1: Your personal details

Full name:										
Date of birth:			/			/				
National Insurance number:										

2: Change my target retirement date

It is important you think about when you might take your pot. We will line your pot up ready to take at that point. This is your "target retirement date".

If you have not picked a target retirement date, we will pick age 68 for you. If you think you might take your pot before or after this, make sure you update your target retirement date so that we can line your pot up correctly.

My target retirement age is:

This is the age you might retire. You can pick any age after 55.
