Editors show strong support for ACNY.

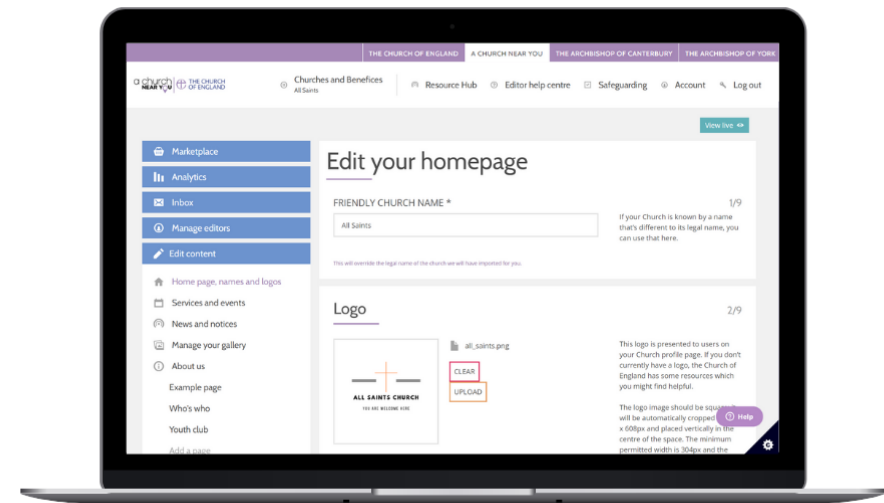

They're also clear about the 'pain points' they find on the system that they would like to see changed

Editor survey May 2021

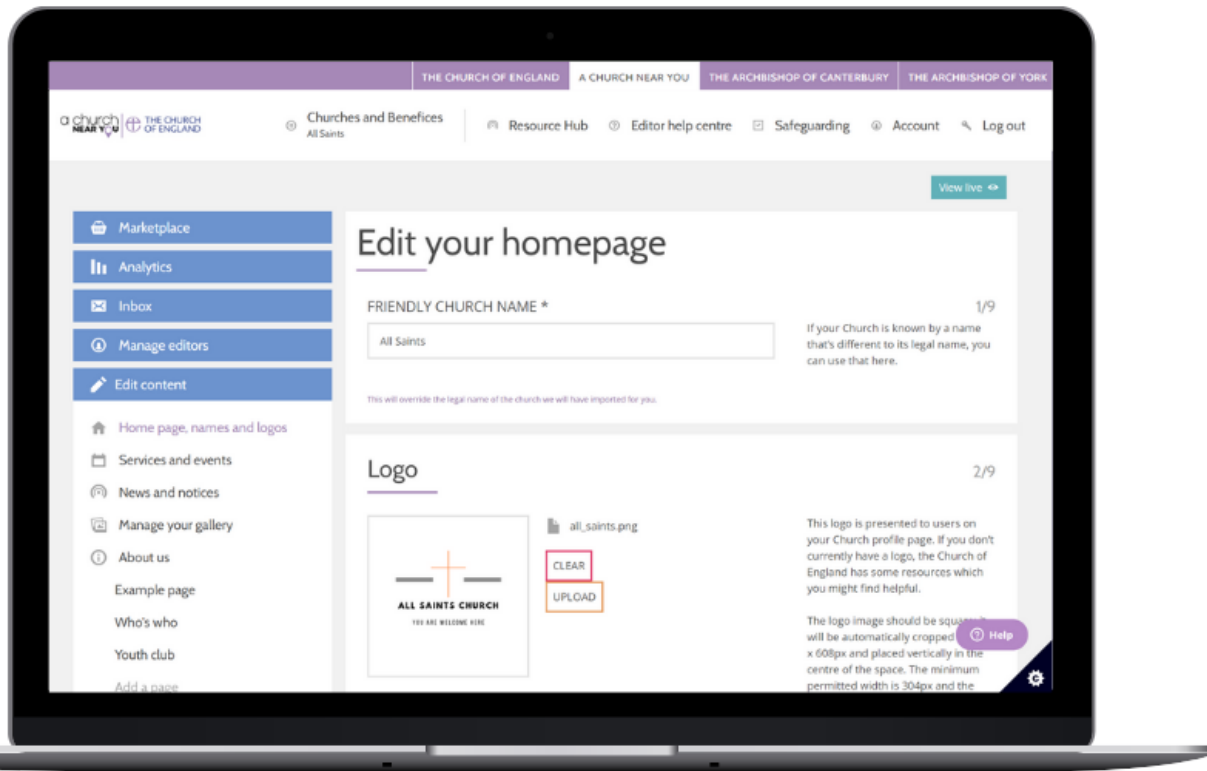

# What are we covering today?

1. New editor view
2. Events
3. News
4. Church homepage
5. Removed features
6. Tags in facilities
7. Editor help centre
8. Access

