As human beings we worship with our bodies as well as our words and prayers. During our worship this Synod, the minister will issue the invitation to sit or stand as appropriate. Please see these as merely invitations and adopt the posture you find most helpful and comfortable during worship.

Pastoral support during November 2023 General Synod

For these sessions of November General Synod it is particularly important that Synod members have access to appropriate pastoral support. The extended Pastoral Team is listed below and come from a variety of different church backgrounds so that members are able to speak to someone with whom they feel comfortable. The team is led by the Chaplain to the General Synod, the Revd Dylan Turner.

Chaplaincy Team members will be wearing green passes to identify them.

You can get in touch with a member of the team in a number of ways. Members of the team will be based in the Chapel throughout. If the person you'd like to speak to isn't immediately available, Dylan or another member of the team will be able to help you.
