

GENERAL SYNOD

FEBRUARY GROUP OF SESSIONS 2020

TWELFTH NOTICE PAPER

Financial Statement pursuant to Standing Order 108

ITEM 9

SAFEGUARDING (GS 2158)

1. No additional costs arise directly from part (c) of the Bishop of Huddersfield's proposed amendment. But clearly any redress arrangements not funded from insurance would involve a financial cost to the relevant part of the Church. As the overall cost would depend on the circumstances of each case and the overall number of cases, any estimate would be speculative.