# 1. Editor view

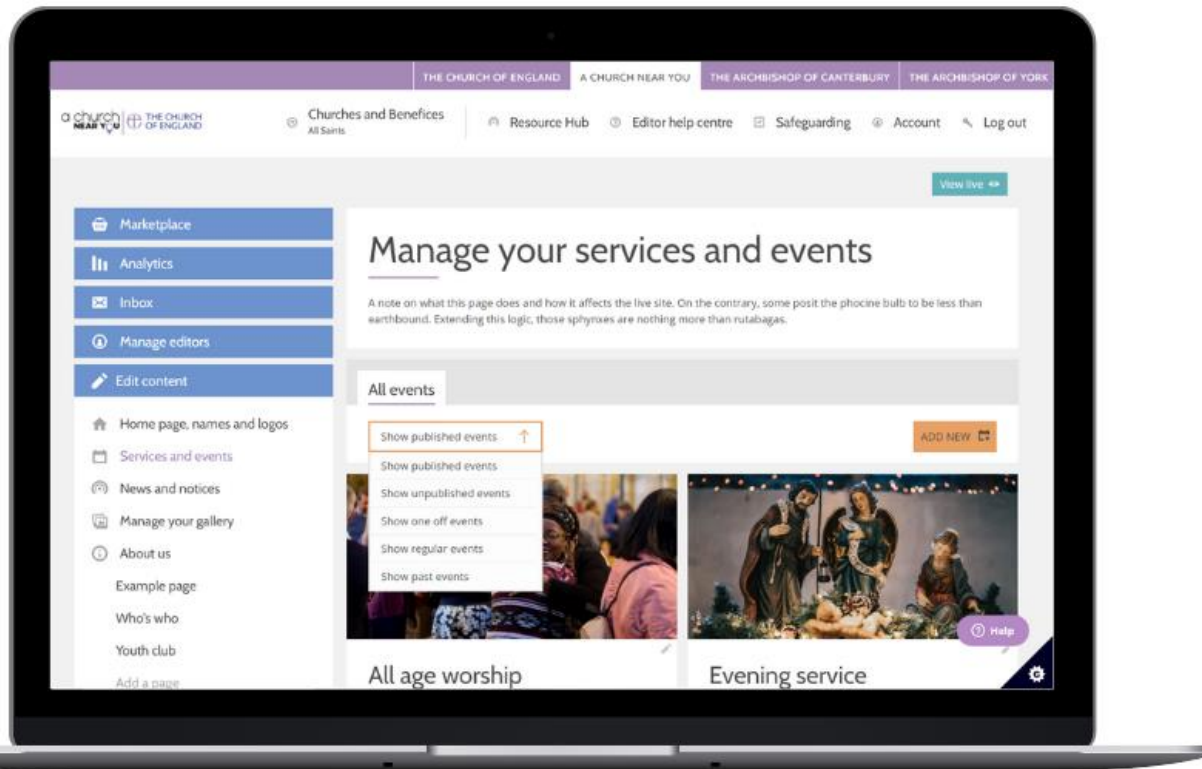

- Separate editor view for editing the site
- Fresher, simpler look
- New menu
- Accessed by clicking the single 'edit page' button on your church's menu.

