The flyers contained in this booklet is not a complete list of fringe meetings taking place, it just covers those that would like their meetings publicised. There will be a complete list of all fringes taking place during the groups of sessions on the noticeboard in Central Hall.

Fringe meetings are held primarily for the benefit of Synod members, offering opportunities for meeting in different groupings and to inform Synod members of the background to debates and significant issues beyond the limits imposed by the time available and the business permitted by Standing Orders. The presence of a particular fringe meeting or display at the Synod does not indicate the support either of the Presidents or the Business Committee for any views expressed or presented. These are entirely the responsibility of the organisers. Attendance at fringe meetings is entirely optional but can greatly enhance your experience of Synod.

CEECA in Synod
(Church of England Employee and Clergy Advocates)

Invite you to our Synod Fringe Meeting - Monday lunchtime in
P/T005A (Exhibition Centre)

CEECA was formed in 2012 – initially as CECA (Church of England Clergy Advocates) – in part out of a series of debates within the House of Clergy of the General Synod in the 2005-10 quinquennium. We are part of the wider Faith Workers’ Branch of Unite the Union. More recently we’ve expanded to include lay employees of the CoE at any level, and currently have over 1600 clergy and over 200 lay members. This includes 48 members of the present General Synod, in all Houses.

We are present in every CoE diocese (except Sodor and Man) and have clergy at all levels of ministry: deacons, priests and bishops. We meet regularly with NCI staff to discuss matters affecting the CoE nationally, and support our members individually through all processes and procedures – as any trade union ought.

We’ve been very involved in helping shape the replacement to the widely discredited Clergy Discipline Measure – which Synod will be debating on Tuesday.

We’re also actively engaged in the discussions and supporting members around:

• Mission and Pastoral Measure reform
• Bullying/harassment and Removal from Post
• Stipend levels and clergy hardship
• Curate progression to first incumbency
• Equalities issues for all protected characteristics

Come and find out more – whether a member or not
