# Chaplaincy Induction

From our friends at the [Centre for Chaplaincy in Education - Newman University, Birmingham](#)

Are you new in post as an education chaplain or due to start soon? If so, we invite you to register for our Chaplaincy Induction. The course will:

- Develop a new Chaplain's knowledge of their context and ability to analyse this.
- Develop a new Chaplain's core skills and ability to deepen these.
- Develop a new Chaplain's ability to fulfil the role and be able to access and create resources.
- Develop a new Chaplain's engagement with the wider school/College Chaplaincy network.

The course is taught online from September 2023 to March 2024, with facilitated sessions at 6.30pm on alternate Wednesday evenings [with breaks for holidays and half-terms]. The cost of the course is £425. We encourage you to contact your school or college and church community to seek support with funding. A limited number of bursaries are also available.

If you would like to register your interest, please [email Margaret Holland](#) at Newman University. For any more general enquiries, please [email Mike Haslam](#), from Centre for Chaplaincy in Education. We appreciate that this is short notice and another cohort of the induction course will begin in January 2024.

Prayers as ever for a restful summer,

Lucy, Stephen, Cheryl, Hannah
