**Electronic voting results for Item 13
MISSION AND MINISTRY IN COVENANT (GS 2135 and GS 2086)**

- b) support the recommendations intended to address those issues that are listed in the final paragraph of the report on further work from the faith and order bodies regarding *Mission and Ministry in Covenant*;
- c) request the Faith and Order Commission to work with the Methodist Church’s Faith and Order Committee on drafting texts for the ‘formal declaration’, the inaugural service or services and the service of welcome referred to in the recommendations in the final paragraph of the report on further work, and for the guidelines for the practice of presbyters / priests from one church being received to serve in the other referred to in paragraph 142, with full draft texts being made available to the Synod; and
- d) request the House of Bishops to report during the next quinquennium on the progress made on the work described in the previous paragraph, together with proposals for implementation.’
