investment fund or deposit fund constituted under the Church Funds Investment Measure 1958;
   (c) invest it in any investments in which trustees may invest under the general power of investment in section 3 of the Trustee Act 2000 (as restricted by sections 4 and 5 of that Act);
   (d) use it for the improvement or development of property vested in the Chapter.

(2) The Chapter may not exercise the power under subsection (1)(a) unless it has obtained the consent of the Church Commissioners.

(3) The Chapter may not exercise the power under subsection (1)(d) to use money forming part of the endowment to improve or develop the cathedral church building.

(4) The Chapter may not use the power under subsection (1)(d) to use money forming part of the endowment to repair property unless it—
   (a) is satisfied that an emergency has arisen which justifies using the money to repair the cathedral church building, and
   (b) has obtained the consent of the Church Commissioners before spending the money.
(5) If the Chapter spends money in reliance on subsection (4), it must replace it within such period and in such manner as it agrees with the Church Commissioners.

(6) The Chapter of a cathedral may not exercise the power under regulation 4 of the Charities (Total Return) Regulations 2013 (which enables borrowing of up to 10% of permanent endowment) unless it has obtained the consent of the Church Commissioners.

(7) Despite the repeal by section 47 of this Act of section 17A of, and Schedule A1 to, the Cathedrals Measure 1999 (total return investment), any resolution in force under that section immediately before the commencement of the repeal is to continue in force as if it had been made under section 104A(2) of the Charities Act 2011.

(8) “Money” includes stocks, shares, annuities and other securities.

23 Proceeds of disposal forming part of endowment

(1) Where property which forms part of the permanent endowment of a cathedral is disposed of, the proceeds (including any money received by way of loan on a mortgage or charge on land or premium on the grant of a lease or tenancy) are to be treated as part of the permanent endowment of the cathedral.

(2) This section does not apply to property which is inalienable by virtue of section 18(2).

24 Allocation of housing

The Chapter of a cathedral may allocate a house vested in the Chapter for the use of a person holding office in connection with the cathedral as a residence from which to perform the duties of the office.

25 Inspection of cathedral property

(1) The Chapter of each cathedral must continue to arrange, during each five-year period, for an architect or surveyor—
   (a) to carry out an inspection of all property (other than the cathedral itself), and any ancillary building, which the Chapter is liable to repair and maintain, and
   (b) to make a written report to the Chapter on any works which the architect or surveyor considers will need to be carried out in relation to that property and on the urgency with which he or she thinks that they should be carried out.

(2) In the case of property within the precinct of the cathedral, each report under subsection (1)(b) must be made in consultation with the cathedral archaeologist.

(3) The Chapter must send a copy of each report under subsection (1)(b) to—
   (a) the fabric advisory committee of the cathedral,
   (b) the Cathedrals Fabric Commission for England, and
   (c) the Church Commissioners.

(4) The reference in subsection (1) to the five-year periods, in relation to a cathedral, is a reference to the periods of five years provided for under section
20(1) of the Cathedrals Measure 1999 (beginning with the original appointment date under that Measure).

(5) “Ancillary building” has the meaning given in section 26(6) of the Care of Cathedrals Measure 2011.

(6) “Cathedral archaeologist” has the meaning given in section 32(1) of the Care of Cathedrals Measure 2011; but in a case where, by virtue of section 23(2) of that Measure, there is no cathedral archaeologist, subsection (2) above is to be ignored.

(7) “Precinct”, in relation to a cathedral, means the precinct for the time being indicated on the plan required for that cathedral under section 25(1) of the Care of Cathedrals Measure 2011.

Finance

26 Payments from Church Commissioners’ general fund

(1) The Church Commissioners must pay sums by way of stipend or such other emoluments as they may determine—

(a) to the dean of each cathedral, and

(b) for two full-time equivalent residentiary canons of each cathedral engaged on cathedral duties.

(2) The Chapter of a cathedral may, with the consent of the Church Commissioners, pay additional emoluments to the dean or to any residentiary canon for whom the Church Commissioners are required to make a payment under subsection (1)(b).

(3) Where a person is appointed as dean of a cathedral, or as a residentiary canon the cost of whose stipend is to be met by the Church Commissioners under subsection (1), the Church Commissioners may make a grant to that person towards removal expenses incurred by him or her.

(4) The Church Commissioners may make grants for—

27 Borrowing powers

(3) If the prospective debt arising from borrowing under this section would cause the Chapter’s total borrowings to exceed such threshold as the Church Commissioners may from time to time specify by order, the Chapter may not borrow the money unless it has obtained their consent.

28 Accounting matters

(1) The Church Commissioners may from time to time specify by order the date on which the financial year for all cathedrals ends.

(4) Amendments to the constitution or statutes of the Chapter of a cathedral are to be made by way of instrument under the common seal of the Chapter.

(6) The bishop may propose for consideration by the Chapter amendments to the constitution and statutes.
30 Consultation

(1) Before making amendments to its constitution or statutes, the Chapter of a cathedral must carry out consultation in accordance with this section.

(2) The Chapter must prepare a notice of the preparation of a draft of an instrument containing the amendments proposed to the constitution or statutes; and the notice must—

31 Consents

(1) The Chapter of a cathedral may not make amendments to the Chapter’s constitution or statutes unless it has obtained—
   (a) the consent of the Church Commissioners,
   (b) the consent of the bishop of the diocese, and
   (c) if consent is required under subsection (2) or (3), that consent.

(2) Amendments to the Chapter’s constitution which would, if the Chapter were a charitable incorporated organisation, be regulated alterations within the meaning of section 226 of the Charities Act 2011 require the consent of the Charity Commission.

(3) Amendments to the Chapter’s constitution or statutes which affect any right or interest of Her Majesty require Her consent.

32 Formalities

(1) After the Chapter has carried out consultation on a draft instrument in accordance with section 30 and has made such amendments to the draft instrument as it thinks fit, the dean must sign a copy of the instrument.

(2) A copy of the instrument must be sent to the Church Commissioners.
(3) In the case of amendments made to the constitution of the Chapter of a cathedral, a copy of the instrument must be filed with the Charity Commission.
