

GENERAL SYNOD

FEBRUARY GROUP OF SESSIONS 2020

ELEVENTH NOTICE PAPER

Financial Statement pursuant to Standing Order 108

ITEM 28

WINDRUSH COMMITMENT AND LEGACY (GS 2156A and GS2156B)

1. If the research envisaged in Mr James' amendment could be framed into measurable questions, which is likely to be challenging, it is estimated that it would be a two year project with a cost of at least £70,000.

ITEM 29

WINDRUSH COMMITMENT AND LEGACY (GS 2156A and GS2156B)

2. The costs of the independent person envisaged in Mr James' amendment would depend on the scope of their brief and the term of the appointment. Our initial tentative estimate of the cost of an independent person is in the region of £30,000-£50,000, though it might prove possible to identify pro bono support as there is no budgetary provision for such work.
3. The cost of staff time to support the work of the independent person is estimated at £35,000.
