

GENERAL SYNOD

JULY GROUP OF SESSIONS 2024

THIRTEENTH NOTICE PAPER

ITEM 24: LIVING IN LOVE AND FAITH

1. It is considered that there is sufficient provision in the revised 2024 forecast and the 2025 budget for LLF work for theological advice, travel and meeting costs mentioned in the Bishop in Europe's amendment. But this – together with provision for 2026 and beyond - will be reviewed in the light of that work and the subsequent decisions that may be taken by the Synod in February 2025.
