

General Synod of the Church of England
November group of sessions
Monday 23rd November 2020

Electronic voting results for Item 3 (as amended)

‘That this Synod, recognising the profound challenge to life and wellbeing posed by the Covid-19 pandemic:

- a) call upon the whole church to hold in prayer all those ill, bereaved, unemployed or suffering mentally as a result of the virus, to pray for Her Majesty’s Government and all who hold responsibility for navigating the intractable dilemmas that Covid-19 poses;
- b) give thanks for the continuing selfless service of NHS and social care staff, scientists, and key workers in every sector, encouraging all to follow their example by affirming the common good over sectional interests;
- c) request the church’s representatives, in conversations with Her Majesty’s Government, to press the case for reducing social inequalities, especially the disproportionate impact of Covid-19 on BAME people and children living in poverty disabled people, elderly people and those living with chronic health conditions and to reflect concerns expressed by Synod in debate on this motion;
- d) express concern that the God given image, dignity and value of disabled and/or elderly people, including all those in residential care homes, are diminished when they are denied access to the same level of health care as the rest of the population;
- e) call on Her Majesty’s Government to preserve the United Kingdom’s foreign aid budget at 0.7% of GDP, sending a strong signal that the United Kingdom is a reliable partner for long-term economic, social, environmental and educational advancement across the globe.

- f) celebrate the role of churches in building mental and spiritual resilience to face the crisis and, affirming the role of worship and the sacraments as the source of Christian service and discipleship, call upon Her Majesty's Government immediately to review the decision to curtail public worship during lockdown.

was carried following a counted vote of the whole Synod. The voting was as follows:
