Br Philip Dulson OSB (Mucknell Abbey). Aged 61; professed 23 years.

After being elected half way through the previous sessions of 2015-21, I am gladly seeking re-election to General Synod as a representative for Religious Communities in the House of Laity. Though a shortened stint and half of those sessions were via zoom, I enjoyed being part of the Church's governing body. Feeling it is important to be a visible reminder during the debates that there are Religious Communities, the times outside the chamber are also where I can make a positive contribution, even if I don't get chance to speak inside. Over lunch, coffee breaks, fringe meetings, being ready and willing to answer questions, and for me to see and hear about the great variety of gospel work beyond the monastery gate!

Please exercise your vote – it is important to maintain our presence in this legislative body.
