

INVITATION TO AN UPCOMING MEMBER WEBINAR

Did you know that last year the Board voted on 26,520 ballots at companies at 1,873 shareholder meetings for the companies we were invested in?

Here at the Church of England Pensions Board we take great care to ensure your pension is invested well - and sustainably - to secure your future.

We are active stewards of the funds you entrust to us. This means we use our voice, and work with others to advocate for change within companies and across industries on issues that matter to our members.

We also use our votes in the companies we invest in to change corporate practice for the better.

Why not join our Stewardship webinar on Wednesday 7 December from 2 to 2.45pm to find out more? The webinar will specifically cover our approach to **voting** and how we are engaging companies around **labour rights**.

What to expect at the webinar

There will be a **short presentation** from **Adam Matthews** (our Chief Responsible Investment Officer), and **Stephen Barrie** (our Deputy Chief Responsible Investment Officer).

This will be followed by a **live Q&A** session, where you can put your questions to the team.
