GENERAL SYNOD

List of Speakers - Feb 2019

This paper provides a basic summary of statistics relating to the speakers at the Feb 2019 group of sessions.

The term "contribution" refers to either a speech made in a debate, or a question raised in a presentation. Note:

supplementaries asked during the **Questions** item **have been** included in the totals; and contributions made by the **mover/presenter** of an item **have not** been included in the totals.

Overview of General Synod

Make up of General Synod			
House of Bishops	53		
House of Clergy	196		
House of Laity	209		
Non-voting	15		
Total	473		

There were 5 vacancies on the General Synod during the Feb group of sessions.

Overall speaking numbers:

	Number of members that spoke	Number of contributions
Bishops	20	28
Clergy	24	63
Lay	91	144
Non-voting	8	10
Total	143	245

By directly comparing the first two graphs you can see that the Chairs called a representative number of speakers from each House, with a slight over representation of the House of Laity. However, if you include the total number of people that did *not* speak throughout the whole group of sessions the graph looks very different:

Over two thirds of General Synod (70%) did not speak in a debate, presentation or Questions.