Or

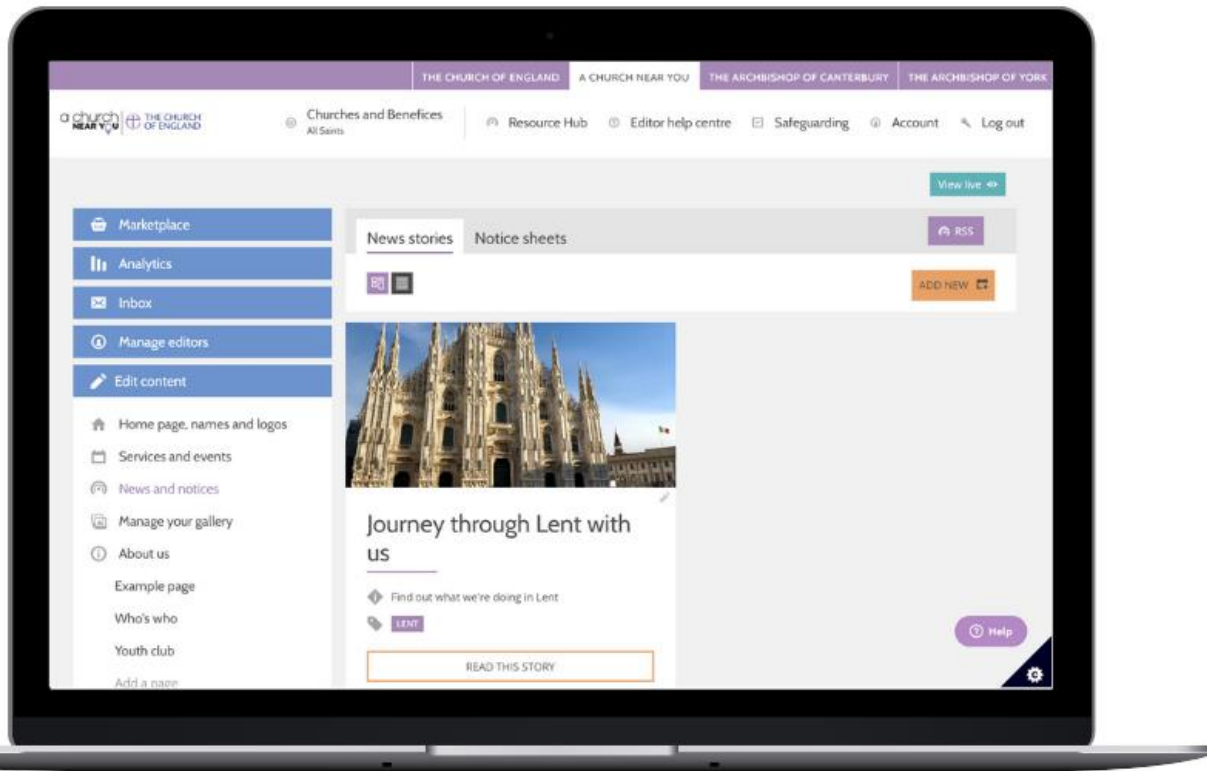

- Click churches and benefices then the cog beside the name of the church you want to edit

