- (1) Where, immediately before the commencement of this section, a liability of the Church Commissioners to repair the chancel of a church had effect as an interest in or over land or as a contractual obligation, the liability –
 - (a) ceases on the commencement of this section to have effect as such, and 5
 - (b) takes effect instead as a duty imposed on the Commissioners by this section.
- (2) A liability imposed on the Church Commissioners under this section is of the same extent as it was immediately before the commencement of this section.
- (3) Any instrument or agreement, in so far as it concerns a liability of the Church Commissioners to repair the chancel of a church, ceases to have effect on the commencement of this section. 10
- (4) Any Land Registry entry in respect of a liability of the Church Commissioners to repair the chancel of a church ceases to have effect on the commencement of this section. 15
- (5) The references to the Church Commissioners include a reference to a subsidiary of the Commissioners.

2 Existing statutory liabilities

- (1) The liability of the Church Commissioners under each of the Acts mentioned in subsection (2) continues to have effect and be enforceable after the commencement of section 1 as it did immediately before the commencement of that section. 20

- (3) The liability referred to in subsection (1) remains the liability of the Church Commissioners even if land affected by the liability is transferred to another person after the commencement of section 1.
- (4) The reference in section 1(3) to an instrument does not include an Act mentioned in subsection (2). 5

3 Future liabilities

- (1) Where, after the commencement of this section, the Church Commissioners acquire land and, immediately before the acquisition, a liability to repair the chancel of a church had effect as an interest in or over that land, the liability –
- (a) ceases on the acquisition to have effect as such, and 10
- (b) takes effect instead as a duty imposed on the Commissioners by this section.
- (2) A liability imposed on the Church Commissioners under this section is of the same extent as it was immediately before the acquisition.
- (3) Any Land Registry entry in respect of a liability to repair the chancel of a church which, but for this section, would on the acquisition have become a liability of the Church Commissioners having effect as an interest in or over land, ceases to have effect. 15
- (4) The references to the Church Commissioners include a reference to a subsidiary of the Commissioners. 20

4 Liabilities on cathedrals

- (1) Any liability of the Chapter of a cathedral to repair the chancel of a church in respect of which the Church Commissioners had, before the commencement of this section, been making grants under section 28(6) of the Cathedrals Measure 2021 and that had effect immediately before that commencement (whether or not as an interest in or over land) –
- (a) ceases on that commencement to be a liability of the Chapter, and
- (b) takes effect instead as a duty imposed on the Church Commissioners by this section. 25
- (2) A liability imposed on the Commissioners under this section is of the same extent as it was immediately before the commencement of this section. 30
- (3) Any Land Registry entry in respect of a liability referred to in subsection (1) ceases to have effect on the commencement of this section.
- (4) The reference to section 28(6) of the Cathedrals Measure 2021 is, in so far as that provision is not in force, to be read as a reference to section 25 of the Cathedrals Measure 1999. 35
- (5) Section 28(6) of the Cathedrals Measure 2021 ceases to have effect.

5 Supplementary matters

- (1) A duty or liability imposed by this Measure is enforceable under the Chancel Repairs Act 1932. 40
- (2) Any difference in determining the extent of a liability for the purposes of this Measure is to be referred to a single arbitrator who –

-
- (a) is to be agreed between the parties, or
- (b) if there is no agreement, is to be appointed on the application of either party, after giving written notice to the other, by the President of the Royal Institute of Chartered Surveyors.
- (3) A reference in this Measure to a “Land Registry entry” is a reference to an entry in the register of title or the register of cautions against first registration kept by the Chief Land Registrar. 5
- (4) In this Measure –
- “land” includes mines and minerals, whether or not held apart from the surface, with “mines and minerals” having the meaning given in section 205(1)(ix) of the Law of Property Act 1925, and 10

- (4) The power to make an order under subsection (3) is exercisable by statutory instrument; and the Statutory Instruments Act 1946 applies as if the order had been made by a Minister of the Crown and as if this Measure were an Act of Parliament.
- (5) This Measure extends to – 25
- (a) the whole of the province of Canterbury but not either of the Channel Islands (which has the meaning that “the Bailiwicks” has in the Channel Islands Measure 2020), and
