

**GENERAL SYNOD**  
**List of Speakers – April 2021**

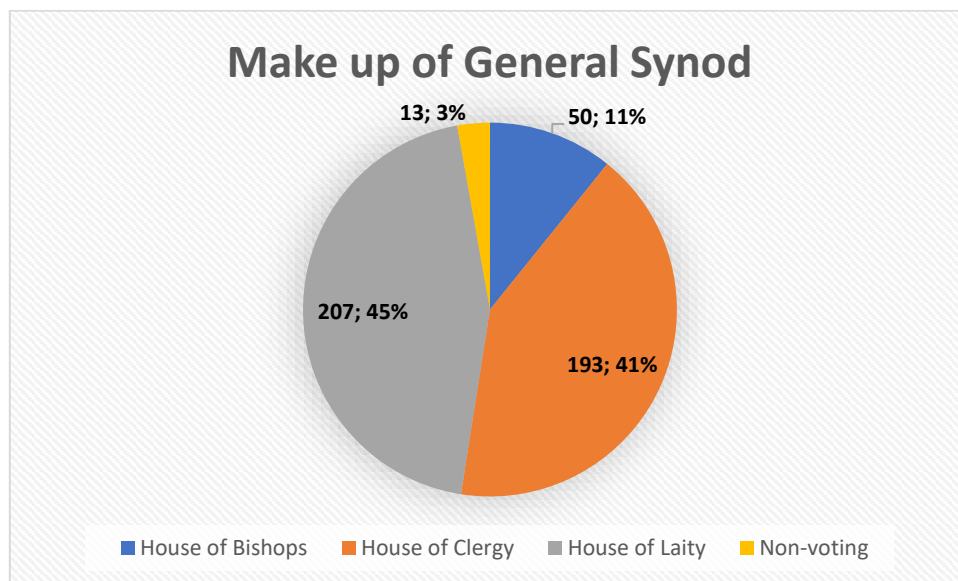

This paper provides a basic summary of statistics about the speakers at the April 2021 group of sessions.

The term “contribution” refers to either a speech made in a debate or a question raised in a presentation. Supplementaries asked during the Questions item and contributions made by the mover or presenter of any item have not been included in the total numbers.

GENERAL SYNOD

By directly comparing the first two graphs you can see that the Chairs called a representative number of speakers from each House, with an over-representation from the House of Laity and under-representation from the House of Clergy. However, if you include the total number of people that did *not* speak throughout the whole group of sessions the graph looks very different:

More than eight in ten members of Synod did not speak in any debates.
