

**General Synod of the Church of England, February Group of Sessions
11th February 2020**

**Electronic voting results for Item 8 – SPECIAL AGENDA III
PRIVATE MEMBERS' MOTIONS
WINDRUSH COMMITMENT AND LEGACY (GS 2156A and GS 2156B)**

‘That this Synod, commemorating in 2018 the martyrdom of the Revd Dr Martin Luther King, Jr., noting with joy the 70th anniversary of the arrival of the Empire Windrush liner in the United Kingdom in June 1948 bringing nearly 500 Commonwealth citizens, mainly from the Caribbean, to mainland UK; and the eventual arrival of approximately half a million people from the West Indies, who were called to Britain as British subjects to help rebuild the post-war United Kingdom:

a) lament, on behalf of Christ's Church, and apologises for, the conscious and unconscious racism experienced by countless Black, Asian and minority ethnic (BAME) Anglicans in 1948 and subsequent years, when seeking to find a spiritual home in their local Church of England parish churches, the memory of which is still painful to committed Anglicans who, in spite of this racism from clergy and others, have remained faithful to the Church of England and their Anglican heritage;

b) request the Archbishops' Council to commission research to assess the impact of this on the Church of England in terms of church members lost, churches declining into closure, and vocations to ordained and licensed lay ministries missed, and to report back to this Synod and the wider Church;

c) express gratitude to God for the indispensable contribution to the mission, ministry, prayer and worship of Christ's Church in this nation made by people of BAME descent in the Church of England;

d) acknowledge and give joyful thanks for the wider contribution of the 'Windrush generation' and their descendants to UK life and culture in every field of human activity, including service across the Armed Forces and other services during and after the Second World War;

e) resolve to continue, with great effort and urgency, to stamp out all forms of conscious or unconscious racism, and to commit the Church of England to increase the participation and representation of lay and ordained BAME Anglicans throughout Church life; and

f) request the Archbishop's Council to appoint an independent person external to the Church to assess the current situation as regards race and ethnicity in the Church, in order to present a report to this Synod with recommendations for actions to achieve reconciliation and authentic belonging so that we can move towards truly being a Church for all people;

to the greater glory of the God in whose image every human being is made.'

The motion was carried after a counted vote of the whole Synod.