## 2. Events

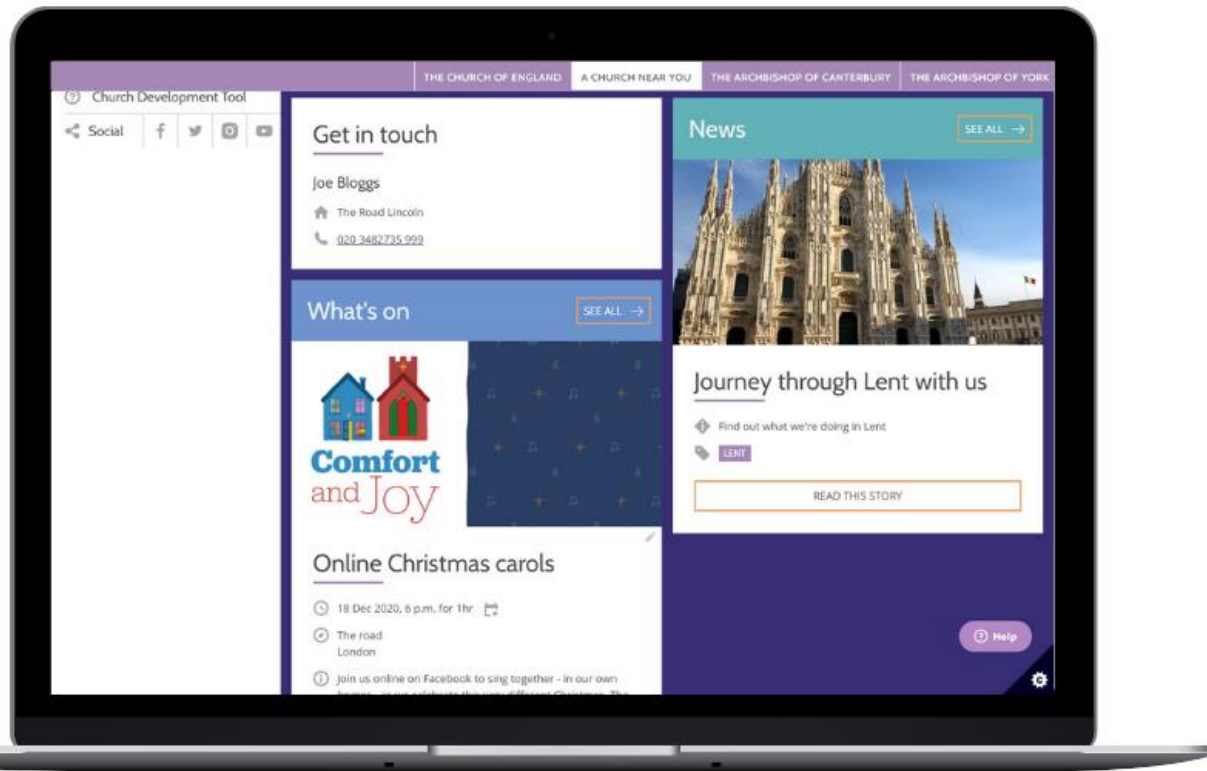

- Event tabs: All events tab
- Event order: Calendar order
- Adding an event: Added finish time, removed duration

