

growing faith

December Newsletter

Growing Faithful friends looked out
As '23 was ending
'Gosh!' and 'Goodness me!' they shout,
Tears and laughter blending.
'There is still so far to go,
(Too much to do and too late?)
YET our hearts say 'Ho ho ho!
What a lot to celebrate!'

Schools and households hand in hand
Hand in hand with churches;
Every diocese with plans
Not one left in the lurch (yes!)
Parishes who grasp the truth,

New mindsets and new starts;
Babies, toddlers, children, youth
Closer to our hearts!

So shall 2024
Get better and not worser
And the Church of England grow
Younger and diverser.
May the culture change and fun
Spread across our nation!
A Happy Christmas, everyone,
(love from)
The Growing Faith Foundation