## 3. News

- News article order by publish date
- News article publish dates removed

## 4. Church homepages

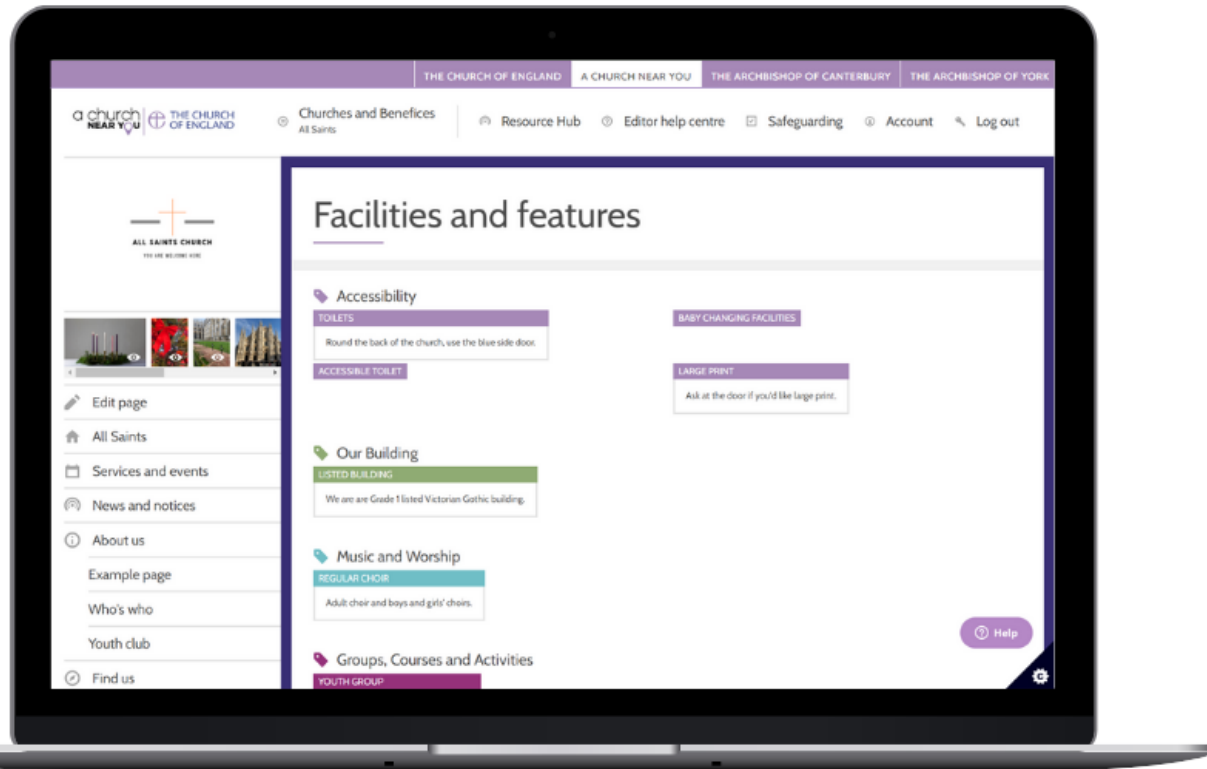

- Featured news and event: added a new button 'See all'
- Analytics: removed from homepage, added to the new editor view

## 5. Removed features

- Crockford panel under 'More information'
- Online Service Register
- Legacy information has been removed

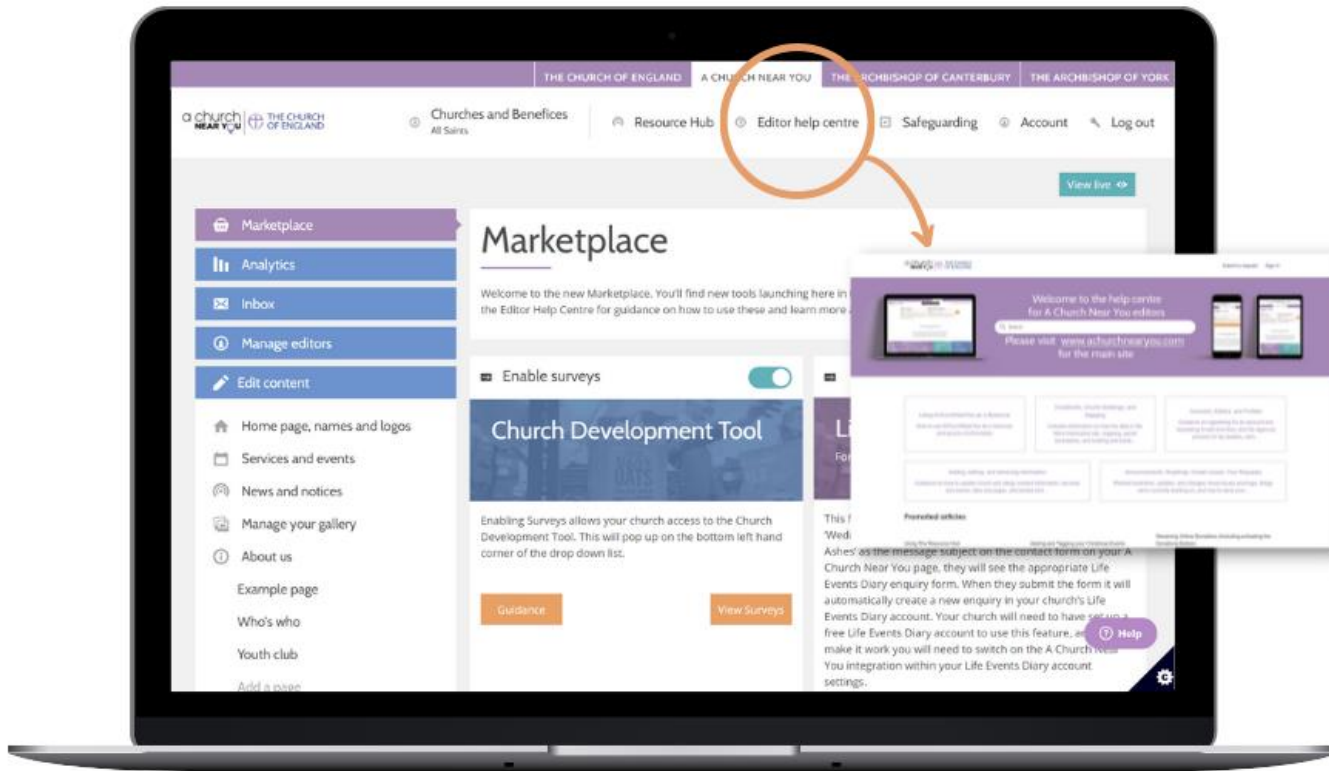

## 6. Tags in facilities

- Tag descriptions are expanded by default

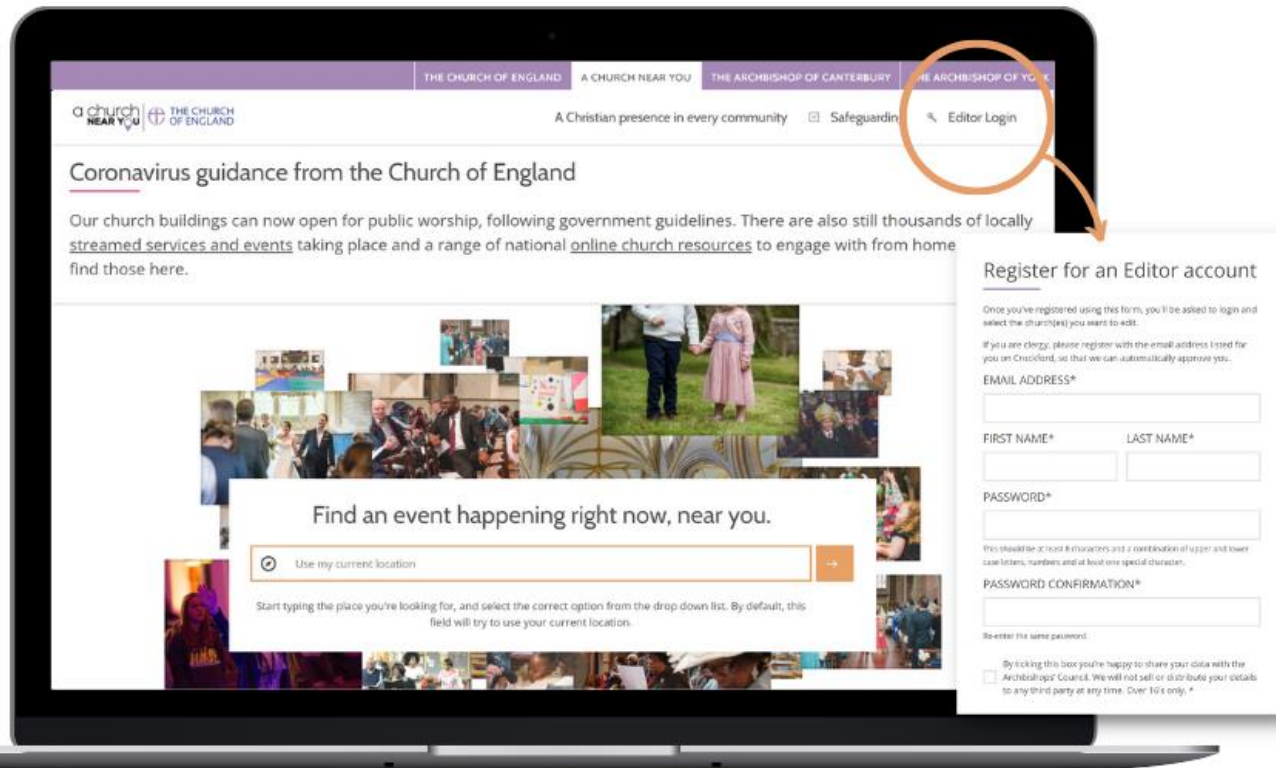

Eight improvements on A Church Near You

## 7. Editor help centre

- Editor help centre has been added to the top menu
- Articles have been re-written to reflect new improvements

## 8. Access

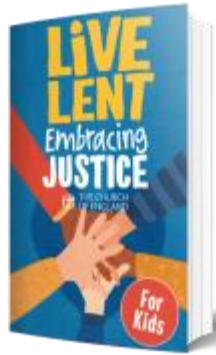

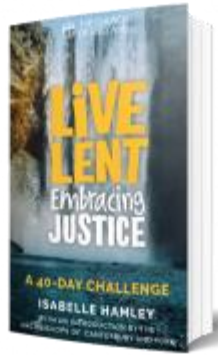

- Login button now says Editor login
- Signposted the process of becoming an editor so that it is easier to follow where you are

# What to do next

- Visit the editor help centre to find answers
- Take a look at the roadmap ahead for ACNY and make suggestions
- Attend a webinar about making the most of A Church Near You
